TOWN OF WILMINGTON

MASSACHUSETTS

BOARD OF SELECTMEN

To the Citizens of Wilmington:

We herewith transmit the Annual Report of the Town of Wilmington for the year ending December 31, 1964.

Every effort has been made to give a clear and concise report so that you will know more about your Town Government and will therefore be better able to use its many services.

Announcements made last year of industrial expansion in the Town, including the Eagle Can Company of Somerville, Polyvinyl Chemicals of Peabody and the recent announcement of Sweetheart Plastics 80,000 sq. ft. expansion of facilities, are proof that Wilmington is growing industrially and will continue to grow. During 1964 the Town was fortunate in having a new post office and new telephone facilities constructed to better serve our residents. These along with other commercial expansions, such as the new W. T. Grant store and Robert Hall, help to insure a stable tax rate for the Town. Your Board of Selectmen is committed to a goal of encouraging industrial expansion to insure the economic well-being of the community and to provide job opportunities for our residents.

During 1964 the Town completed the construction of the Woburn Street School and began preliminary plans for the new West Intermediate School to be built in the near future. Wilmington had the distinction of being voted to one of the seats of the executive committee of the Massachusetts Bay Transportation Authority. In the coming fiscal year, plans are being made for a new library, new Town Hall, new bathhouse at the town beach, and the expansion of other recreational facilities to help make Wilmington a better place in which to live.

The Board of Selectmen looks forward to the coming year as an opportunity to continue its work, to make Wilmington a truly great town and one of which we can all be justly proud. The support that the Board has received from the citizens of Wilmington has played no small part in the progress and prosperity now enjoyed by the Town. For this reason, this report is dedicated to all Wilmington Citizens.

Respectfully submitted,

Rene J. LaRivee, Chairman
Charles H. Black
Wavie M. Drew
John Brooks
Lloyd C. Bender, III

Town Manager

To the Citizens of Wilmington:

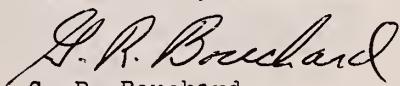

The report which follows serves to explain the many varied activities of your Town government. These include daily services such as police and fire protection, and capital improvements such as new streets, sidewalks, and schools. It is my job, as Town Manager, to see that all of these activities are carried out in such a way that you receive the maximum amount of service for each tax dollar you pay.

As your Town Manager, I am proud to present the review of last year's operations contained in this report. Wilmington's accomplishments include:

1. Locating four new potential well sites to increase the town's water supply capacity to meet the needs of our growing community.
2. Establishment of an assessment policy by the Board of Assessors for assessing industrial and commercial properties on an equal basis with residential properties thereby correcting a major inequity.
3. Completion of the new Woburn Street School and preparation of preliminary plans for a new West Intermediate School.
4. Completion of a major land-use study along Interstate Highway 93 and its four interchanges to guide the Planning Board in deciding on what use the Town should make of the land adjacent to this highway thereby capitalizing on Wilmington's prime asset.
5. Continued efforts to attract new industries including the Eagle Can Company of Somerville, Polyvinyl Chemicals, Inc. of Peabody, W. T. Grant, Robert Hall, and others.
6. Improved telephone and postal facilities to better serve the residents of the Town.
7. Development of tobogganing and skiing facilities in the Town Park to improve recreational opportunities for our growing community.
8. Correction of sixteen major storm drainage problems to improve living conditions in various neighborhoods.

This annual report highlights the comprehensive role played by the town government in the everyday lives of our citizens. With the cooperation and assistance of a fine Board of Selectmen, a sound administrative organization and the support of all citizens, we look forward to continued progress during the coming year.

Respectfully submitted

G. R. Bouchard
Town Manager

Board of Registrars

In accordance with Section 1, Chapter 3, of the Town By-Laws, meetings of the Board of Registrars are held on the second Monday of each month for the registration of voters and the conduct of business. Under Chapter 626 of the Acts of 1958, this meeting is open to the public and the press and is so posted in the Town Hall.

The Board also holds many extra meetings for the purpose of certifying names on nomination papers and warrant articles. In 1964 the Board held twelve (12) regular meetings, nineteen (19) extra meetings, four (4) All-Day Registrations and three (3) Recounts.

Women married prior to January 1 must re-register under their marriage name. Naturalized citizens must have their naturalization papers with them when registering.

New residents are requested to notify the Board of Registrars of the date which they take residence in the town. Any change of address within the town during the year should be brought to the attention of the Board so that your name will not be removed from the voting list inadvertently.

In order to keep the voting list as up-to-date as possible, the Board annually compares the voting list with the yearly census. If a voter's name does not appear in the census, it is subject to removal from the voting register.

POPULATION - January 1964	Over 14,000
DOGS - listed by Registrars	1,552
REGISTERED VOTERS - October 2, 1964	1,091 Republicans
	1,701 Democrats
	<u>3,622</u> Unenrolled
	6,414 Total Voters

Constable

I herewith submit my annual report as Constable of the Town of Wilmington for the year ending 1964. I have posted Notices and Warrants for the Annual Town Meeting, Special Town Meetings, State Primary and State Election in accordance with the By-laws of the Town of Wilmington. I have also served and posted Notices for other Officers and departments of the Town of Wilmington.

Town Clerk

Vital Statistics - Chapter 46, General Laws as Amended:

BIRTHS - final figure for 1963 . . . Three Hundred Forty-seven (347)

BIRTHS - actually recorded to date for 1964 . . . Two Hundred Eighty (280)
(This figure will be increased when the final reports are in.)

MARRIAGE INTENTIONS - recorded in 1964 . . . One Hundred Thirty-one (131)

MARRIAGES - recorded in 1964 . . . One Hundred Forty-seven (147)

DEATHS - recorded in 1964 . . . Eighty-seven (87)

Chapter 46, Section 15:

The Town Clerk will furnish to parents, householders, physicians, and registered hospital medical officers applying therefor, blanks for the return of births as required by law.

Chapter 114, Section 45:

Thirty-three (33) Burial Permits have been issued by the Town Clerk as Special Agent for the Board of Health in 1964. Eighteen (18) removal permits were also issued, and one (1) re-interment.

TOWN RECORDS

Permits and Certificates of Registration for the Storage of Inflammables:

These licenses must be registered by the owner or occupant of the land, or by the holder of the license in the Town Clerk's office on or before April 30 of each year. Notification will be sent on or about March 15. If not registered as required by law, the license may be revoked by the licensing authority, after a public hearing.

Inflammables	83
Uniform Commercial Code recordings	510
Federal Tax Lien recordings	13
Uniform Commercial Code Terminations	75
Dog Licenses issued (as of 1/11/65)	1,327
Duplicate Dog Tags issued	25
Business Certificates recorded	15
Business Withdrawals	2
Fish & Game Licenses Issued	743
Pole Locations recorded	32
Medical Registrations	0

Other Services:

Keep minutes of Annual and Special Town Meetings up-to-date (certify same when requested)
Record election results. Send State election results to State House forthwith
Keep jury list up-to-date. Draw jurors when court orders come through
Certified copies of Births, Marriages and Deaths. 194
Birth record card (abstract) - used for school entrance, drivers' licenses, out-of-state travel and job applications 296
Proof of residence - by letter or card. undetermined number
Miscellaneous sales of books and maps undetermined number
Receives writs against the Town and forwards copies of same to the Town Counsel
Occasionally appear in Court for the Town when summoned - producing all papers and maps required
Complete notes of the Town as received from the Town Treasurer after approval by the Selectmen. Certify same
Record plot plans for the Planning Board
Record Board of Appeal Decisions

The Town Clerk, in her capacity as a Justice of the Peace, certified an undetermined number of legal papers for Town Officers. The Town Clerk also swears Town Officers to the faithful performance of their duties and keeps a record of same.

By virtue of her office, the Town Clerk is clerk to the Board of Registrars. In this capacity, I have

Met with the Board on regular meetings and special meetings
Kept the minutes of the Board up-to-date
Worked with the Police on the census
Kept the voting list up-to-date
Registered voters during office hours
Supervised the distribution and filing of nomination papers
Prepared the ballot. Ordered printing of same
Hired election workers
Prepared payrolls for election workers
Supervised elections
(There were four (4) elections and three (3) recounts this year)

There are a few books, "Births, Marriages and Deaths" from 1730 to 1898, compiled by James E. Kelley still available at this office. By vote of the Selectmen, these books are on sale at \$1.00 each.

In order to complete our records, the Town Clerk would like to receive copies of back years of "Persons Listed" books. If you have such books and are willing to dispose of them, please contact this office.

Permanent Building Committee

In accordance with the purpose for which it was originally formed, the Permanent Building Committee has endeavored to perform the function of erecting and equipping public buildings, together with recommending additional school sites.

During the past year, the committee guided the construction and equipping of the Woburn Street Elementary School which was ready for occupancy when the regular school year commenced in September of 1964.

Various sites were investigated prior to recommending the acquisition of 31.78 acres off Carter Lane as the location for the proposed West Intermediate School and a future elementary school facility.

Plans, specifications, and bid documents for the West Intermediate School are at the point of readiness for public bid in February of 1965, with a construction completion date of August 1966.

The Permanent Building Committee has been aided immeasurably by the cooperation of all town officials and at this time extends its most sincere appreciation to them and to the taxpayers whose votes of confidence enabled the committee to expedite its programs.

The committee's diligence is best evidenced by the fact that supplementary appropriations have not been necessary, and in fact, a balance should exist when the final accounting is made on the Woburn Street School project.

Cooperation through information has been the basis of the committee's success, and its intention is to proceed and progress in its purpose to serve the townspeople.

Town Treasurer

Planning Board

General Planning:

The members of the Planning Board undertook the review of the Zoning By-law during 1964, to insure maximum protection for the inhabitants of Wilmington through sound and orderly growth. With the rapid growth of residential, industrial and commercial land the Planning Board directed its attention, through study, towards:

1. Land use along Route 93 within the length of the Town boundaries;
2. Studies on the advisability of Garden-type Apartments;
3. Proper enforcement of our Zoning By-law;
4. Working with other boards.

Subdivision:

After the requirements of the subdivision control law were met, numerous subdivisions were fully considered with attention focused on roads, accessibility, drainage, trees, etc.

Some of the subdivisions which this board worked on were Pinewood Estates, Alderwood Estates, Benson Park, Esquire Estates, De Carolis, Forest Park, Jackson Heights, etc.

We also had an Industrial subdivision known as Lopez Road.

Plot Plans:

During the course of the year, the Planning Board reviewed numerous plans. They made sure that all requirements were fully complied with and carefully checked all plans with the Town records, maps, and proper town officials.

Consultant:

The Planning Board engaged a Planning Consultant, Samuel Snow, to prepare a comprehensive study of Garden-type Apartments and land use along Route 93.

Policies:

The Planning Board has undertaken to work closely with other boards by holding special hearings with all town bodies as invited guests to keep them informed as to the Planning Board's present undertakings.

General:

The Planning Board takes great pleasure in working with other boards, offering their services, if they so desire.

The members of the Planning Board sincerely want to thank all those who attend their meetings and avail themselves of a better relationship and understanding of the functions of this board.

Public Library

The most significant indication of the growing demand for library services is the fact that 1700 new borrowers were registered during 1964, bringing the total to approximately 6,000. The circulation of all library materials showed a growth of 8%.

As a means of providing increased service, the Trustees voted to extend the hours during which the Library is available. Commencing January 1, 1965, the Library will be open Monday through Friday from 10:00 a.m. until 9:00 p.m. and on Saturday from 2:00 p.m. until 5:00 p.m. - an addition of 7½ hours a week.

In an effort to accommodate more books, several new book cases have been added this year.

Because legal obstacles have prevented the Town from taking over the old St. Thomas Church property, the Trustees felt that they should reconsider their recommendation to convert the church for library use. Since the original plan was intended to provide library facilities for only a limited period; and two years have already elapsed, this temporary measure has become less practical. The Trustees therefore voted to rescind their decision to renovate the church and voted to build a new building instead.

The Trustees wish to express their gratitude to the Literature Committee of the Wilmington Women's Club which presented the handsome sign at the entrance to the Library and is responsible for the seasonal changes in the window boxes. We also extend our appreciation to the Library Staff for their unfailing cooperation and effort.

LIBRARIAN'S REPORT

Books added to the Library	2,428
Records added	38
Books circulated: Library	65,496
Bookmobile	5,060
Periodicals circulated	1,032
Records circulated	1,014
Fines collected	\$1,442.23

The circulation of books, periodicals and records from the Library in 1964 was 67,542, an increase of 4,392. The Bookmobile circulation showed an increase of 279.

At the present time the Library has a book collection of approximately 20,000 volumes, a record collection of 400 and subscribes to 36 magazines. The number of registered borrowers is 5,956. The Reference Department is in constant use by adults as well as children, and many books are borrowed on inter-library loan.

Because the Story Hour attendance reached capacity early in October, it was necessary to limit registration to 40. The continued success of this popular program is due largely to Mrs. Theodore McKie and Mrs. Chester Tompkins who give so generously of their time and talent.

The highlight of the year was the book jacket contest for the children in Grades I through VI held during Children's Book Week in November. There were more than two hundred entries which were on exhibition for three weeks. A prize of a book was given by the Women's Club for the best book cover submitted in each grade. The judges were Mrs. Anderson, Supervisor of Art in the schools, and two assistants. We extend our thanks to those who gave much time and thought to picking the winners. Great enthusiasm and remarkable talent was shown by the participants.

Town Counsel

In accordance with the requirements of the Town By-laws, I submit herewith my report as Town Counsel covering the year 1964.

A. On January 1, 1964, there were pending the following actions by or against the Town (exclusive of actions in which the Town was merely summoned as trustee, and in which it had no interest, and of tax lien foreclosure proceedings in the Land Court):

City of Lowell v. Town of Wilmington, District Court of Lowell. (Action of contract by City of Lowell to recover the sum of \$275.96 for special vocational training of certain pupils.)

City of Lowell v. Town of Wilmington, District Court of Lowell. (Action of contract by City of Lowell to recover \$657.77 plus interest for aid furnished in a public welfare case.)

City of Lowell v. Town of Wilmington, District Court of Lowell. (Action of contract by City of Lowell to recover \$721.90 for aid furnished in a public welfare case.)

Town of Wilmington v. A Certain Defendant, Fourth District Court of Eastern Middlesex. (Action of contract under G. L. Chap. 117, Sec. 5.)

Jacob Levine & Sons v. Town of Wilmington, Fourth District Court of Eastern Middlesex. (Action of contract to recover burial expense.)

Town of Wilmington v. Julia Godzyk, Administratrix of the Estate of Andrew Klebasz, Fourth District Court of Eastern Middlesex. (Action of contract to recover amounts expended by the Town for support and hospital treatment of decedent.)

Town of Wilmington v. Wendell Phillips, Middlesex Probate Court. Removed to Fourth District Court of Eastern Middlesex. (Petition to enforce obligation to support.)

Wilmington Board of Health v. Nagel Stone, Middlesex Superior Court. (Bill in equity to enjoin occupancy of substandard dwelling.)

New England Gas Products Inc. v. Board of Appeal, Middlesex Superior Court. (Three separate appeals from refusal of building permit.)

Town of Wilmington v. Commonwealth of Massachusetts, Middlesex Superior Court. (Petition for assessment of damages for taking for state highway.)

Town of Wilmington v. Stephen P. Hathaway et als, Middlesex Superior Court. (Bill in equity to enjoin removal of sand and gravel.)

Town of Wilmington v. William Baldwin et als, Middlesex Superior Court. (Bill in equity to enjoin removal of sand and gravel.)

Town of Wilmington v. Commonwealth of Massachusetts, Middlesex Superior Court. (Petition for assessment of damages for land taking.)

John J. and Mary T. Hayes v. County of Middlesex, Middlesex Superior Court. (Petition for assessment of damages for land taking.)

Town of Wilmington v. Citizens Trust Company, Middlesex Superior Court. (Action to recover deposit securing bid for kitchen equipment at new North School.)

Minot Anderson et al v. Louis E. Gage et als, Board of Appeals, Middlesex Superior Court. (Appeal from decision of the Board of Appeals denying application for variance.)

Bessie Cohen, d/b/a Wilmington Grain Co. v. Board of Appeal, Middlesex Superior Court. (Appeal from denial by Board of Appeal of application for variance.)

Town of Wilmington v. Arthur Hatton, Fourth District Court of Eastern Middlesex. (Action to recover damages to fire truck.) Up to date defendant has not been served owing to the fact that his whereabouts are unknown.

John J. Nitchie et al v. Town of Wilmington, Middlesex Superior Court. (Petition for damages for land taking.)

Beatrice G. Swenson v. Town of Wilmington et al, Middlesex Superior Court. (Petition for damages for land taking.)

Lillian M. Galvin v. Town of Wilmington, Middlesex Superior Court. (Petition for damages for land taking.)

Richard Donahue v. Town of Wilmington et al, Fourth District Court of Eastern Middlesex. (Action to recover damages for blasting.)

Sidney E. Graves, Administrator, v. Town of Wilmington et al, Middlesex Superior Court. (Action to recover damages for death.)

Paul N. Carpenter v. Town of Wilmington et al, Middlesex Superior Court. (Action to recover for damages to property from fire.)

Minot J. Anderson et ux v. Town of Wilmington, Land Court. (Petition to invalidate zoning by-law.)

Town of Wilmington v. Joseph DeCota, Jr., Fourth District Court of Eastern Middlesex. (Proceeding to enforce obligation to support.)

Town of Wilmington v. Edward C. Cole, Fourth District Court of Eastern Middlesex. (Action to recover damage to water hydrant.)

Albert P. Rounds et al, Trustees v. Harold E. Melzar et al, Board of Water and Sewer Commissioners of Town of Wilmington, Middlesex Superior Court. (Petition for writ of mandamus.)

Albert P. Rounds v. Harold E. Melzar, Middlesex Superior Court. (Action of tort for interference with contract rights.)

Albert P. Rounds v. Waldo A. Stevens, Middlesex Superior Court. (Action of tort for interference with contract rights.)

Albert P. Rounds v. Arnold C. Blake, Middlesex Superior Court. (Action of tort for interference with contract rights.)

Jackson Brothers, Inc. v. Town of Wilmington, Land Court. (Petition for registration of land.)

Henry E. Brooks v. County of Middlesex, Middlesex Superior Court. (Petition for assessment of damages for land taking, Ballardvale Street.)

Patsy Spinosa v. County of Middlesex - Town, Middlesex Superior Court. (Petition for assessment of damages for land taking.)

Salvatore Spinosa, Jr., Exec. v. County of Middlesex and Town, Middlesex Superior Court. (Petition for assessment of damages for land taking.)

B. (1) During the year 1964, the following new action was brought by or on behalf of the Town:

Town of Wilmington v. Robert G. and Bernice A. Cowie, Fourth District Court of Eastern Middlesex. (Action on behalf of Town by Collector of Taxes to recover 1962 real estate taxes.)

B. (2) During the year 1964, the following new actions were brought against the Town or its officers or agents:

Massachusetts General Hospital v. Town of Wilmington, Third District Court of Eastern Middlesex. (Action to recover \$142.64 for hospital care.)

Massachusetts General Hospital v. Town of Wilmington, Third District Court of Eastern Middlesex. (Action to recover \$605.35 for hospital care.)

City of Boston v. Town of Wilmington, Suffolk Superior Court. (Action to recover \$2174.62 for aid to various indigent persons.)

John D. Ahern Co., Inc. v. Robert B. Michelson et als, Members of Permanent Building Committee, Sewell & Smith Construction Co. et al, Middlesex Superior Court. (Bill in equity to compel substitution of a different sub-contractor in construction of Woburn Street School.)

Paul F. Donahue and Joseph Bergstrom d/b/a Conti & Donahue, Inc. v. Town of Wilmington, Essex Superior Court. (Action of contract for money claimed to be due.)

William M. and Margaret A. Bangs v. Commonwealth of Massachusetts, Town of Wilmington et al, Middlesex Superior Court. (Petition for Assessment of damages in land taking.)

Robert P. Stevens, Trustee v. Romano et als, Middlesex Superior Court. (Writ of mandamus against Agent and members of Board of Health).

Francis D. and Christine L. Barcellos v. County of Middlesex and Town of Wilmington, Middlesex Superior Court. (Petition for assessment of damages in land taking.)

Crane Supply Company v. Sewall & Smith Construction co. et al, Middlesex Superior Court. (Claim for labor and materials furnished for Woburn Street Elementary School, under Chap. 149, Sec. 29.)

Robert Corey v. Town of Wilmington, Middlesex Superior Court. (Petition for assessment of damages in land taking.)

John R. Evans et als v. Frederic E. Grimes et als, Middlesex Superior Court. (Petition under G.L. (Ter. Ed.) Chap. 40, Sec. 53 - brought by taxpayers.)

Joseph Leto et als v. Frederic E. Grimes et als, Middlesex Superior Court. (Petition for Declaratory Judgment to set aside assessments of taxes for 1964).

C. During the year 1964, the following actions by or against the Town were finally disposed of:

John J. Nitchie et al v. Town of Wilmington, Middlesex Superior Court. (Settled by agreement - by payment by Town of \$2312.)

Lillian M. Galvin v. Town of Wilmington, Middlesex Superior Court. (Settled by agreement by payment by Town of \$300.)

John R. Evans et als v. Frederic E. Grimes et als, Middlesex Superior Court.
Joseph Leto et als v. Frederic E. Grimes et als, Middlesex Superior Court.

(Both cases decided in favor of Town December 3, 1964 by Supreme Court.)

Albert P. Rounds et al, Trustees v. Harold E. Melzar et al Board of Water and Sewer Commissioners of Town of Wilmington, Middlesex Superior Court. (Disposed of by final Judgment by Supreme Court in favor of the Town.)

Albert P. Rounds v. Harold E. Melzar, Middlesex Superior Court.
Albert P. Rounds v. Waldo A. Stevens, Middlesex Superior Court.

Albert P. Rounds v. Arnold C. Blake, Middlesex Superior Court.

(All three cases disposed of by entry of agreement for judgment for the defendants.)

Town of Wilmington v. Commonwealth of Massachusetts, Middlesex Superior Court.
(Settled by payment to Town of \$500 April 1964.)

Minot J. Anderson et ux v. Town of Wilmington, Land Court. (Disposed of by Supreme Judicial Court by dismissing appeal April 10, 1964.)

Massachusetts General Hospital v. Town of Wilmington, Third District Court of Eastern Middlesex. (Settled by agreement for \$142.64 paid by Town to Massachusetts General Hospital.)

Massachusetts General Hospital v. Town of Wilmington, Third District Court of Eastern Middlesex. (Settled by agreement for payment of \$507.60 by the Town to Massachusetts General Hospital.)

Jackson Brothers, Inc. v. Town of Wilmington, Land Court. (Disposed of by agreement and withdrawal of appearance and objections by Town.)

John D. Ahern Co., Inc. v. Robert B. Michelson et als, Members of Permanent Building Committee, Sewell & Smith Construction Company et al, Middlesex Superior Court.
(Disposed of by agreement by entry of final decree in favor of plaintiff.)

Town of Wilmington v. Edward C. Cole, Fourth District Court of Eastern Middlesex.
(Disposed of by final judgment in favor of the Town for damages and costs totalling \$236.17.)

D. Compensation was received by the Town Counsel in said matters and in all other matters during the year, as follows:

Compensation \$3600.00, less discount of \$700.05, (to conform to appropriation)	\$2,899.95
--	------------

Disbursements	600.05
	\$3,500.00

Discount reduced by later payment by Town to cover disbursements in the Rounds cases	434.35
	\$3,934.35

(The above amounts were entirely on account of services rendered and disbursements paid in the calendar year 1964.)

Respectfully submitted,

Philip B. Buzzell
Town Counsel

Value of Property Recovered by Department

\$24,795.00

he above gives a resume of the activities of the department for the year 1964 - just facts and figures.

It may well be mentioned here that Sergeant Talbot Sidelinker retired on April 1, 1964, after completing some thirty years with the department.

The year 1964 saw two more cruisers added to the department - something that was long overdue - assuring us of more patrol service to the townspeople. While on the subject of cruisers, let me remind all residents that these cars "are out there" all hours of the day and night. If you see something in your immediate area that you feel should be reported to the police, put that call in to us (658-3331) immediately - for the cruiser may be just a minute away. Too many times we hear people say, "We were going to call, but by the time you would get here from the station they would be gone." Please call us.

In concluding my report, I would like to express my sincere thanks to all the members of the department for their devotion to duty. My sincere thanks and appreciation to the Women Traffic Supervisors for the wonderful job they do throughout the year. To the many department heads and members of their respective departments who do so much for my department, thanks so much for your continued support and cooperation. Special thanks to the "Gang at Town Hall" for all they do for myself and the department.

last to be thanked, but certainly not least, are the Town Manager and the Board of Selectmen. Thanks for your efforts in 1964, and I look forward to a banner year in 1965.

Recreation Commission

The Commission through the use of part-time personnel has attempted to serve people of all ages in one area or another with a diversified summer and winter program.

Two new play areas were established during 1964; namely, Boutwell School Playground and North Intermediate School Playground. These areas offered programs designed to meet the needs of children between the ages of five to fifteen years in a supervised program of activities. Parents and children in these two new areas have expressed their appreciation of the program.

At the town beach several major changes took place. The main parking lot was transferred from the original location to the area surrounding the bathhouse. The entire beach and parking area was resurfaced with appropriate fill and graded to meet the contours of the land.

Through the cooperation of a group of volunteer workers headed by Mr. Howard Lafaver, the establishment of a boys' basketball league became a reality. Each Saturday, games were conducted at the High School Gym throughout the winter months. A pilot group also experimented with a summer basketball league at the Tennis Courts during the summer evenings. Both projects have proved to be worthwhile, and it is hoped they will be carried on in the future.

The Commission is very grateful to the School Committee for their cooperation in the use of their buildings and grounds which contribute toward the success of such programs as have been mentioned.

Fire Department

The manual force consists of the Chief, three Lieutenants, and fifteen Privates. There is a call force of fifteen members.

The Fire Department responded to a total of nine hundred and sixty eight (968) calls. One hundred and seventy four (174) were bell alarms and seven hundred and ninety-four (794) were still alarms.

Ambulance Calls	367	False Alarms	56
Auto and Trucks	37	Oil Burners	6
Buildings	62	Out of Towns	14
Brush and grass	359	Service Calls	67

A total of 92,285 feet of fire hose was laid: 51,485 feet of booster hose; 17,850 feet of 1 1/8" hose; 12,700 feet of 1 1/2" hose; and 10,250 feet of 2 1/2" hose. The total value of property endangered was \$407,500. The property loss was \$38,800.

As required by law, inspections were made of rest homes, schools, and all public buildings, and storage of inflammables.

With the exception of Engine #1 and #5, all equipment is in good condition.

Members of the department installed approximately one mile of fire alarm wire to connect the Woburn Street School. They had to change over fifty-nine poles for the Reading Light Department and Telephone Company, and do routine maintenance of the alarm system.

Permits issued for blasting	36
Permits issued for Gas	52
Permits issued for Oil and Inflammables	141

Maintenance of Public Buildings

To the Board of Selectmen and Citizens of Wilmington, I respectfully submit my first annual report on behalf of the Maintenance of Public Buildings Department.

The staff of the department was increased by three men the past year, from twenty-five full-time to twenty-eight full-time. Two men were assigned to the new Woburn Street School, and the third replaced two part-time men formerly at the Walker and Whitefield Schools.

So far as possible, the department will try to do all repairs and upkeep to the buildings within the capabilities of the men and equipment. At times it will be necessary to use outside contractors on some functions that require a skilled technician in that particular field. With some changes of existing personnel, we have been able to acquire an assistant painter to help with the upkeep of buildings and eliminate outside contractors.

A few of the major repairs accomplished this year are as follows:

Boutwell School:

Former oil burner problems have been eliminated.

Some improvement has been made to the ventilation of the kitchen, halls, and cafetorium areas.

Buzzell School:

A new hot top play area has been paved.

We are in the process of cleaning the back area for a play field.

Center School:

The old existing drain system for the yard has been located and excavated so that the spring rains may be drained off.

Glen Road School:

An improvement in the ventilation of the hall, kitchen, and cafetorium has been done.

Major repairs have been made on the boiler shell.

North Intermediate School:

Some of the roofing and heating problems have been corrected by the contractor under the guarantee.

Our grounds at this school are still under litigation forestalling our maintaining them.

High School:

Received eight new skylights, and the bonding company has agreed to repair the roof leaks.

Roman House:

Porch roof has been redone, and a new septic system installed.

Library:

New shelving and half of the roof done.

Police, Fire Station, and various other buildings were repainted.

In conclusion, may I express my gratitude to my personnel for their diligence, and to all other departments for their cooperation to a new Superintendent.

Building Inspector

Building Permits were issued as follows:

	<u>No.</u>	<u>1963 Valuation</u>		<u>No.</u>	<u>1964 Valuation</u>
Dwellings	154	2,039,700		185	2,406,900
Residential Garages	13	20,450		10	18,900
Alterations and Repairs to dwellings	72	116,650		65	106,250
		<u>2,176,800</u>			<u>2,532,050</u>
Industrial Buildings	12	400,300		8	376,000
Commercial Garages	-	---		2	21,500
Office Buildings	1	5,800			
Utility Buildings	1	8,000		1	165,000
Public Buildings	1	85,000			
Sheds, Barns, etc.	4	3,900		3	4,900
Stores	7	295,150		3	148,000
Structures (towers and signs)	3	3,900			
Additions and alterations to non-residential structures	8	65,050		29	125,500
Elevator					
Service Station				1	14,000
Recreation				2	31,000
		<u>868,100</u>			<u>855,900</u>
Schools	1	500,000			
Religious		<u>-----</u>		1	<u>4,000</u>
TOTAL		3,544,900			3,421,950
Renewals	12			23	
Demolition	15			16	
Fire Repairs & Replacement	4			6	
	<u>310</u>			<u>355</u>	

Report of fees received and turned over to the Treasurer:

Building Permits	310	1,462.00	355	1,681.00
Plumbing Permits	169	1,265.00	222	1,667.50
Gas Fitting Permits	43	256.00	41	370.00
Wiring Permits	325	1,669.15	382	2,045.20
		<u>4,652.15</u>		<u>5,763.70</u>

The duties of the Building Inspector have been performed to the extent possible under the appropriations voted and the facilities furnished.

Town Engineer

The Engineering Department continued to operate with only two men during the year 1964. These consisted of the Town Engineer and students from Northeastern University working on the co-operative plan. The demand for the services of the department continued to be heavy, and it was not possible to handle all the work requested from other departments.

Surveys were made and plans prepared for Garden Avenue and Nunn Road to be built under the Betterment Act. The location of Nunn Road was questioned by the abutters on the road, and the surveys and plans made by the department were of great help to the landowners coming to an agreement to settle the controversy.

The active subdivisions include Jackson Heights II off Shawsheen Avenue, Hathaway Acres Extension off Gunderson Road, Esquire Estates off Marie Drive, Alderwood Estates off Woburn Street, Ferguson Subdivision off Lowell Street, Signore Development off Salem Street, DeCarolis Subdivision or the extension of Marcia Road, and the industrial subdivision along Lopez Road off Concord Street. Several other subdivisions were considered during the year, and construction will start as soon as weather permits.

Drainage continued to be one of the main concerns of the department. As mentioned last year, easements were obtained and necessary funds were voted at the Town Meeting to correct bad drainage conditions at different locations.

Plans were prepared and engineering descriptions given for four large tracts of land to be taken by the Town for additional wellfields to increase the water supply of the Town. It is planned to perform the field survey as soon as weather permits in those areas so as to establish exact boundaries.

Lines and grades were given for the construction of Dadant Drive and the extension of Linda Road and Hamlin Lane. Boundaries were established for the parcel of land acquired from Mary E. and Rose V. Surrette to increase the parking lot behind the Police Station; also boundaries were established for the extension of the play area near the Buzzell School.

Sealer of Weights & Measures

The list of measuring devices and measuring weights adjusted and sealed during the year 1964 is as follows:

	<u>Adjusted</u>	<u>Sealed</u>	<u>Condemned</u>
Large scales		9	
Scales under 100 lbs.	14	49	1.
Gasoline pumps	15	66	
Grease & Oil pumps		10	
Vehicle tanks	1	20	
Bulk Storage		1	
Cloth measuring device		1	
Yard sticks	—	16	—
	30	190	1

This is a substantial increase over last year.

Highway Department

As in the past, all regular routine work was completed before my regular highway maintenance and construction began. All catch basins and culverts cleaned, streets patched, street and traffic signs installed, fences repaired, and many streets swept with a power broom. Many new signs installed on various streets leading to the schools for the protection of the children walking. I now have some on order and will install them on arrival. Three two-way radios were purchased for the department; one for each pickup and one for a plow and sanding truck. I can contact every department in town, plus the Town Hall, with the exception of the Police Department who can be reached via the Fire Department. I would very much like to have at least two more.

Sidewalks:

4,600 feet of new sidewalk constructed at a cost of \$2.60 per foot. This cost per foot cannot be used as a measuring stick for other sidewalks contemplated. The cost per foot depends entirely upon existing conditions.

Drainage Problems:

The department still is faced with many drainage problems. Some were eliminated under Chapter 81 and others by special appropriation. The Town, in some cases, was unable to obtain drainage easements from the property owners. I believe, at this writing, some of the easements have been obtained. If so, they will be taken care of in 1965.

The Highway Department constructed a parking area behind the Buzzell School and the Wildwood School. All material used was paid for by the School Department.

Cemetery:

As in the past four years, the Highway Department constructed two more roadways, and Trimount Bituminous Products Company laid the hot top. Hauled in a few hundred yards of rough and fine fill for plot expansion. Helped Mr. Downs haul loam and spread it to complete the section. All materials used were paid for by the Cemetery Department.

Tree Department:

During the winter months, the two departments combined in our annual tree removal program. The Town picked up the performance bond on Arlene and Catherine Avenues in the Signore Subdivision. I laid the required amount of bituminous curb and back filled with loam. More loam will have to be added before seeding to complete the project.

Chapter 90 Maintenance:

The entire allotment was spent for resurfacing with hot top: Middlesex Avenue from Salem Street to High Street; Shawsheen Avenue from Main Street to Bridge Lane.

Chapter 90 Construction:

Chapter 90 construction on Ballardvale Street almost completed. The construction of two head walls, some shoulder work and two fences will complete the project in 1965.

Chapter 81:

With some money added from my expense account, many streets were surface-treated and several drainage problems eliminated. The following streets were surface-treated, all or in part as deemed necessary: Harvard Avenue, Emerson Street, Lloyd Road, Marjorie Road, Chestnut Street, Jaquith Road, Cunningham Street, Ballardvale Street, North Street, Woburn Street, Glen Road, King Street, Clark Street, Adams Street, Brattle Street, Harris Street and Mystic Avenue. The following streets were sealed with asphalt and back covered with sand: Broad Street, Butters Row, Taplin Avenue, Phillips Avenue, Burnap Street, Carter Lane, Dorchester Street, Wild Avenue, and Dorothy Avenue. Drainage installed on Clark Street, Fairview Avenue, Forrest Street and Lawrence Street. One short section on Clark Street (near Dr. Fagan's) was widened. Catch basins and culverts were cleaned for the second time.

Betterment Streets:

Hamlin Lane completed, Cedar Crest Road not completed because I was unable to purchase loam; will be completed in 1965. Linda Road not completed; need about 100 yards of loam to finish it. Dadant Drive is not completed; it needs some shoulder work and loam to finish it.

Snow Removal:

Snow removal is still an expensive problem. The demands on the Department are forever increasing. However, with the help of hired equipment, we have managed to fulfill our obligations to the public. The two Walter Snow Fighters have been taken off the road for safety reasons and two new Ford trucks added to the fleet.

At this writing, most of my equipment is in good condition. One pickup, a 1953, is ready for the junk yard and must be replaced. The 1953 International dump truck should be replaced. The backhoe attachment on the front-end loader must be replaced. My Power Sweeper should be replaced in 1966 at the latest. All Town-owned equipment is serviced at my garage by two mechanics; all parts being paid for by the department to which it belongs.

At this time, I am taking the opportunity to thank the other departments for their cooperation and help, great or small, especially during the winter months. The results prove what cooperation can obtain. Also the Town Manager, for his unselfish efforts in helping me to try and solve the many problems facing the Department; and the Board of Selectmen for understanding and realizing the Department has many of them.

Tree Department

Tree Department:

During the year 1964, the Tree Department carried on its usual work of tree removal, trimming low limbs, removing broken limbs, and removing broken tree tops. These trees are diseased or dead; therefore, they are taken to the town tree dump and burned to prevent further infestation of other trees. Our shade tree spraying program is on the increase each year. This is due to the new homes and developments being constructed in our Town. We continued to trim the trees surrounding the fire alarm system which has reduced short circuits causing false alarms. Our tree feeding program was continued this year. Twenty-five trees were treated.

Our Christmas tree on the town common, which has been permanently planted, was decorated by this department under the direct supervision of the Tree Warden.

Moth Department:

All shade trees were sprayed with 6% and 12% D.D.T. for gypsy moth, tent caterpillar, fall web worms, aphids, pine shoot moth, oak blights, maple leaf spot, and dieback. All front lawns were sprayed with 6% D.D.T. for Japanese beetle and milky disease. In various areas throughout the Town we encountered gypsy moth and tent caterpillar nests. These eggs were treated with creosote.

Elm Leaf Beetle and Dutch Elm Disease:

The elm leaf beetle spraying program starts in April and continues into August. This year seventy-five elms were lost through this disease. One hundred and ten samples were sent to Amherst State College to be tested, and reports came back that seventy-five were infected. At various times we have been helped by the State Tree Department and the Wilmington Highway Department in removal and burning of these trees. The State furnished men, truck and equipment for three weeks at no cost to the Town. To counteract the loss of our elms, our tree planting program is in operation. This program has been in effect for five years. This year we planted over one hundred and sixty-eight maple trees in various sections of the town.

Unsightly roadside stumps no longer plague the town, thanks to a tree stumping machine rented by the town. Stumps are ground down below the earth level; the hole is then filled with gravel and loam.

Poison Ivy:

Brush killer was sprayed on stone walls, streets, and around homes where poison ivy was found. The roadside was sprayed, with special attention being given to street corners where the motorist's view was obstructed, creating an accident hazard.

Mosquitoes:

Homes, swamps and bog areas were sprayed again this year, which is the usual practice of this department. We also used "Toss It's". These are little gelatin cylinders which dissolve in the water releasing chemicals which kill the larve of the mosquitoes. During the winter months, the swamps are dusted with a powdered chemical while they are still frozen. During spring thaw, the chemicals contact the larve. None of the chemicals referred to are harmful to humans, fish or wildlife.

Town Forest:

The town forest has been cleared of all underbrush. Dead trees have been removed, and dangerous limbs have been cut. The road around the forest has been cleared and trimmed. The ball park was sprayed with regularity throughout the summer months.

Conservation Commission

Born at the annual town meeting in March 1964, the Conservation Commission held its first meeting in April with Mr. LaRivee, Chairman of the Board of Selectmen presiding. Seven members were appointed to the Commission.

It might be well in the first annual report of this Commission to outline its purposes and functions. Its purpose is the promotion and development of the natural resources and the protection of the watershed resources of the community. It is further empowered to plan and carry out a program for preservation of open spaces within the municipality. As the official resource agency of the community, the Commission maintains an index of all open lands (uplands and wetlands) and makes recommendations to the state or municipality as to their proper use and management. It acts as the coordinating agency of the community on conservation matters. It may conduct researches on related problems and prepare informational and educational materials for the community's benefit. It may accept gifts of lands, funds, or buildings on behalf of the community and manage donated or purchased properties. It may also, for conservation purposes, acquire easements and other lesser interests in land.

During the year, the Commission joined the Massachusetts Association of Conservation Commissions, started compiling an open land index, and read innumerable laws, pamphlets, and publications on Conservation.

The Commission is acquiring a fisherman's access area along the Shawsheen River. This represents the first land which will be managed by the Commission.

The Commission is participating with the Commonwealth, the Essex County Green Belt Association, and virtually every town in the Ipswich River Watershed in a large project aimed at the protection of this area and to preserve the watershed.

Reforestation of lands ravaged by gravel operations and a town education program are scheduled to begin shortly.

We all must realize that conservation is a National, State, Town, Commission and, most important of all, and INDIVIDUAL project. The seven commission members need the help of the Town of Wilmington. Only by a concerted community effort can areas be preserved for ours and future generations.

Cemetery Department

Cemetery:

In 1964 as in the past, the Cemetery Department assisted the Highway Department with snow removal operations. In addition to our regular work, we installed a ceiling in our garage, thus we receive greater benefit from the heating system. Our men painted the interior of the building; and as storage space is limited, we built shelves and hangers in an attempt to eliminate the hazard of equipment and materials piled in corners.

General routine work was carried on. A number of sunken graves have to be filled in and seeded each year, and those damaged by summer heat have to be refurbished. An unusual amount of watering had to be done last year to keep newly seeded lots and sections from drying out.

A new lawn, covering an area of approximately 12,000 sq. ft., was built on the Church Street side of the Walker School. At the Buzzell School, about 25,000 sq. ft. was resurfaced. Loam was hauled in with our truck, spread by hand, graded, and seeded by Cemetery help. Regular watering had to be done at these sites due to exceptionally dry weather. The School Grounds Maintenance was separated from the Cemetery Department in July.

New crosses for the Soldier's Lot were supplied by the Memorial Day Committee. These are made of aluminum and replace the wooden ones which needed repair each year. Cemetery men installed them in cement bases.

This year brought to a close the hot-topping program which began five years ago. Approximately nine hundred (900) feet of roadway was completed in time for the Memorial Day Program. We now have a few short streets left which we hope will be finished a little at a time during the next few years.

A new section was graded, loamed, fertilized, and seeded. This contains two rows of graves with a planted strip between the rows, totalling eighty-four (84) family lots. This section is approximately three hundred and fifty (350) ft. long and forty-five (45) ft. wide. The approximate material cost of this area was nine hundred dollars, while the return to the Town will be in the area of nine thousand. Judging from past experience, it is estimated that these lots will be sold within the next three years, making it necessary to keep developing new sites.

Wooded sections of the Cemetery are being cleared and filled in preparation for advance development. Rough fill has been hauled in from a project at the Buzzell School for use in low spots.

Heavy foliage this year caused an unusual number of man hours to be consumed by raking. Many of the leaves were pulverized and left on the lots for fertilizing, but most were hauled away.

Due to the fact that we are having trouble with people entering the cemetery for reasons other than to visit the graves, we have been forced to close some of our gates. Entrance may be gained through the main gate on Middlesex Avenue between the hours of 7:30 a.m. and sundown.

We would also like to mention a few of the Cemetery "rules and regulations" which it has become necessary to enforce more strictly. Proprietors and relatives are forbidden to do any digging or planting in the Cemetery; there must be no glass used or left on the lots; nothing shall be taken from a lot, except by permission of the lot owner; and the Cemetery Department has the right to remove from a lot anything which it considers to be unsightly.

Parks:

The park and common were maintained regularly by the Cemetery Department. The Silver Lake Beach was maintained as usual. Two hundred and fifty tons of sand have been stockpiled. This will be spread about the swimming area in the spring of 1965.

A skating rink was built on the common. Lights were installed so that general skating was enjoyed at night.

At this time, I would like to express my thanks to the Town officials and the various Town departments for their assistance throughout the year.

All special work assigned to me by the Department of Livestock Disease Control and the Board of Health was attended to promptly.

SLAUGHTERING INSPECTOR: No slaughtering in Town
No calls for personal livestock slaughtering

Water Department

Water Supply:

The pumping statistics listed below clearly emphasize the increasing need for additional well fields and pumping stations.

	<u>1960</u>	<u>1961</u>	<u>1962</u>	<u>1963</u>	<u>1964</u>
Maximum gallons pumped per Day	2,246,300	2,355,000	3,256,500	3,648,000	3,929,300
Maximum gallons pumped per Week	13,213,000	15,850,600	18,851,300	20,757,000	21,567,300
Maximum gallons pumped per Month	48,168,900	59,703,400	64,982,900	76,947,000	79,712,800
Average gallons pumped per Day	1,420,000	1,546,243	1,821,733	2,000,000	2,168,121
Average gallons pumped per Month	43,278,200	47,031,558	55,411,058	60,836,483	66,149,066
Total gallons pumped per Year	519,387,200	564,378,700	664,932,700	730,037,800	793,788,800

The Town's annual consumption of water has more than doubled in the last 10 years. The maximum amount pumped for a day (maximum demand) has also more than doubled. The safe yield of the three existing well fields is about 3,000,000 gallons per day total. The total safe yield capacity of the well fields was equalled or exceeded many times during the year. The total rated capacity of all the pumping equipment is 4,000,000 gallons running 24 hours a day. To allow for breakdowns and emergencies there should be a reserve pumping capacity of at least 1,500,000 gallons a day. Only an unusually cool summer prevented the restriction of water this year.

A gravel packed well has been constructed at the Town Park. Bids for the construction of the building and equipment were received, but construction of these facilities is being delayed pending completion of tests of the well to meet the requirements of the Department of Public Health.

The test well investigations for the entire Town were completed and the Engineer's report was received in April, 1964. The report recommends the purchase of land, the phased construction of four pumping stations, additional water mains and possibly a new standpipe to meet the present and future needs of the Town. Based on the recommendations of the Engineer, Town authorization was requested and received in a special Town Meeting on May 18th to acquire land off Salem Street for a future well field.

Land takings have been planned for the three additional well fields recommended by the Engineer, and Department of Public Health approval of these takings has been obtained. The Town meeting will be asked to authorize the acquisition of the land and the construction of the facilities for these three pumping stations beginning as early in 1965 as possible.

Miscellaneous Information:

Metered Services	3,512
Unmetered Services	53
Total	<u>3,565</u>
New Hydrants Installed	20
New Services Installed	172
New Meters Installed	173

Water Main Extensions:

Under the Betterment Program:

	<u>6" Main</u>	<u>8" Main</u>
Williams Avenue	700'	

By Builders and Developers:

Davis Road	150'
Houghton Road	108'
Short Street	150'
Maple Street	350'
Oak Court	450'
Marcia Road Ext.	380'
Grace Drive	930'
Shawsheen Avenue	
Charlotte Road	2900'
Concord St. & Lopez Road	795'
Gunderson Road	1734'
	450'

Other:

Relocation of 503' of 6" main in Grove Avenue.

This is a total of 12,542 feet of new main laid. (2.38 miles)

Sewer:

There was one sewer connection added during the year, bringing the total connections to thirteen (13).

Mr. Waldo A. Stevens was appointed a member of the Water and Sewer Board on October 25, 1954 and resigned March 1, 1964, having been transferred to Chicago. Mr. William K. Irwin was appointed to succeed Mr. Stevens.

Jury List

(Revised - August 10, 1964)

<u>Name</u>	<u>Residence</u>	<u>Occupation</u>
Anderson, Ralph H. Jr.	156 Shawsheen Avenue	Civil Engineer
Ayotte, Francis L.	63 Glen Road	Supervisor

Sarah D. J. Carter Lecture Fund

This year the Sarah D. J. Carter Lecture Committee offered two programs to the people of Wilmington. On Saturday evening, April 25th, there was a unique performance by America's dynamic "Llords International", a marionette concert theatre. On Sunday afternoon, November 8th, the Committee presented a thrilling and informative account, with colored slides, of the 1963 successful ascent of Mt. Everest by Dr. Malcolm Maynard Miller, scientist in charge of the geological program on the expedition. Both programs were enjoyed by enthusiastic audiences.

Housing Authority

R-12

The Urban Renewal Project was closed out with H. H. F. A. of New York on October 27, 1964.

200-1

Complete disposition of the Veteran's Project was accomplished during the past year. Final distribution of proceeds of the sale took place late in October, 1964.

667-1

The forty units under the Elderly Development have been kept fully occupied this past year. Only three (3) vacancies occurred during the year; all were filled without loss of revenue.

The painting of all ceilings and walls of the entire forty units of the project was completed. All loose and broken floor tiles in the forty units were replaced.

Still anticipated in this project is a heating problem, for which aid has already been requested from the State engineering staff. Also, the inside and outside painting and refinishing of the recreational building and the need for painting of exterior doors and refinishing of cabinets in the forty units must be determined. Also, gutters and downspouts must be repaired and the Authority has need of a new snow blower.

Balance Sheet as of December 31, 1964

Board of Health

Board of Health:

Mr. A. C. Walker, Jr., Chairman
Mrs. Marion Boylen

Personnel:

Ernest F. Romano, M.S.P.H., Health Agent
Anne Butters, R.N., Public Health Nurse
Gerald Fagan, M.D., Public Health Physician
Leo LeBlanc, Animal & Slaughtering Inspector
Simon Cutter, Legal Consultant
Gardiner Lester, D.V.M., Veterinarian

During the year Mr. Edward T. Driscoll resigned from the Board of Health because of change of residence. Mr. Augustus Walker was named Chairman of the Board.

The Board of Health, Health Agent, and Public Health Nurse received awards from the Middlesex Tuberculosis Association for "Their outstanding Service in Improving Community Health in the Fight Against Tuberculosis and Other Respiratory Diseases."

A. Communicable Disease Control:

1. Monthly Immunization Clinic:

Ten clinics were conducted during the year at the Public Health Nurse's office at 380 Main Street. Protection against whooping cough, diphtheria, tetanus and poliomyelitis was offered. Oral polio vaccine was incorporated into the clinic in 1964, and starting in April the new Trivalent Vaccine was used.

At the clinic held in April, smallpox protection for children entering school in the fall was offered. Sixty-three children were successfully vaccinated.

	1964	1963
Total attendance	327	98
Booster Doses Given	185	48
Children Completing Series	60 D.P.T.	32
	54 Oral Polio	

Massachusetts made medical history in 1964, with no new cases of Polio reported.

2. Anti-Rabies Clinic:

The dog immunization clinic for protection against rabies was held May 16th, at the Fire Station. Five hundred and sixty-two dogs were immunized as compared with four hundred and fifty-nine for the previous year. A total of \$562.00 was collected as inoculation fees.

3. Tuberculosis Control:

Two major programs were held in 1964 for tuberculosis control. A tuberculin testing program was carried out jointly with the school health authorities for the entire school population. A total of 3,553 children were tested (total school enrollment 3,954). Thirty-five children reacted positively to the test, and all received further evaluation at the Middlesex County Sanatorium. Twenty-one children were placed on prophylactic treatment, and one child was admitted to the Sanatorium with a diagnosis of tuberculosis.

Tuberculosis Control (continued):

In May, a Community-wide x-ray program was held as an adjunct to the school program. This was sponsored by the Wilmington Women's Club and was the first of its kind in eleven years. A total of 1299 persons were given x-rays. All were negative for tuberculosis.

Total number of active cases on register 12/31/64	8
New cases reported in 1964.	3
Number of reactivated cases	1
Moved away.	5
Placed on inactive list	2
Hospitalized at Middlesex Sanatorium.	3

4. Diabetes Control:

During 1964, the Board participated in a community-wide Diabetes Screening program in conjunction with the Greater Boston Diabetes Association. Over six-thousand Dreypak Kits were distributed through the schools, drug stores, and banks. As of this report, the final tabulation on the testing results have not been received. However, all those who participated were individually notified as to the findings.

B. Public Health Nursing:

1. Premature Births:

Seventeen premature infants were reported in 1964. Financial assistance was granted by the Board in two cases. A total of \$516.00 was paid for hospitalization, of which \$258.00 was reimbursed by the State. This compares with \$1,045.00 expended for hospital care in 1963.

2. Day Care Centers:

The new Day Care Center Regulations became effective in 1964. The Board requested and was granted authority to continue as the licensing authority for these facilities. During the year the Board reevaluated both of the Wilmington centers together with consultations with the State Health Department. Licenses were granted to both centers within the scope of the regulations.

3. Morbidity Service:

Nursing visits in 1964	849
Fees collected for visits	\$356

This phase of the Public Health Nurses program is a visiting nurse service designed to give limited nursing care in the home under the directions of a physician. This may include injections, bedbaths, surgical dressings, or other nursing treatments to sick persons. There is a nominal charge for this service and is available to any individual living in Wilmington.

4. General Health Visits:

A total of one hundred and ninety-two visits were made in the interest of infant, child, and adult health. These visits included prenatal, postnatal, premature, and communicable diseases to families with health and related problems. The purpose of this service is to help families formulate plans for the promotion and protection of their own health and well-being and to acquaint them with facilities and resources whereby they might carry out these plans.

C. Environmental Health:

1. Water Supply:

Water samples continued to be collected and analyzed on request of local residents. The following were analyzed at the Board of Health laboratory:

Private Wells:
Water samples analyzed 69
Chemical analyzed. 29

2. Sewage Disposal Sanitation:

A total of 222 sewerage permits were issued in 1964. Fees totaled \$996.00.

	<u>1964</u>	<u>1963</u>
Total Sewerage Permits Issued	222	213
New Dwellings	168	176
Old Dwellings	43	28
Commercial	8	9
Industrial	3	0

3. Milk Sanitation:

Dairies licensed	20
Milk and cream analysis	26
Stores licensed to sell milk and cream . . .	29

4. Permits and Licenses:

The following were issued. Fees totaled \$1,300.50.

	<u>1964</u>	<u>1963</u>
Food Permits	35	29
Sewerage Permits	222	213
Milk Dairy Licenses	20	18
Milk Dairy Stores	29	25
Recreational Camps	2	2
Kindergartens	2	2
Piggeries	9	9
Funeral Directing	3	3
Retail Manufacture Ice Cream	1	1
Wholesale Manufacture Ice Cream	1	1
Refuse Transportation	18	13
Stable Licenses	11	13
Oleomargarine	7	8

5. Food Sanitation:

New rules and regulations by the State Health Department relative to food establishments were enacted in 1964. These became effective January 1, 1965. During the year all food establishments were inspected including grocery stores, bakeries, restaurants, soda fountains, cafeterias, commissaries, and mobile canteen.

	<u>1964</u>	<u>1963</u>
Food Permits Issued	35	29

6. Refuse Disposal:

Both the dump and garbage contract remained in effect during 1964. There were no significant changes in either service. On request, garbage collection was started for new residents.

7. Recreation Area Sanitation:

Two areas formerly used for bathing were discontinued for that purpose. However, water samples continued to be collected at Silver Lake during the bathing season. Inspections were made prior to opening at Camp Forty Acres and Mill Brook Day Camp.

Water Supply:		
Drinking	4	Swimming 10

8. Miscellaneous Inspections:

Nuisances	38	Dumps 8
Piggeries	11	Recreation Camps 2
Rodents	9	

The Board of Health wishes to thank the Wilmington Women's Club and other volunteers for their much needed assistance during the Tuberculosis X-Ray Program, and to the Drug Stores and Bank personnel for their cooperation in the Diabetes Program.

Board of Public Welfare

The Wilmington Board of Public Welfare respectfully submits its Annual Report for the year 1964. The Board consists of Mr. Maurice O'Neil, Chairman of the Board, Miss Florence Balkus and Mrs. Anna Low as members of the Board.

The four employees of the Board are Walter F. Coleman, the Director of Public Assistance, who also serves as secretary to the Board, Mrs. Miriam Sullivan is the Senior Clerk and Stenographer, Miss Josephine Kane is the Social Worker and Mrs. Irene Manning is the Clerk-Typist. All employees of the Welfare Board are hired under the Merit System and have Civil Service status, which is required under the law.

The five categories of assistance under the supervision of the Board of Public Welfare are: General Relief, Aid to Families with Dependent Children, Disability Assistance, Old Age Assistance and Medical Assistance to the Aged. The last four categories come under the Department of Health, Education and Welfare and are reimbursed by the Federal and State governments for the greater part of the aid rendered. General Relief is supported jointly by the State and Local governments with the Town assuming the greater share.

All Public Assistance agencies are subject to the laws, rules and policies set forth by the Federal and State governments. Failure to comply on the local level could result in the loss of reimbursement.

Public Assistance programs established through the Social Security Act are vital in helping many persons attain greater self-reliance and in preventing many of the children from inheriting the poverty of their parents. These programs provide the needy with income plus the social services that will enable them to achieve as much economic and personal independence as possible. Assistance comes in three forms: in the money with which recipients purchase such necessities as food, clothing, shelter; medical care which is authorized by the Agency; and in social services provided by Welfare agencies. The combination of these services is the basis for the prevention and reduction of dependency. The increasing amount of social legislation enacted by Congress in recent years reflects the growing and nationwide extent of these needs. Four out of every 100 American children depend upon Federally supported programs of Aid to Families with Dependent Children. It is estimated that over 1,000,000 families are now receiving Aid to Families with Dependent Children.

Most dependent families have had limited education, live in poor housing and do not have the opportunity to take part in community life. This lack of education, job opportunities, and a life of indebtedness are believed to be the greatest factors in the desertion of their families by fathers and the separation or divorce of parents whose families are now recipients of Aid to Families with Dependent Children. Death of the father is probably the smallest factor for a family receiving this type of aid.

This Agency is also concerned with the Taxpayer. We are not only responsible for the care of the indigent and sick, but we are also responsible to those who pay the bill. In a sense, we are the liaison between the State Department of Public Welfare and the taxpayer who furnishes the money. This Board also believes that the average person accepts the various relief programs as necessary and as part of the cost of good government. We further believe that another reason for this favorable climate is that our programs are administered on a local level where people have a better opportunity to see what they are getting for their tax dollar.

We, as workers in Public Assistance occupy very responsible positions in the State, for we control, in a sense, the welfare of a considerable segment of its population. It is a serious responsibility which calls for dedicated people. I believe that most of our numbers are just that - dedicated people.

Members of the Welfare Board again attended various conferences and workshops during 1964 for indoctrination on new laws, rules and policies affecting Welfare programs. Attendance at some of these conferences and workshops is mandatory by the State Department of Public Welfare to insure local communities of State and Federal funds.

OLD AGE ASSISTANCE

This category is a Federally-sponsored State plan, administered by law through the local Boards of Public Welfare. The law requires local Boards to aid aged persons, sixty-five and over, who are in need and who have resided in Massachusetts for one year prior to application. Need is determined by applying budgetary standards set up by the State Department of Public Welfare. Some other requirements are personal property, such as cash, savings, bonds, etc., not to exceed \$500. Liens are placed on property if the applicant has an interest in such property.

The Federal Government reimburses local Boards \$54.00 per month for each case aided. The State pays two-thirds of the balance and the remainder is paid by the local community.

The Board, in its budget request, does not include the Federal share, as this amount, by law, is set up in a separate account and can be used only by the Board of Public Welfare for the Old Age Assistance program. The Board, in its budget request, must raise the State and Town's share. The State's payments are returned directly to the Town's Excess and Deficiency account and are used by the town. The assessors, however, anticipate this reimbursement based on the prior year's returns, and it does not adversely affect the tax rate.

During the past year, the laws which most affected Old Age Assistance was an increase of \$1.00 per month in Leisure Time Activity, making a total of \$6.00 per month for this budget item. Another change in the Old Age Assistance laws was the increase in exemptions to children of recipients of Old Age Assistance. Married children are now allowed \$6,000 net plus \$1,200 for each dependent child. This increase in exemptions eliminated most married children. A single child living apart from his parents is allowed an exemption of \$2,950; a single child living with his parents is exempted \$2,700.

During the year 1964, eighty cases were aided under this program at a total cost of \$67,909.21.

AID TO FAMILIES WITH DEPENDENT CHILDREN

Aid to Families with Dependent Children is another Federally-sponsored category administered by law through the local Boards of Public Welfare to aid children that are deprived of parental support through desertion, mutual or legal separation, divorce, incarceration, death, disability, or unemployment of the parent.

The Federal reimbursement on this program is \$20.50 per person, State reimbursement is one-third of the total expenditure. The local community pays the balance for the aid rendered. The Board does not include the Federal share in its budget request. The Town must raise the State share and the local share, because the State's share is returned to the Town's Excess and Deficiency fund. There is no settlement required on this program. However, the children must have resided in the Commonwealth for one year prior to application.

During 1964 members of this Agency appeared in various Courts a total of 33 times and were 90% successful in all these appearances against delinquent fathers in our efforts to seek guilty judgments for non-support and subsequent support orders for their families. Receipts from this source amounted to \$11,953.50 for 1964, an increase of 8% over 1963. During 1964, forty-eight families were aided under this category in Wilmington with a total expenditure of \$73,268.37.

The State and Federal Governments are again pressing for more services on this category. Services being stressed are homemaking, counseling, physical and mental health, education, reconciliation of parents and rehabilitation.

DISABILITY ASSISTANCE

Disability Assistance is another Federally-sponsored State plan administered by law by the local Boards of Public Welfare. It requires the local Boards to aid persons who have been declared permanently and totally disabled by the Medical Review Team of the State Department of Public Welfare and who are in need. Need is determined by budgetary standards set by the Department of Public Welfare. The Federal reimbursement for money expended in this category is \$46.50 per month for each case, and the Town's share is 25% of the total cost each month. The balance is reimbursed by the State Department of Public Welfare. The same manner of financing is used as in Old Age Assistance and Aid to Families with Dependent Children.

During the year 1964, nine cases were aided on this category. Total expenditure for 1964 was \$14,811.58.

MEDICAL ASSISTANCE FOR THE AGED

Medical Assistance for the Aged is also a Federally-sponsored State plan administered by law by the local Boards of Public Welfare. This program was born in 1960 when changes made under the Social Security Act established this category under the Secretary of Health, Education and Welfare. The bill, as passed at that level, recognized a need for medical care for aged persons. It, as in other Federal and State programs, requires local Boards to aid persons over 65, who are medically indigent and reside in the Commonwealth. No settlement is required under this category.

Under Chapter 781 of the Acts of 1960, the other requirements briefly are as follows: Aged persons 65 or over, who reside in the Commonwealth, are entitled to medical assistance, provided they do not have an income, if single, of more than \$150.00 a month, or if married \$225.00 a month, and providing further that if single they do not have bank deposits, securities, cash on hand and/or similar assets amounting to more than \$2,000 or if married more than \$3,000. Persons eligible for this form of assistance shall be entitled to part or all of the cost of (1) in-patient hospital ward care; (2) public medical institution services; (3) nursing home care; (4) physician's services; (5) out-patient or clinical services; (6) nursing services; (7) physical therapy and related services; (8) dental services; (9) home health care services; (10) laboratory and x-ray services; (11) prescribed drugs, eye glasses, dentures and other prosthetic devices; (12) diagnostic screening and preventive services; (13) any other care or remedial care recognized under the law of the Commonwealth, and (14) other medical care in accordance with the Department of Public Welfare Medical Care Plan.

Reimbursement for care under this program is fifty per cent of all monies expended by the Federal government, two thirds of the balance by the State, the remaining one-third balance to be assumed by the local community.

During the year 1964, ninety-one cases were aided under this program at a total cost of \$63,978.35. During the year 1964, the only change was the increase in exemptions of legally liable children which is as follows: Married children are now allowed \$6,000 net plus \$1,200 for each dependent child. This increase in exemptions eliminated most married children. A single child living apart from his parents is allowed an exemption of \$2,950; a single child living with his parents is exempted for \$2,700.

GENERAL RELIEF

This program requires local Boards to meet the community's statutory obligation to relieve a person in need. The decisions on who shall be aided and the amount given is left entirely to the local Board's discretion. Unlike the Federal programs where the final decision rests with the State through an appeal process, the local Board makes the final decision. The local Boards, through their policies and decisions invariably attempt to reflect community thinking.

The State Department reimburses local communities for 20% of the cost of General Relief. There is no settlement requirement on this program. During the year 1964, 45 cases were aided under this category with a total expenditure of \$8,536.06.

ADMINISTRATION

The reimbursement formula is as follows: For cases which require no special services all Administration costs are: 50% by the Federal Government, 25% by the State and the remaining 25% to be paid by the local community. For cases that require special services, we receive an extra reimbursement for salaries and travel costs as follows: 75% by the Federal Government, 12½% by the State and the remaining 12½% is paid by the local community. Administration expenses applied to General Relief are not reimbursable, but these costs were only a small fraction of the total expenditure.

Administration costs cover all expenditures by the Board to administer the five programs under its jurisdiction; namely, Old Age Assistance, Medical Assistance for the Aged, Disability Assistance, Aid to Families with Dependent Children and General Relief. Federal funds, as in other programs, are restricted by law for the sole use of Administration. The State's share is returned to the Excess and Deficiency Fund and is used by the Town for any purpose.

GENERAL COMMENTS

The Board would like to point out at this time that the Federal Government has and still is putting great pressure on the State Department of Public Welfare which in turn exerts this pressure on all local Boards. This pressure means more social services and more paper work with the resultant need of more qualified workers. This pressure also holds the threat of the withholding of Federal and State funds if we do not comply with the ever-increasing demands of the Federal and State Governments. A Social Worker in a Public Welfare Agency (if we are to meet the demands) should have some knowledge of Law, Psychology, Sociology, Homemaking, Marriage Counseling, Child Counseling, Vocational Counseling, Accounting, etc.

In closing, we would like to cite an anonymous quotation: "I am only one, but I am one. I cannot do everything, but I can do something. What I can do I ought to do, and what I ought to do, by God's grace, I will do."

This report was prepared for the local Board of Public Welfare by its Director of Public Assistance, Walter F. Coleman.

Veterans' Agent

The Wilmington Veterans' Agent respectfully submits its Annual Report for the year 1964. Mr. James F. Banda, Veterans' Agent, and Mrs. Vera F. Mills, Secretary. It is governed by the General Laws, Chapter 115, with strict compliance to this Chapter, rules and policies set forth which governs the disbursement of aid.

Veterans' Services is for the benefit of the needy veteran and his immediate family who have been subjected to unforeseen needs. Serving the year 1964, the Veterans' Service expended \$67,000. This reflects an increase in the number of cases handled, however, the greater portion of this payment is due to payments to hospitals, doctors, dentists and medication. Of the sum expended, the Veterans' Services receives 50% reimbursement from the Commonwealth of Massachusetts.

The sum expended this year will remain approximately the same barring any increase in medical, surgical, hospital costs and increase in budget.

Board of Appeals

The Wilmington Board of Appeals respectfully submits its Annual Report for the year 1964. The Board consists of Louis E. Gage, Chairman; Bruce MacDonald, Secretary; Parker E. Hodgdon, Member; and Associate Members, Richard Howlett, Ernest W. Jamison, and Theodore M. Johnson.

The Board reports all cases for 1964 are completed.

Following is the report of cases heard in 1964, the members voting, and the decision on each:

Hearing Date (Advertised dates)	Reason for Appeal	Members Voting	Decision
<u>Case #1-64</u> January 21, 1964 (1/2/64 & 1/9/64) Joseph Calnan	To use a trailer on a lot at 25 Brattle Street for temporary housing. (Map 54/20)	(LG, PH, EJ)	Denied

School Committee

To the Citizens of Wilmington:

The School Committee of the Town of Wilmington, in accordance with Chapter 72, Section 4, of the General Laws of the Commonwealth of Massachusetts, herewith presents its report for the year 1964.

The membership of the Committee was as follows:

Mr. Glen E. Connolly, Chairman
Mr. Richard E. Keane, Vice Chairman
Mr. Arthur J. Brewster, Secretary
Mr. John F. Hartnett
Mr. Arthur V. Lynch
Mr. Edward F. Page

This has been a very busy and rewarding year for all of the teachers, the administrators, and the parents concerned with the work of the School Committee and its contributions to the advancement of the public schools of Wilmington. To keep abreast of local, state, and national trends pertaining to curriculum improvement, teachers' salaries, new schools, report cards, supervisory organization, and special programs, the Committee made the following significant decisions during the year:

1. Phased in the final steps of a complete program in modern mathematics for the elementary grades
2. Approved the offering of two new science courses
3. Adopted a Work-Study Program for high school students
4. Adopted a new report card in grades 7-12
5. Opened the new Woburn Street School for 450 elementary pupils
6. Initiated Town Meeting action for the construction of a new Intermediate school off Carter Lane for occupancy in September, 1966
7. Initiated Town Meeting action for the creation of a committee to study the need for a regional vocational technical school
8. Reduced the load of high school English teachers and department chairmen to strengthen the high school program of studies
9. Adopted a new salary schedule for teachers ranging from a minimum of \$5,200 to a maximum of \$8,900 depending upon training and experience
10. Reorganized elementary school districts
11. Conducted workshops and in-service programs in modern mathematics for teachers and parents
12. Elevated ice hockey to a varsity sport status

Further details and brief comments about many of the above activities and programs will be covered in the report of the Superintendent of Schools.

TEACHER ELECTIONS AND RESIGNATIONS

Of major concern to the Committee - in fact, to all School Committees in the area - is the increasingly large number of young women who do not remain in the profession for even moderate lengths of time because of marriage or maternity. Failure to complete a full year of duty is not uncommon. If it were not for a fairly strong substitute list and the availability of prospective teachers at the end of the first semester, the education of many children would be seriously disrupted. Despite the risk, these young women are a tremendously valuable recruitment source and, in most cases, extremely capable. To bypass them entirely for more mature women would not be in the best interest of the school system. Reason for concern is amply demonstrated in the data outlined below.

Resignations were received from twenty eight teachers during the year for the following reasons:

Maternity	10
Matrimony	4
Other Teaching Positions	7
Study for Advanced Degrees	3
Personal or Family Responsibilities	3
Counselled out	1

The Committee elected ten teachers to tenure and appointed thirty eight teachers to fill staff vacancies - twenty five for replacements and thirteen for the new positions caused by growth, the opening of the new Woburn Street School, and the up-grading of the curriculum.

Miss Evelyn Desmarais, Building Principal of the Wildwood School, was named Supervising Principal of the Woburn Street School District, which is made up by the Whitefield School and the Woburn Street School. Mr. Harold E. Driscoll, Chairman of the Social Studies Department and part-time Assistant Principal of the High School, was appointed full-time Assistant Principal and placed in charge of the Work-Study Program. Mr. Joseph P. Beaton, veteran high school teacher and Director of the Evening School, was appointed Chairman of the Social Studies Department. New Building Principals appointed were Mr. Paul Bodenstein and the Misses Joanne Myers and Dorothy Nylin, all Wilmington teachers.

As of December 31, 1964, the professional staff - including teachers, principals, department chairmen, and supervisors - stood at 188 compared to 175 in 1963.

Schools were in session 180 days beginning September 4, 1963, and ending June 18, 1964. The Committee held twenty three regular meetings and three special meetings during the year.

In closing, the Committee wishes to express its sincere gratitude to the growing number of teachers, civic groups, parent groups, and other agencies which have supported our work in supplying educational leadership on all fronts for the Town of Wilmington.

Respectfully submitted,

Wilmington School Committee

Edward F. Page

Superintendent of Schools

To the School Committee and the Citizens of Wilmington:

I herewith submit my fifth annual Report as Superintendent of the Wilmington public Schools for the year ending December 31, 1964.

We can look back on a year of solid progress in the Wilmington Public Schools, and it gives me a great deal of pleasure in behalf of my colleagues to briefly describe and comment about the programs the School Committee has initiated this past year. This will constitute the main part of the report. The balance will concern itself with the usual highlights and data about the operation of the total school program.

NEW PROGRAMS

Modern Mathematics:

Undoubtedly the major accomplishment was the full implementation of the modern mathematics program in the elementary grades. It came only after a diligent search for the best textbook, an intensive in-service program for all elementary teachers, and short orientation courses for parents. All were under the direction of the Messrs. Robert F. Barrett and Francis P. Kelley, who had assistance from the elementary supervising principals. These important preliminaries were followed up in the fall with classroom observations, demonstration lessons, educational television programs, and conferences to give the teachers the guidance and the confidence that were needed to carry out such a massive and complex undertaking.

At this writing, it is a little too soon to evaluate the real worth of the program, but early reports do indicate the following facts: (1) The general reaction of students, parents, and teachers is cooperative and favorable. (2) Discovery and understanding are replacing rote learning. (3) Arithmetic can be interesting. Of course, the new program has raised some pertinent questions, to mention a few: Is mastery of arithmetic facts and fundamentals being overlooked in the new approach? Are proper steps being taken in the fourth, fifth, and sixth grades to insure meaningful transition from the old to the new methods? Do some teachers feel insecure in working with the new materials? These and other related questions are receiving the attention they warrant.

Work-Study Program:

Designed to keep potential drop-outs in school longer and to help the pupil who must supplement the family income, this program got off to a splendid start in September of 1964.

The program permits the high school student to combine school studies with gainful employment. The student's school day consists of three basic subjects - English, mathematics, and social studies. At 11:00 a.m., his school phase ends, and he reports to his employer. His work experience consists of a minimum of twenty hours a week for which he is graded as he is in any other school subject by his employer and the Work-Study Coordinator. The student is also compensated.

From the outset, the thirty-five students enrolled in the program have exhibited a better attitude toward education, have seemed to be more cooperative in adult-student relationships, have maintained better attendance, and - in many instances - have seemed to be much happier than when they had to spend the entire school day in classes totally unsuited for their academic capabilities.

ork-Study Program (continued):

his fine program would not have been possible without the close cooperation of the industrial and commercial leaders of the community. For this, the school officials, the parents, and the students are very grateful.

igh School Science:

Two new courses were introduced this year: (1) "Physical Science Laboratory Course" for accelerated pupils in grade nine and (2) "CHEM Study" for accelerated grade eleven students.

In the former, emphasis is placed on laboratory fundamentals and techniques in preparation for chemistry and physics in the junior and senior years, respectively. In this course the student takes one half year of laboratory techniques in chemistry and one half year in physics. The "CHEM Study Course" is a modern approach to the study of chemistry stressing the experimental method rather than the theoretical method.

Both courses are in keeping with the stepped up science sequence initiated in 1963.

New Secondary School Report Card:

With ability grouping well established on the secondary level, it was not only logical but equitable that some system be devised whereby students would be marked in a meaningful and justifiable manner commensurate with their ability and achievement. As a result, a committee of secondary teachers, guidance personnel, and administrators was formed. It held several meetings and devised the quality point system which went into effect in September, 1964. The quality point system has not replaced nor supplemented the marking system, but rather refined and re-inforced it.

Marks are designated in numerals with 65 being the lowest passing mark. At this point, it would be well to add that in September of 1964, 55 was established as the lowest mark a student could attain and remain eligible to remove his deficiency in summer school. The honor roll remains the same with three phases - high honors, honors, and honorable mention.

Quality points are assigned to four groupings that are determined on the basis of ability:

1. Advanced Grade Placement
2. High
3. Medium
4. Low

The quality points attached to each group on the basis of marks 65 - 100 are 2.5 - 10.00 for advanced grade placement: 2.0 - 8.0 for high; 1.5 - 6.0 for medium; and 1.0 - 4.0 for low.

The new system is not final. It will undergo revisions as parent, student, and teacher reaction emerges in the coming months.

Regional Vocational School District Planning Committee:

In October, 1964, the Town voted to create a special unpaid committee to be known as the Regional Vocational School District Planning Committee. The Town Moderator appointed the following to the Committee: Mr. Richard E. Keane, Vice Chairman of the School Committee; Mr. Bernard P. McMahon, High School Principal; and Mr. Richard C. Pelletier, a resident of Wilmington and an Advertising Manager.

This Committee has met with similar committees from Bedford, Billerica, Burlington, Dracut, and Tewksbury for the purpose of studying the advisability of establishing a Regional Vocational School District. The full Committee has been very active for the past several months exploring possible sites, examining curricula, and studying the fiscal and legal responsibilities of the various towns should the school be approved. The local Committee will make recommendations relative thereto at some future Town Meeting.

Regional Vocational School District Planning Committee (continued):

In light of the recently published recommendations by the Massachusetts Education Commission pertaining to the need for vocational schooling, the importance of this Committee and its findings loom larger than ever.

OTHER ACCOMPLISHMENTS AND HIGHLIGHTS

School Libraries:

The two secondary school libraries, the High School Library and the North Intermediate School Library, are continuing to increase their usefulness by more intensive training in library skills and by extending the use of their well-developed reference services.

Industrial Arts:

This department has undergone considerable physical change to meet curriculum improvements initiated in 1963 by the relocation of the drafting room and the addition of a related art room. The latter room is ideal for formal teaching situations, and as a library for reference and visual materials in the field of industrial arts.

Reading:

The annual fall comprehension tests in grades 1-6 revealed that 91% of the children were reading at grade level. Of equal importance is an indication that the steady build-up of supplementary readers and library books in the classrooms is beginning to show reward in the overall reading ability of the pupils. At the secondary school level, more intensive measures such as small group instruction, expanded use of reading kits, individual tutoring, and in-service training for teachers, are underway to improve the reading ability of the students.

Guidance:

The department is now operating on a very broad front with the firm establishment of programs of study for the superior, the average, and the slow student; educational and vocational counseling services, referral services with the Lowell Mental Health Clinic, and a comprehensive testing program augment the effectiveness of the department.

The department reported the following progress of the Class of 1964:

At Work	48%
In the Armed Services	7½%
Attending Technical Schools	7%
Attending University and/or College	24%
Attending Junior College	7%
Attending Other Higher Educational Institutions	5%
At Home (Married)	1½%

Health:

The end of the year showed that the general physical health of the 4100 public school students was being carefully accounted for. Home visits, school visits, parent conference, physical examinations, and preschool registration were all carried out with skill and quiet efficiency by the three nurses under the direction of the school physicians.

General physical examinations were given to 1,305 pupils, eye examinations to 2,903, and ear examinations to 2,930 during the year.

Building Program:

The building program is on schedule, but some overcrowdedness can be expected in the elementary grades during the 1965-66 school year. Unless a huge home building program materializes, class load should return to normal when the West Wilmington Intermediate School opens in September of 1966.

Athletics:

The elevation of ice hockey to a varsity status brought a turn-out of sixty willing and eager candidates. The high school team is a member of the Merrimac Valley Hockey League, newly created with the opening of the Merrimac Valley Forum in Billerica. This infant of the high school varsity sports program is progressing quite well. It shows promise of being the number two sport after football in student participation and fan interest.

At the elementary level, the round robin basketball and baseball competition among the pupils of the Boutwell, the Glen Road, and the Wildwood School Districts provided a wholesome outlet for the energies of the three groups of boys. The program is under the able and dedicated direction of the male faculty members of the respective school districts.

RECOMMENDATIONS

The future of the public schools in Wilmington is now tied in with the fate of the Massachusetts Education Commission Report which at this writing is in the hands of the General Court. If enacted into legislation, the far-reaching and highly laudable recommendations - which call for more teachers, more schools, more libraries, more kindergartens, more special services, and more education in general - would correct many of the shortcomings that the School Committees have tried to correct in the past. Only the lack of a strong and stable tax base prevented the action necessary to eliminate the deficiencies listed in the commission report.

In conclusion, the entire staff joins with me in extending sincere appreciation to the School Committee, the parents, and our public servants for their guidance in the cause of improving the quality of education in the public schools of Wilmington.

Respectfully submitted,

Harold S. Shea

Regional Vocational School District

The Regional Vocational School District Planning Committee was created by vote of the Town at the Special Town Meeting, October 5, 1964, in accordance with Chapter 71 of the General Laws of the Commonwealth of Massachusetts.

The membership of the committee, appointed by the Moderator, is as follows:

Mr. Richard E. Keane, Chairman (School Committee Member)
Mr. Bernard P. McMahon, Treasurer
Mr. Richard G. Pelletier, Secretary

Since this committee has been in existence only a short time, this is a report of progress. However, the committee hopes to complete its study and make recommendations to the Town by submitting a report to the Board of Selectmen by March of 1966, or sooner if possible.

The committee has joined with comparable committees from Bedford, Billerica, Burlington, and Tewksbury to form a Regional Vocational-Technical School District Planning Board. The committee from Dracut also participated until January 1965, when they decided to join in a district with Lowell.

This Regional Planning Board has reviewed pertinent sections of a Vocational and Technical School Survey made by the Massachusetts Department of Education, Division of Vocational Education, and has met with representatives of that office as well as with a representative of the School Building Assistance Commission.

At this stage there appears to be a definite need for a Vocational and Technical School in this area. The Regional Planning Board has formed subcommittees to study such things as proposed curricula, finances, proposed regional agreement, etc. Surveys are being conducted. Estimates are being studied. Availability of state and federal assistance is under investigation. A study is underway of the state "Summary Report of the Special Commission Relative to Improving and Extending Educational Facilities in the Commonwealth" (popularly referred to as the "Master Plan", the "Willis Report", or the "Harrington Report") insofar as it relates to the regional school concept or occupational education.

Although many hours have been and will be devoted to this study, the committee takes pleasure in being of service to the Town, especially to the children who will benefit in the future. We wish to thank the many people who have given us their cooperation, particularly the Finance Committee, the Town Manager and the school personnel.

Town Meetings

WARRANT FOR THE ANNUAL TOWN MEETING - March 7, 1964 WITH ACTION TAKEN THEREON

TO: Either of the Constables of the Town of Wilmington:

GREETINGS: In the name of the Commonwealth of Massachusetts and in the manner prescribed in the By-Laws of said Town, you are hereby directed to notify and warn the inhabitants of the Town qualified to vote in Town affairs to meet and assemble at the HIGH SCHOOL CAFETERIA, Saturday, the 7th day of March, A. D., 1964 at 9:45 o'clock in the forenoon, the polls to be opened at 10:00 A.M., and shall be closed at 8:00 P.M., for the election of Town Offices:

ARTICLE 1. To bring in your votes on one ballot respectively for the following named Offices, to wit: One Selectman for the term of three years: Two Members of the School Committee for the term of three years; One Moderator for the term of one year; and One Member of the Wilmington Housing Authority for the term of one year (to fill a vacancy) and vote YES or NO on the following Question: "Shall an act passed by the General Court in the year nineteen hundred and sixty-four, entitled "An Act placing certain offices and positions in the town of Wilmington under the civil service laws and rules", be accepted?"

You are also hereby further required and directed to notify and warn the said inhabitants of the Town of Wilmington who are qualified to vote on elections and town affairs therein to assemble subsequently and meet in Town Meeting at the High School Gymnasium, Church Street, in said Town of Wilmington on Saturday, the 14th Day of March, A. D., 1964 at 1:30 P.M., then and there to act on the following Articles:

In accordance with the above warrant, the meeting was called to order by the Clerk, Mr. Simon Cutter at 9:45, as much of the Warrant as is noted above was read and on a motion by Mr. Harold Melzar it was voted to dispense with further reading of said Warrant.

The ballot boxes were examined by the Warden, Town Clerk and the Police Officer on duty. Both ballot boxes were found to be empty and the register on each indicated 00000. Each ballot box was then locked and the keys given to the Police Officer.

The election officers were sworn to the faithful performance of their duties.

The Warden signed a receipt for 5700 ballots, the number said to be contained in the box of ballots which were delivered to him. The ballots were then delivered to the Ballot Clerks.

The Polls were declared open at 10:00 A.M. and the Polls were declared closed at 8:00 P.M.

There were Three Thousand Three Hundred Sixty-One (3361) ballots cast.

All of the ballots cast were sorted, counted, recorded and declaration thereof made, as by law is directed, and were for the following, namely:

<u>SELECTMAN - Three Years</u>	<u>VOTED</u>
Elected	
Lloyd C. Bender III, One Thousand Seven Hundred Forty-four	1744
Nicholas L. DeFelice, One Thousand Two Hundred Fourteen	1214
Edwin F. Forrest, Three Hundred Thirty-Seven	337
Blanks, Sixty-Six	66
	3361

<u>SCHOOL COMMITTEE - Three Years</u>		<u>VOTED</u>
Elected	Arthur V. Lynch, One Thousand Seven Hundred Thirty-eight	1738
Elected	Arthur J. Brewster, One Thousand Five Hundred Eleven	1511
	George G. Robertie, One Thousand Three Hundred Ninety-nine	1399
	Ernest M. Crispo, One Thousand One Hundred Four	1104
	Joseph A. Paglia, Three Hundred Thirty-five	335
	Blanks, Six Hundred Thirty-four	634
	Others, One	1
		<u>6722</u>

<u>MODERATOR - One Year</u>		
Elected	Simon Cutter, Two Thousand Eight Hundred Sixty-five	2865
	Blanks, Four Hundred Eighty-seven	487
	Others, Nine	9
		<u>3361</u>

<u>WILMINGTON HOUSING AUTHORITY - One Year (unexpired term)</u>		
Elected	M. Flora Kasabuski, Two Thousand Six Hundred Forty-one	2641
	Blanks, Seven Hundred Fifteen	715
	Others, Five	5
		<u>3361</u>

<u>QUESTION #1</u>		
	"Shall an act passed by the General Court in the year nineteen hundred and sixty-four, entitled 'An Act placing certain offices and positions in the Town of Wilmington under civil service laws and rules', be accepted?"	
Lost	YES, One Thousand Six Hundred Fourteen	1614
	NO, One Thousand Six Hundred Eighty-nine	1689
	Blanks, Fifty-eight	58
		<u>3361</u>

A - K ballot box register read	1603
L - Z ballot box register read	1757
	<u>3360</u>

Some malfunction of one of the ballot boxes caused the bell not to ring and therefore not to register one (1) ballot.

Total votes cast - Three Thousand Three Hundred Sixty-one (3361).

All the elected officials who were present were immediately sworn to the faithful performance of their duties by the Town Clerk. Those elected officials who were absent on election night were qualified on Monday, March 9, 1964, by the Town Clerk in her office.

Attest: (Mrs.) Esther L. Russell
Town Clerk

ADJOURNED ANNUAL TOWN MEETING - March 14, 1964
HIGH SCHOOL GYMNASIUM

The Adjourned Annual Town Meeting was called to order by the Moderator, Mr. Simon Cutter at 1:45 P.M. Father Edmund W. Croke led the meeting in prayer.

The League of Women Voters of Wilmington received permission from the Moderator to bring foreign students to this meeting. They were warmly received.

Mr. Cutter declared that he would dispense with reading each article and refer to them by number only. There were no objections and this procedure was followed.

ARTICLE 2: To hear the reports of Committees and act thereon.

Mr. Robert B. Michelson read a report from the Permanent Building Committee. There were no other reports offered at this time.

ARTICLE 3: To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year, beginning January 1, 1965, and to issue notes therefor payable within one year, all in accordance with Section 4 and 17, Chapter 44 of the General Laws. Finance Committee approved. Upon a motion by Mr. Charles H. Black the above article was voted unanimously.

ARTICLE 4: To see how much money the Town will appropriate for the expenses of the Town and Salaries of the several Town Offices and Departments, and determine how the same shall be raised, whether by taxation, transfer from available funds or otherwise, or do anything in relation thereto.

Motion by Mr. George Boylen, "I move that the several and respective sums as recommended by the Finance Committee be raised by taxation, or by transfer from available funds and appropriated for the purposes set forth in Article 4, each item to be taken up and voted on separately subject to amendment." Voted unanimously.

Accordingly the following amounts were voted:

General Government:

	Taxation
Board of Selectmen	3,050.00
Election Expenses	3,700.00
Registrars of Voters	3,595.00
Finance Committee	700.00
Town Manager	18,109.00
Industrial Expense	1,200.00
Town Accountant	8,339.00
Town Treasurer	7,531.00
Town Collector	11,443.00
Town Clerk	5,887.00
Board of Assessors - Amendment to reduce by 1,460.00 voted	18,115.00
Town Counsel	4,500.00
Town Hall	18,071.00
Planning Board	1,225.00
TOTAL - General Government	105,465.00

Protection: Persons and Property

Police Department Salaries - Amendment to raise by 11,536.00 voted	153,339.00
Police Department Expenses	10,985.00
Fire Department Salaries - Amendment to raise by 12,050.00 voted	139,853.00
Fire Department Expenses	10,325.00
Ambulance Salaries	1,200.00
Ambulance Expenses	550.00
Constable	100.00
Dog Officer Salary	480.00
Dog Officer Expenses	1,120.00
Building Inspector Salaries	8,565.00
Building Inspector Expenses	915.00
Board of Appeals	275.00
Sealer of Weights & Measures, Salary	500.00
Sealer of Weights & Measures, Expenses	68.00
TOTAL - Protection of Persons and Property	328,275.00

	<u>Taxation</u>
<u>Public Works:</u>	
Town Engineer Salaries	14,191.00
Town Engineer Expenses	1,125.00
Highway Department Salaries	57,200.00
Highway Department Expenses	15,985.00
Road Machinery Account	13,250.00
Chapter 90 Construction - Amendment to transfer 8,400.00 from Ch. 782, Acts of 1962 proceeds and appropriate same for the purpose of Ch. 90 construction in 1964. Further amended that none of the sums appropriated, transferred or raised be used to construct, reconstruct, alter or widen Lowell Street between West and Woburn Streets. Both amendments voted unanimously.	
Chapter 90 Maintenance - Amendment to reduce by 3,000.00 voted (from State & County Reimbursement)	1,500.00
Chapter 81 Maintenance - Amendment to reduce by 21,000.00 voted (from DPW reimbursement)	11,500.00
Snow & Ice Control - Amendment to raise by 19,960.00 voted	54,500.00
Public Street Lights	20,000.00
Tree Warden Salaries	6,286.00
Tree Warden Expenses	5,020.00
Dutch Elm Control Salaries	8,382.00
Dutch Elm Control Expenses	1,750.00
Gypsy Moth Salaries	6,286.00
Gypsy Moth Expenses	2,018.00
Parks	2,100.00
Town Beach Improvement	2,000.00
Cemetery Dept. Salaries	30,013.00
Cemetery Dept. Expenses - Amendment to transfer 4,360.00 from the sale of Cemetery lots voted	1,800.00
<u>TOTAL - Public Works</u>	<u>254,906.00</u>
<u>Health & Sanitation</u>	
Board of Health	22,960.00
Garbage Collection	13,900.00
Town Dump - Amendment to reduce by 500.00 voted	22,000.00
<u>TOTAL - Health & Sanitation</u>	<u>58,860.00</u>
<u>Charities & Veterans Aid</u>	
Administration, Public Welfare - Amendment to reduce to 6,200.00	6,200.00
Assistance, Public Welfare - Amendment to reduce to 78,700.00	78,700.00
Veterans Assistance, Salaries	1,280.00
Veterans Assistance, Expenses	380.00
Assistance for Veterans	50,000.00
<u>TOTAL - Charities & Veterans Aid</u>	<u>136,560.00</u>
<u>Schools</u>	
School Department Salaries - Amendment to reduce by 25,000.00 voted	1,158,562.00
School Department Expenses - Amendment to reduce by 25,000.00 voted	149,576.00
Vocational Training	7,000.00
<u>TOTAL - Schools</u>	<u>1,315,138.00</u>
<u>Maintenance of Public Buildings</u>	
Salaries	139,729.00
Expenses	79,450.00
<u>TOTAL - Maintenance of Public Buildings</u>	<u>219,179.00</u>
<u>Library & Recreation</u>	
Public Library	21,774.00
Recreation Commission	9,520.00
<u>TOTAL - Library & Recreation</u>	<u>31,294.00</u>

<u>Unclassified & Reserve</u>	<u>Taxation</u>
Reserve Fund - Amendment to transfer 4,634.62 from the Reserve Fund	
Overlay Surplus voted	25,365.38
Permanent Building Committee - Motion that the sum of 4,505.40 be raised by transfer of 2,999.95 from the Wildwood School Account; 926.54 from the High School Athletic Account; 260.18 from the Fire & Police Station Accounts and 318.73 from the Municipal Garage and Police Station Accounts voted.	
Insurance & Bonds	34,360.00
Sewer Maintenance	1,000.00
Out of State Travel	500.00
In State Travel	500.00
Town Report - Amendment to reduce voted	1,600.00
Tax Titles & Legal Assistance	3,500.00
Town Clock	0
TOTAL - Unclassified & Reserve	66,825.38

Maturing Debt & Interest & Fees

Schools - Amendment to transfer of 53,685.62 from available funds; and 2,618.55 from accrued interest, sale of bonds voted	336,929.83
General Government	61,463.00
Water - Voted by taxation then reconsidered and amended that the amount of 70,032.00 be transferred from Water available surplus, and so voted.	
Interest on Anticipation Notes	12,000.00
TOTAL - Maturing Debt & Interest & Fees	410,392.83

ARTICLE 5: To see if the Town will vote to raise by taxation, or transfer from available funds, and appropriate a sum of money for the purpose of paying unpaid bills of previous years, or do anything in relation thereto. Finance Committee approved \$600.00.

Motion by Mr. Charles H. Black that the Town vote to raise by taxation and appropriate the sum of \$954.53 for the purpose of paying unpaid bills of previous years. Voted unanimously.

ARTICLE 6: To see how much money the Town will vote to raise by taxation, or transfer from available funds and appropriate for the purchase of three vehicles for the use of the Police Department, and authorize the sale or turn-in of one present vehicle used by the Police Department, or do anything in relation thereto. Request of the Town Manager. Finance Committee approved \$8,700.00.

Motion by Mr. John Brooks that the Town vote to raise by taxation and appropriate the sum of \$8,700.00 for the purchase of three vehicles for the use of the Police Department and authorize the sale or turn-in of one present vehicle used by the Police Department. Voted unanimously.

ARTICLE 7:

To see how many money the Town will vote to raise by taxation, or transfer from available funds and appropriate for the purchase of two trucks for the use of the Highway Department and authorize the sale or turn-in of a truck presently used by the Highway Department, or do anything in relation thereto. Request of the Town Manager. Finance Committee approved maximum of \$6,000.00 for purchase of one 4 cu. yd. truck.

Motion by Mr. Rene J. LaRivee that the Town vote to raise by taxation and appropriate the sum of \$12,000.00 for the purchase of two trucks for the use of the Highway Department and authorize the sale or turn-in of a truck presently used by the Highway Department.

The Finance Committee moved to amend the motion to \$6,000.00 for one truck. Amendment - Lost. The main motion as stated above was voted unanimously.

ARTICLE 8: To see how much money the Town will vote to raise by taxation, or transfer from available funds and appropriate for the purchase of a truck for the use of the Highway Department and authorize the sale or turn-in of a truck presently used by the Highway Department, or do anything in relation thereto. Request of the Town Manager. Finance Committee approved \$2,500.00.

Motion by Mr. Lloyd C. Bender, III that the Town vote to raise by taxation and appropriate the sum of \$2,500.00 for the purchase of a truck for the use of the Highway Department and authorize the sale or turn-in of a truck presently used by the Highway Department. Voted unanimously.

ARTICLE 9: To see how much money the Town will vote to raise by taxation or transfer from available funds, and appropriate for the purchase of a vehicle for the use of the Fire Chief, or do anything in relation thereto. Request of the Town Manager. Finance Committee approved \$2,500.00.

Motion by Mrs. Wavie M. Drew that the Town vote to raise by taxation and appropriate the sum of \$2,500.00 for the purchase of a vehicle for the use of the Fire Chief. First amendment - That the Town purchase a 'red' vehicle for the use of the Fire Chief. Voted. Second amendment - That the Town purchase a Station Wagon for the use of the Fire Chief. Post. Main motion as amended voted unanimously.

ARTICLE 10: To see how much money the Town will vote to raise by taxation, or transfer from available funds and appropriate for the purchase of a truck with hydraulic bucket, brush chipper, and dump box for the use of the Tree Department, or do anything in relation thereto. Request of the Town Manager. Finance Committee approved \$17,000.00.

Motion by Mr. Charles H. Black that the Town vote to raise by taxation and appropriate the sum of \$17,000.00 for the purchase of a truck with hydraulic bucket, brush chipper and dump box for the use of the Tree Department. Voted unanimously.

ARTICLE 11: To see how much money the Town will vote to raise by taxation, or transfer from available funds and appropriate for the purchase of an ambulance, and authorize the sale or turn-in of the present ambulance, or do anything in relation thereto. Request of the Town Manager. Finance Committee approved maximum \$8,000.00 and turn-in of present ambulance.

Motion by Mr. John Brooks that the Town vote to raise by taxation and appropriate the sum of \$8,000.00 for the purchase of an ambulance and authorize the sale or turn-in of the present ambulance. Voted unanimously.

ARTICLE 12: To see if the Town will vote to raise by taxation, or transfer from available funds, and appropriate a sum of money for the completion of planting strips and sidewalks on certain portions of Catherine Avenue, Barbara Avenue, and Arlene Avenue in a sub-division known as Elmwood Village, or take any action in relation thereto. Request of the Board of Selectmen. Finance Committee approved \$5,000.00. Mr. James Banda reported for the Planning Board.

Motion by Mr. John Brooks that the Town vote to raise by taxation and appropriate the sum of \$5,000.00 for the completion of curbs and/or planting strips and/or sidewalks on certain portions of Catherine Avenue, Barbara Avenue and Arlene Avenue in a sub-division known as Elmwood Village. Voted unanimously.

ARTICLE 13: To see if the Town will vote to accept as a public way the layout of Dadant Drive as approved by the Planning Board and made by the Selectmen under the provisions of law relating to the assessment of Betterments, which layout is filed in the office of the Town Clerk, and which, with plans therein mentioned is hereby referred to for more particular description; and to authorize the Board of Selectmen to take by right of Eminent Domain such land, slope and drainage or other easements as may be necessary to effect the purpose of this Article, and to determine how an appropriation shall be raised, whether by taxation or by transfer from available funds, by borrowing, or otherwise, for the purpose of constructing said way and for the payment of any damages resulting from the taking of land and slope easements and other easements therefor, or do anything in relation thereto. Request of the Board of Selectmen. Finance Committee approves Planning Board action.

ARTICLE 13 (continued):

Motion by Mr. Bender that the Town vote to accept as a public way the layout of Dadant Drive as approved by the Planning Board and made by the Selectmen under the provisions of law relating to the assessment of Betterments, which layout is hereby referred to for more particular description; and to authorize the Board of Selectmen to take by right of Eminent Domain such land, slope and drainage or other easements as may be necessary to effect the purpose of this Article, and that the Town Treasurer with the approval of the Selectmen is authorized to borrow the sum of \$21,500.00 and to issue bonds or notes of the Town therefor payable within five years as stated in the above Article, for which this money is raised. Voted unanimously.

ARTICLE 14: To see if the Town will vote to accept as a public way the layout of Linda Road as approved by the Planning Board and made by the Selectmen under the provisions of law relating to the assessment of Betterments, which layout is filed in the office of the Town Clerk, and which with plans therein mentioned is hereby referred to for more particular description; and to authorize the Board of Selectmen to take by the right of Eminent Domain such land, slope and drainage or other easements as may be necessary to effect the purpose of this Article, and to determine how an appropriation shall be raised, whether by taxation or by transfer from available funds, by borrowing, or otherwise, for the purpose of constructing said way and for the payment of any damages resulting from the taking of land and slope easements and other easements therefor, or do anything in relation thereto. Request of the Board of Selectmen. Finance Committee approves Planning Board action.

Motion by Mrs. Wavie M. Drew that the Article be passed over and no action taken. Lost. Motion by Mr. Robert DeGaravilla that the Town adopt the above article and that the Town Treasurer with the approval of the Selectmen is authorized to borrow the sum of \$2,000.00 and to issue bonds or notes of the Town therefor payable within five (5) years as stated in the above article for which this money is raised. Yes. . . 455 No. . . 14 Motion carried and so stated by the Moderator.

ARTICLE 15: To see if the Town will vote to appropriate \$250,000.00 or any lesser amount for the purpose of constructing and originally equipping and furnishing a new Town Hall upon land already owned by the Town, and to determine how said appropriation is to be raised, whether by taxation, by transfer from available funds, by borrowing, or otherwise, or to do anything in relation thereto. Request of the Board of Selectmen and Town Manager. Finance Committee approved maximum of \$200,000.00, ten year conventional bond issue.

Motion by Mr. Brooks that the Town vote to authorize the Permanent Building Committee to expend an amount not to exceed \$5,000.00 for the purpose of preparing preliminary plans for a Town Hall and that said sum be raised and appropriated from taxation. Motion by Mr. William Smith to table motion. Standing vote - Yes. . . 347 No. . . 207 Lost.

Motion by Mr. Roland Wood that the Town Manager be authorized to appoint a committee other than the Permanent Building Committee to study the feasibility or the need for a town hall and said committee to report back to the next annual town meeting. Lost.

After a lengthy discussion the question was called for and voted unanimously. Action on the main motion as follows by a standing vote. Yes. . . 240 No. . . 300 Lost.

At 5:45 p. m. a motion by Mr. Black to recess to 7:00 p.m. was voted unanimously.

The evening session convened at 7:30 p.m.

ARTICLE 16: To see if the Town will vote to raise and appropriate the sum of \$850.00 or any amount, to be used to purchase from Rose Surrette for use in connection with the police department building the parcel at the rear of her land on Middlesex Avenue, bounded and described as follows: Southeasterly by land of the Town, one hundred thirty-five and fifty-seven hundredths (135.57) feet; Southwesterly by land of the Town, seventy-eight and seven hundredths (78.07) feet; northwesterly by remaining land of Rose Surrette, one hundred thirty-four and forty-three hundredths (134.43); and Northeasterly by land of Blake, eighty-seven and fifty-three hundredths (87.53) feet, and containing eleven thousand, one hundred sixty-two (11,162) square feet of land, be said area and said measurements either more or less, or do anything in relation thereto. Request of the Board of Selectmen and Town Manager. Finance Committee approved \$850.00.

ARTICLE 16 (continued):

Motion by Mr. Brooks that the Town vote to raise and appropriate the sum of \$850.00 and adopt the article as stated above for which this money is raised. Voted unanimously.

ARTICLE 17: To see if the Town will appropriate twenty-five cents (\$0.25) on each \$1,000 of valuation to be raised by taxation for the purposes set forth in paragraphs 5, 6 and 7 of Section 7 of Chapter 44, of the General Laws, or any of said purposes \$15,000 or do anything in relation thereto. Request of the Board of Selectmen. Finance Committee approved. Recommend amount raised to be used for sidewalk projects as set forth in paragraph 5, 6 and 7 of Section 7 of Chapter 44 of the General Laws, not to exceed \$15,000.00.

Motion by Mr. LaRivee that the Town adopt the above article and raise by taxation \$15,000.00 and appropriate the same for the above purpose. Voted unanimously.

ARTICLE 18: To see if the Town will vote to authorize the Board of Water Commissioners to purchase or take by eminent domain a certain parcel of land adjoining land owned by the Town on Main Street, and further to see if the Town will vote to raise and appropriate a sum of money for the purpose of developing a well field, for wells, and for construction and equipment of a pumping station, on land owned by the Town on Main Street, and determine how the appropriation shall be raised, whether by taxation, by transfer from available funds, by borrowing, or otherwise, or do anything in relation thereto. Request of the Board of Water Commissioners. Finance Committee approved transfer of \$54,046.39 from available funds.

Motion by Mr. Arnold C. Blake, Water Commissioner that the Board of Water Commissioners be and they hereby are authorized to purchase or take by eminent domain for well field protection and water department purposes a parcel of land supposed to belong to George M.A.M. Webber and others, bounded and described as follows: Beginning on the southwesterly side of the Boston and Maine Railroad at the center line of the Maple Meadow Brook, the line runs in a northwesterly direction along the boundary line of said Railroad to the northerly corner of the "Patent Leather Factory Lot", as shown on a plan of 94 lots in the "New City of Wilmington" by Daniel Ayer, dated June 21, 1854 and which plan is recorded in the Middlesex North District Registry of Deeds, Book of Plans No. 5; thence the line runs in a southwesterly direction along the northwesterly boundary line of the "Patent Leather Factory Lot", to Factory Street; thence the line continues and runs in the same direction to the bottom of the slope of the northeasterly side of the Middlesex Canal; thence the line turns and runs in a southeasterly direction, parallel to and equi-distant from the center line of the bed of the Middlesex Canal to the center line of the Maple Meadow Brook; thence the line turns and runs along the center line of the Maple Meadow Brook, as the Brook now runs, to the point of beginning. A copy of the Assessors Plan No. 27, showing the above described parcel, together with a copy of the above-mentioned Daniel Ayer Plan, is on file with the Town Clerk, and further, that for the purpose of paying for said land, and for the purpose of developing a well field, for wells, and for construction and equipment of a pumping station on Town-owned land on Main Street, including said land now to be acquired, there is hereby appropriated the sum of \$49,588.08, to be raised as follows: By transfer from 1962 Water Betterment Account, Dorchester Street and Butters Row - \$12,908.78; By transfer from 1963 Water Betterment Account, Main Street - \$9,101.01; By transfer from 1963 Water Available Surplus Account - \$8,817.69; Plus balance already available in Main Street well field and Pumping Station Facilities Account - \$18,760.60.

Amendment by Weyman H. Billings that Article 18 be amended to include that a sum not less than \$2,000.00 or more than \$3,000.00 be used to relocate the ball field in the Town Park. Amendment carried. Main motion as amended was voted unanimously.

ARTICLE 19: To see if the Town will vote to raise and appropriate a sum of money for the purpose of laying a water main in Williams Avenue of not less than six inches, but less than sixteen inches in diameter, in accordance with the recommendations of the Board of Water and Sewer Commissioners acting under the provisions of General Laws (Ter. Ed.) Chapter 40, Sections 42G to 42I inclusive, and determine how the appropriation shall be raised, whether by taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto. Request of the Board of Water Commissioners. Finance Committee approved transfer of \$4,500.00 from available funds.

ARTICLE 19:(continued)

Motion by Mr. Arnold C. Blake that the Town vote to raise by borrowing and appropriate the sum of \$4,500.00 for the purpose of laying a water main of not less than six inches, but less than sixteen inches in diameter, in Williams Avenue, and/or in such other streets as may be decided by the Board of Water and Sewer Commissioners, and in accordance with their recommendations acting under the provisions of General Laws (Ter. Ed.), Chapter 40, Section 42G and 42I inclusive, and to meet such appropriation that the Treasurer, with the approval of the Board of Selectmen, be and hereby is authorized to issue bonds or notes of the Town therefor, payable in not more than 15 years. Voted unanimously.

ARTICLE 20: To see if the Town will vote to amend the building by-laws of the Town in the following respects:

- a. By striking out Divisions No. 2 to 17, both inclusive.
- b. By striking out Sections numbered 51 and 52 under the heading "Gas Fitting Regulations".
- c. By adopting and inserting in place of said Divisions No. 2 and 17 inclusive, Parts 2 to 11 both inclusive, Sec. 6002 of Part 12, and the Appendix of the Uniform Building Code, 1961 Edition, Volume 1, prepared by the International Conference of Building Officials, a copy of which code is annexed to the Warrant for this meeting, and another copy of which is on file with the Town Clerk.
- d. By adding a new Division 21, and including thereunder the text of said Sections 51 and 52, to be numbered respectively Section 1 and Section 2 under said new Division heading; or do anything in relation thereto.

Request of the Board of Selectmen, Town Manager and Building Inspector.

Finance Committee approved. Mr. Charles H. Black moved the adoption of the above article. An amendment by Mr. Joseph Courtney, "I move to strike out the motion as read and to authorize and direct the Board of Selectmen to appoint an advisory committee of five (5) members to study and report on the needs of the Town as to a new Building Code provided that the Selectmen shall appoint thereto those members of the previous building by-law committee who shall be willing to serve thereon, and provided said committee shall report to the town meeting. Standing vote - Yes. . .403 No. . . 117 Amendment carried. Motion as amended voted.

ARTICLE 21: To see if the Town will vote to amend the Building By-law of the Town by adding to it the following division:

Division 21 - Validity and Penalty

Section 1. If any portion of this by-law or any amendment thereto shall fail of approval by the Attorney General of the Commonwealth; or shall be held to be illegal or invalid, the remaining portion shall remain in full force and effect.

Section 2. Any person who shall violate any of the provisions of this by-law or any amendment thereto, or who shall fail or refuse to comply therewith; or who shall fail or refuse to comply with any order of the Building Inspector authorized thereunder, shall be liable for a fine of not over One Hundred Dollars. This penalty shall not preclude or prevent enforcement by actions in any court authorized by statute; or do anything in relation thereto. Request of the Building Inspector. Finance Committee approved.

Motion by Mr. Minot Anderson, Building Inspector, that the Town vote to amend the Building By-law of the Town by adding to it the new division as stated in the above article. The Planning Board reported that it endorses Mr. Anderson's motion. Motion voted unanimously.

ARTICLE 22: To see if the Town will vote to accept Section 108G of Chapter 41 of the General Laws in regard to establishing minimum annual compensation of each regular police officer of the Police Department, or do anything in relation thereto. Petition of Charles L. Ellsworth and others. Finance Committee disapproved - violates principle of home rule.

Motion by Mr. Cecil O. Lancaster that the Town vote to accept Section 108G of Chapter 41 of the General Laws as enacted by Chapter 520 of the Acts of 1962, as follows:

Section 108G. Notwithstanding, the provisions of any general or special law to the contrary, the minimum annual compensation of each regular police officer of the police department of any city or town which accepts the provisions of this section shall be not less than the following:

ARTICLE 22 (continued):

For the first year of service, fifty-five hundred dollars

For the second year of service, six thousand dollars

For the third and each succeeding year of service, sixty-three hundred dollars.

Motion by Mr. Harold E. Melzar that when the vote is taken that it be taken by the use of YES and NO ballots and use of the check list. Motion lost. After a lengthy discussion, Mr. Harold McKelvey called for the previous question. Voted by voice unanimously. Main motion voted by voice. Chair in doubt. Vote on the main motion taken again by standing - Yes. . . 351 No. . . 279 Voted, and so declared by the Moderator.

ARTICLE 23: To see if the Town will vote to accept Section 108F of Chapter 41 of the General Laws of Massachusetts as enacted by Chapter 520 of the Acts of 1962 which reads: Section 108F. Notwithstanding the provisions of any general or special law to the contrary, the minimum annual compensation of each firefighter, permanently employed, in the fire department of any city or town which accepts the provisions of this section, except a firefighter who, by virtue of section twenty d of chapter thirty-one is not regarded as holding employment, shall be not less than the following:

For the first year of service, five thousand five hundred dollars

For the second year of service, six thousand dollars

For the third and each succeeding year of service, six thousand three hundred

dollars, or do anything in relation thereto. Petition of Kenneth E. Marshall and others. Finance Committee disapproved - violates principle of home rule.

Motion made by Mr. Cecil Lancaster that the Town vote to accept Section 108F of Chapter 41 of the General Laws of Massachusetts as enacted by Chapter 520 of the Acts of 1962 as laid out in the above article. After a lengthy discussion the previous question was called for by a standing vote as follows: Yes. . . 574 No. . . 0 Discussion closed. The vote on the main motion was taken by standing - Yes. . . 381 No. . . 239 Motion carried and so declared by the Moderator.

ARTICLE 24: "Shall certain provisions of Chapter thirty-two B of the General Laws, authorizing any county, city, town or district to provide a plan of contributory group life insurance, group accidental death and dismemberment insurance, and group general or blanket hospital, surgical and medical insurance for certain persons in the service of such county, city, town or district and their dependents, be accepted by this town?" or do anything in relation thereto. Request of Francis E. Downs, and others. Finance Committee disapproved - suggest Town Manager and School Committee consider this article in salary discussions in 1965.

The Town Moderator, Mr. Simon Cutter, ruled this article illegal. Mr. Black stated that the Selectmen are in favor of this legislation and hope that it will be placed on the earliest town election ballot. Motion to pass over article and take no action voted.

At 9:25 p.m. Mr. Wilson Belbin moved that the meeting reconsider Article 22. Vote taken by voice and lost.

ARTICLE 25: To see if the Town will vote to amend the Zoning By-law, Section III-1-A (1) by inserting the word "single" so it will read:

(1) One single family detached dwelling
or do anything in relation thereto. Petition of the Building Inspector.

Motion by Mr. Anderson that the Zoning By-law Section III-1-A (1) be amended by inserting the word "single" so it shall read: "(1) One single family detached dwelling." The Planning Board's report was read by Mr. Robert Evans: "The Planning Board recommends favorable action on this article. We feel that the insertion of the word "single" defines more clearly the intent of this provision of our Zoning By-law. The Planning Board also feels that this clarification might serve to prevent misunderstandings, unintentional or otherwise." Motion was voted unanimously.

ARTICLE 26: To see if the Town will vote to amend the Zoning Map by placing on said map, superimposed over the existing magnetic arrow; a double barbed directional arrow whose direction shall indicate the north point of the system established in Section 8 and 9, Chapter 97, General Laws, or do anything in relation thereto. Request of the Building Inspector. Finance Committee approved.

Motion by Mr. Minot Anderson that the Town vote to amend the Zoning Map by placing on said map, superimposed over the existing magnetic arrow; a double barbed directional arrow, whose point shall indicate the north point of the system established in Sections 8 and 9, of Chapter 97, General Laws. The Planning Board reported as follows: "The Planning Board recommends favorable action on this Article. We feel that the addition of the north point established by the Massachusetts Coordinate System will contribute to the clarification of our Zoning Map, both now and in the future. Motion voted unanimously and so declared by the Moderator.

ARTICLE 27: To see if the Town will vote to amend Section VIII-2B of the Zoning By-law to add paragraph J to read as follows: "J. Authorize an exception to height area and yard regulations as set up in Section V-1", or do anything in relation thereto. Request of the Board of Appeals. Finance Committee disapproved. Provisions of this article are too broad. Motion to pass over article and take no action voted.

ARTICLE 28: To see if the Town will vote to amend the Zoning By-law and Map by changing from Single Residence A District to Industrial District the following described parcel of land: Beginning at a point on Middlesex Avenue one hundred fifty (150') feet north of a stone bound at the north side of First Avenue the line runs easterly seven hundred six and 71/100 (706.71') feet parallel with First Avenue to the line of the Boston and Maine Railroad; thence southeasterly by said Boston and Maine Railroad two thousand six hundred fourteen (2614') feet more or less to a point on a line one hundred (100') feet north and parallel with Concord Street; thence northwesterly by said line parallel with and one hundred (100') feet north of said Concord Street one thousand five hundred eighty-five (1585') feet more or less to a ditch at land now or formerly of Frank and Marjory Stevens thence northeasterly by said ditch and by said Stevens' land one hundred sixty-eight (168 feet more or less to a corner at land now or formerly of Paul and Doris Reitchel, Jr., an by land now or formerly of Ernest W. and Rose M. Eames; thence easterly by said ditch and by land of said Reitchel's one hundred ninety-two (192') feet more or less to a corner at land of said Eames and at land now or formerly of Christina Lopez; thence northerly by another ditch by land of said Lopez two hundred fourteen and 5/100 (214.05') feet more or less to a stake at the upland; thence northwesterly by land of said Lopez five hundred eighty-four and 9/100 (584.09') feet more or less to a corner; thence northwesterly by land of said Lopez sixty-five (65') feet more or less; thence northeasterly by a line parallel with Mystic Avenue seven hundred thirty-seven and 54/100 (737.54') feet more or less; thence westerly five hundred sixty-four and 76/100 (564.76') feet more or less to a point at Middlesex Avenue; thence northerly on a line of said Middlesex Avenue fifty (50') feet to the point of beginning, or do anything in relation thereto. Petition of James A. Mack and others. Finance Committee approved. Voted to pass over and take no action.

ARTICLE 29: To see if the Town will vote to amend the Zoning By-law and Map by rezoning from SRA to Industrial the area described: Beginning on Maple Meadow Brook at Main Street; thence easterly along Maple Meadow Brook to a point 600 feet distant from Main Street; thence northwesterly and 600 feet distant from Main Street to Cross Street; thence southwesterly along Cross Street to Main Street; thence southeasterly along Main Street to point of beginning, or do anything in relation thereto. Petition of Joseph G. Yentile and others. Finance Committee approved Planning Board action. Voted to pass over and take no action.

ARTICLE 30: To see if the Town will vote to amend the Zoning By-law and Map by changing to Industrial that parcel of land on the west side of Ballardvale Street to the Andover line starting at the New England Power Transmission line and properties now or formerly of Evans and Murphy and continuing north to the Andover line, or do anything in relation thereto. Petition of Fred F. Cain and others. Finance Committee approved.

Motion by Mr. Black to pass over the article and take no action voted.

ARTICLE 31: To see if the Town will vote to amend the Zoning By-laws by establishing a new zoning district to be known as "Garden Apartment District" and that the following sections be added to the Zoning By-laws:

Section I-2-A

7. Garden Apartment District (GA)

Section III-5 Uses in Garden Apartment Districts

A. In a Garden Apartment District the following uses are hereby permitted:

1. Any use permitted without appeal in a Rural District or in a Single Residence A District or Single Residence B District as permitted therein.
2. Garden Apartments provided that the Board of Appeals at the public hearing shall find and determine that such buildings and use including the site, plans and building design constitute a desirable development in and will not be detrimental to the neighborhood and subject further to the following conditions: there shall be at least two detached or semi-detached buildings and no such buildings shall contain less than four nor more than twelve dwelling units and each such unit shall have independent cooking facilities; there shall be parking space for automobiles provided on the lot which shall not be less than one reasonably accessible automobile space for each dwelling unit; and such other conditions and restrictions as the Board of Appeals may prescribe in the interest of the Town and carrying out the purpose of this By-law.
3. Garden Apartments may be combined on the same lot or on several lots if approved by the Board of Appeals provided the requirements of Section V-1 are complied with.
4. Upon receipt of an application to determine that a proposed Garden Apartment use including the site, plans and building design constitute a desirable development in and will not be detrimental to the neighborhood, the Board of Appeals shall transmit to the Planning Board the application and plans. The Planning Board shall consider the same and shall render an advisory opinion to the Board of Appeals, which Board shall not approve any such application or plans until such advisory report of the Planning Board has been submitted to it or until thirty days have elapsed after transmittal to the Planning Board of the application and plans without such advisory report being submitted.

Section IV-1 Street Frontage for Dwellings

In a Rural District, a Single Residence A District or Single Residence B District or a Neighborhood Business District or Garden Apartment District, any buildings hereafter erected for use as a dwelling shall be located on a lot that fronts upon an accepted street or that has a permanent means of access not less than thirty feet in width to such street or way.

Section IV-2 Application of Residential Requirements

In a Neighborhood Business or General Business District or in an Industrial District or Garden Apartment District, any buildings erected that are devoted entirely or in part to a dwelling shall conform to the requirements for uses permitted without appeal in the Single Residence B District for all floors of the buildings devoted entirely in part to such residential use as specified in the Schedule shown on Section V-1.

ARTICLE 31 (continued):

Section VIa Garden Apartment (GA)

No building shall exceed two and one-half stories and a maximum height of forty feet (the limitation of height in feet shall not apply to chimneys, ventilators, sky-lights, tanks, bulk heads, penthouses or other accessories, structural features usually carried above roofs provided such features are in no way used for living purposes). For each lot on which Garden Apartments are to be erected, a frontage of not less than two hundred feet upon the frontage street shall be required; for each such building, a front yard of not less than thirty feet in depth; a sideyard on each side of not less than thirty feet in width and a rear yard of not less than thirty feet in depth shall be required. Land area for each lot on which Garden Apartments are to be erected shall be not less than three thousand square feet per dwelling unit containing one room used for sleeping, thirty-five hundred square feet per dwelling unit containing two rooms used for sleeping and four thousand square feet per dwelling unit containing three or more rooms used for sleeping.

Section VIII-2Bj

Hear and decide applications for use in Garden Apartment Districts as specified in Section III-5; or do anything in relation thereto. Petition of Earle S. Hamilton and others. Finance Committee disapproved.

Motion by Mr. Erwin Hanke to pass over article and take no action voted.

ARTICLE 32: To see if the Town will vote to amend the Zoning By-law and Map by changing from Single Residence A District to Garden Apartment District the following described parcel of land, to wit:- Commencing on Woburn Street at the Southeasterly corner of a parcel of land owned by H. Smith, thence running Westerly: six hundred sixteen (616) feet, more or less, and two hundred thirty-two (232) feet, more or less, thence running North-easterly: two hundred fifty-two (252) feet, more or less and two hundred thirty-two (232) feet, more or less, thence running Easterly: one hundred ninety-one feet (191), more or less and two hundred sixty (260) feet, more or less, thence running Southerly: by and along Woburn Street, two hundred ninety-one (291) feet, more or less, and two hundred twenty (220) feet, more or less, to the point of beginning; or do anything in relation thereto. Petition of Harold E. Smith and others. Finance Committee disapproved.

Motion by Mr. Hanke to pass over this article and take no action voted.

ARTICLE 33: To see if the Town will vote to amend the Zoning By-law changing from Single Residence A to Industrial, the following described parcel of land: Starting at a point on Kilmarnock Street, Wilmington, and running south $80^{\circ}02'07''$ east nine hundred seventy-eight and $22/100$ (978.22) feet to an iron post; thence turning and running north $32^{\circ}48'24''$ west eleven hundred fifty-four and $56/100$ (1154.56) feet to an iron post and Kilmarnock Street, and thence running along Kilmarnock Street north $84^{\circ}22'$ east one hundred seventy-six and $90/100$ (176.90) feet to an iron post; thence continuing along Kilmarnock Street north $87^{\circ}41'$ east one hundred thirty-nine and $6/100$ (139.06) feet, thence continuing along Kilmarnock Street south $81^{\circ}52'56''$ east one hundred twenty-four and $40/100$ (124.40) feet to an iron post; thence continuing along Kilmarnock Street south $81^{\circ}52'56''$ east fifty-one and $17/100$ (51.17) feet to point of beginning. Said plot of land is shown in a plan of land filed with the Town Clerk on January 17, 1963 and known as "Land in Wilmington, Mass. Dec. 1962" and drawn by Gordon E. Ainsworth, Registered Surveyor," or do anything in relation thereto. Petition of Raymond F. Fitzmaurice and others. Finance Committee approved Planning Board action.

Motion by Mr. Raymond Fitzmaurice that the town vote to amend the Zoning By-law by changing from Single Residence A to Industrial, the above described parcel also described as being bounded by Interstate Highway Route #93, the Boston & Maine Railroad and Kilmarnock Street

ARTICLE 33 (continued):

he Planning Board reported as follows: "After careful deliberation it would appear that the increased flow of traffic from Kilmarnock Street onto West and Lowell Streets to route 93 from such rezoning would further congest this area. For this reason and the fact that this is spot zoning, your Planning Board disapproves this article."

otion was put before the meeting - Yes. . . 10 No. . . 356 Motion lost and so declared by the Moderator.

At this point, Mr. John Brooks moved to reconsider the Police Salaries in the budget so as to amend their salaries by \$11,536.00 to a new total of \$153,339.00. Voted by voice and so declared by the Moderator. Seven (7) voters doubted the vote. Vote taken by standing - es. . . 393 No. . . 63 Motion carried.

ARTICLE 34: To see if the Town will vote to amend the Zoning By-law and Map by changing from Single Residence B District to Garden Apartment District the following described parcel of land, to wit: - Commencing at the relocation of Route 62 at the Southwesterly corner of a parcel of land owned by E. S. Hamilton, thence running Northerly one hundred inety (190) feet, more or less; thence running Westerly four hundred (400) feet, more or less; thence running Northerly again by Middlesex Avenue, forty (40) feet, thence running asterly one hundred fifty and 79/100 (150.79) feet, thence running Northwesterly one hundred forty-four and 54/100 (144.54) feet, thence running Easterly forty (40) feet, thence running Northwesterly three hundred sixty-five and 74/100 (365.74) feet thence running asterly one hundred thirty-five and 33/100 (135.33) feet, thence running Southeasterly one hundred sixty-five (165) feet, more or less, thence running Northeasterly one hundred eventy (170) feet, more or less, thence running Northeasterly again, forty (40) feet, more or less, thence running Northerly fifty (50) feet, more or less, thence running North- asterly by two distances measuring respectively, seventy-five (75) feet, more or less, and seventy (70) feet, more or less, thence running Northwesterly two hundred fifty (250) feet, more or less, thence running Northeasterly by several distances measuring respectively, one hundred seventy (170) feet, more or less, one hundred sixty (160) feet, more or less, and one hundred fifty (150) feet more or less, thence running Northerly two hundred eighty (280) feet, more or less, to Salem Street, thence running Easterly by and along Salem Street by two distances measuring respectively one hundred ninety (190) feet, more or less, and eighty-nine (89) feet, more or less, thence running Southerly by and along Route 93 even hundred forty-five and 19/100 (745.19) feet, more or less, thence running South- esterly seven hundred sixty-six and 76/100 (766.76) feet, more or less, thence running cross the relocation of Route 62 in a Southeasterly direction, one hundred (100) feet ore or less, thence running Northeasterly two hundred forty (240) feet, more or less, hence running Easterly by the relocation of Route 93, six hundred (600) feet, more or less, hence running Southeasterly two hundred seventy-five (275) feet, more or less, thence running Westerly one hundred thirty (130) feet, more or less, thence running Southerly three hundred forty (340) feet, more or less, to High Street, thence running Westerly by and along High Street, forty-five (45) feet, more or less, thence running Northerly three hundred forty (340) feet, more or less, thence running Westerly seven hundred thirty-five (735) feet, more or less, thence running Northerly three hundred (300) feet, more or less, hence running Westerly two hundred twenty (220) feet, more or less, thence running North- asterly seventy (70) feet, more or less, thence running Southwesterly to the point of beginning; or do anything in relation thereto. Petition of Earl S. Hamilton and others. Finance Committee disapproved.

otion by Mr. Hanke to pass over this article and take no action voted.

At this point in the meeting, Mr. Black moved that all salaries in Article #4 be reconsidered. A discussion followed on what salaries would be considered. Objections to considering Police salaries were heard. Mr. Wood asked Mr. Black to withdraw his motion so that a new motion could be made. Mr. Black did withdraw his motion.

At 10:30 p.m. Mr. Black moved to adjourn and announced he would ask for a reconsideration of all salaries under Budget Article #4 except School and Police and announced he would also ask for reconsideration of Article #23; meeting to take place in the Gymnasium of the High School next Monday evening at 8:00 o'clock. Motion lost by voice vote.

ARTICLE 35: To see if the Town will vote to rescind the action taken at the Town Meeting held August 6, 1928, whereby the Planning Board was authorized to act as Park Commissioners or do anything in relation thereto. Request of the Board of Selectmen and Town Manager. Finance Committee approved.

Motion by Mr. Black that the town vote to rescind the action taken at the Town Meeting held August 6, 1928, whereby the Planning Board was authorized to act as Park Commissioners.

The Planning Board reported that they would go along with this action. Mr. Bouchard spoke on this article.

Motion to amend by Mr. Wood: "I move to amend the motion made to have the Town vote to rescind the action taken at the Town meeting held August 6, 1928, whereby the Planning Board was authorized to act as Park Commissioners by amending and substituting the following motion: I move that the town vote to transfer, assign and delegate the previous authority granted by a Town Meeting on August 6, 1928 whereby the Planning Board was authorized to act as Park Commissioners to the Recreation Commission. Said commission to assume the title of Park and Recreation Commission. Amendment voted by voice - carried. Motion as amended was put before the meeting - a voice vote was taken and carried, and so declared by the Moderator.

ARTICLE 36: To see how much money the Town will vote to raise by taxation, or transfer from available funds, and appropriate for the purpose of constructing drainage systems to relieve drainage problems at various locations within the Town, or do anything in relation thereto. Request of the Board of Selectmen and Town Manager. Finance Committee approved maximum of \$17,940.00.

Motion by Mr. Brooks that the Town vote to raise by taxation and appropriate the sum of \$17,940.00 for the purpose of constructing drainage systems to relieve drainage problems at various locations within the Town. Motion voted by voice and so declared by the Moderator.

ARTICLE 37: To see if the Town will accept the provisions of G. L. Chapter 40, Section 8C, providing for the appointment of a Conservation Commission, or do anything in relation thereto. Request of the Board of Selectmen. Finance Committee disapproved - requires further study.

Motion by Mr. LaRivee that the Town vote to accept the provisions of G. L. Chapter 40, Section 8C, providing for the appointment of a Conservation Commission. Motion voted by voice unanimously.

ARTICLE 38: To see what amount the Town will vote to raise and appropriate for the expenses of the Conservation Commission, if the vote under the preceding article shall have been in the affirmative, or do anything in relation thereto. Request of the Board of Selectmen. Finance Committee disapproved - now approves.

Motion by Mr. LaRivee that the Town vote to raise and appropriate the sum of \$300.00 for the expenses of the Conservation Commission. Motion voted unanimously.

ARTICLE 39: To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars (\$1,000.00) for the observance of Memorial Day and that the Moderator appoint a committee who shall arrange and have charge of such observance, or do anything in relation thereto. Finance Committee approved - \$1,000.00.

Motion by Mr. Black that the Town vote to raise and appropriate the sum of One Thousand Dollars (\$1,000.00) for the observance of Memorial Day and that the Moderator appoint a Committee who shall arrange and have charge of such observance. Motion voted unanimously.

ARTICLE 40: To see if the Town will vote to raise and appropriate a sum of money for the improvement, development and maintenance of the Ipswich River (Chapter 91 Project) or take any action in relation thereto. Request of the Board of Selectmen and Town Manager. Finance Committee disapproved - requires further study.

ARTICLE 40 (continued):

Motion by Mr. LaRivee that the Town vote to raise and appropriate the sum of \$5,000.00 for the improvement, development and maintenance of the Ipswich River, Chapter 91 Project. Motion voted unanimously.

ARTICLE 41: To see if the Town will vote to raise and appropriate the sum of Seven Hundred Fifty Dollars (\$750.00) for the purpose of renewing under authority of Section 9 of Chapter 40 of the General Laws as amended, the lease of the American Legion Clubhouse, Inc., in Wilmington for the purpose of providing suitable headquarters for the Wilmington Post No. 136 of the American Legion, or do anything in relation thereto. Finance Committee approved \$750.00.

The vote was taken by voice and the Moderator stated it had carried. Seven (7) voters rose to question the vote. Vote taken again by standing Yes. . . 263 No. . . 133 Motion carried.

At 11:10 p.m. Mr. John Brooks moved to adjourn to next Monday night at 8 o'clock in the Gymnasium. Motion to amend to Tuesday night lost. Motion to adjourn to next Monday night lost.

At this point Mr. Boylen moved to reconsider the Fire Department Salaries under Budget Article #4. Vote taken by standing - Yes. . . 241 No. . . 87 Voted to reconsider. Mr. Boylen moved to amend their salaries by \$12,050.00 to a new total of \$139,853.00. Motion carried.

Motion by Mr. Stickney to reconsider under Police Salaries and amend the amended motion to include Crossing Officers and increase by \$2,900.00. Vote taken by voice and lost.

Mr. Brooks again moved to adjourn to next Monday evening. Lost by voice.

ARTICLE 42: To see if the Town will vote to raise and appropriate the sum of Seven Hundred Fifty Dollars (\$750.00) for the purpose of renewing under authority of Section 9 of Chapter 40 of the General Laws as amended, the lease of the Veterans of Foreign Wars Clubhouse on Main Street for the purpose of providing suitable headquarters for the Nee-Ellsworth Post 2458 of the Veterans of Foreign Wars of the United States, or do anything in relation thereto. Finance Committee approved - \$750.00.

Motion by Mr. John W. Faulkner that the Town vote to raise and appropriate the sum of Seven Hundred Fifty Dollars (\$750.00) for the purpose as stated above. Motion voted unanimously.

ARTICLE 43: To see if the Town will vote to raise and appropriate a sum of money under the authority of Section 9 of Chapter 40 of the General Laws, as amended, for the purpose of providing suitable quarters for the William F. Tattersall Chapter No. 106, Disabled American Veterans, located in Wilmington, Massachusetts, or do anything in relation thereto. Finance Committee approved - \$750.00.

Motion by Mr. Harold W. McKelvey that the Town vote to raise and appropriate the sum of Seven Hundred Fifty Dollars (\$750.00) for the purpose as stated above. Motion voted unanimously.

Mr. William Stickney moved to reconsider Article #15 at this time. Motion to reconsider lost by voice and so declared by the Moderator.

ARTICLE 44: To see if the Town will vote to raise and appropriate the sum of One Hundred Dollars (\$100.00) the money to be expended under the direction of the 4-H Town Committee, serving in cooperation with the Middlesex County Extension Service, under the provisions of Sections 40 to 45, Chapter 128, General Laws of Massachusetts, or do anything in relation thereto. Finance Committee approved \$100.00.

Motion by Mr. Black that the Town vote to raise and appropriate the sum of One Hundred Dollars (\$100.00) for the purpose as stated in the above article. Motion voted unanimously.

At 11:30 p.m. Mr. Brooks moved to adjourn and meet in the Gymnasium two (2) weeks from today. Motion lost by voice vote and so declared by Moderator.

ARTICLE 45: To see if the Town will vote to accept Sections 32 to 47, inclusive of Chapter 147, of the General Laws, or do anything in relation thereto. Request of the Wilmington Boosters Club. Finance Committee approve School Committee action.

Motion by Mr. F. Talbot Emery that the Town vote to accept Sections 32 to 47, Chapter 147, of the General Laws of the Commonwealth of Massachusetts. Motion voted by voice and declared a vote by Moderator. Seven voters rose to doubt the vote. Vote taken by standing Yes. . . 273 No. . . 72 Motion carried.

Mr. Robert Peters moved to reconsider Highway Salaries under Budget Article #4. Motion lost by voice and so declared by Moderator.

Motion moved and seconded that the meeting adjourn and so voted. Adjourned at 11:35 p.m.

(Mrs.) Esther L. Russell
Town Clerk

RECOUNT - ANNUAL TOWN ELECTION OF MARCH 7, 1964
(Civil Service Question Only)

The recount was held in the Town Hall on Saturday, March 21, 1964 at 9:30 a.m.

On March 11, 1964, the Town Clerk received a Recount Petition signed by thirteen (13) qualified voters, said petition delivered and signed by Frank D. Barnaby and witnessed by Robert K. Barnaby containing the following statement:

"We, the undersigned qualified voters of Wilmington do represent that we have reason to believe and do believe that the records, or copies of records, made by election officers of said Wilmington of the votes cast at the Election held in Wilmington on the question of Civil Service are erroneous, in that Civil Service was credited with less votes than were actually cast for it; and we believe that a recount of the ballots cast for Civil Service will effect the decision on said question. We therefore ask that all votes cast on said question at said election be recounted as provided for in the General Laws of the Commonwealth."

Accordingly, the Board of Registrars met and set Saturday, March 21, 1964 at the Town Hall at 9:30 a.m. as the time and place of the recount on the Civil Service Question. It was also decided to hire six (6) tellers and two (2) total tally clerks for this work.

The Town Clerk sent a letter on March 17, 1964 to Mr. Frank D. Barnaby noting the time and place of said recount. The letter also stated that he could have six (6) observers and one (1) Attorney who would be admitted to the room where the recount was held only by a letter signed by him and no other person would be admitted other than those working for the Board of Registrars.

At 9:15 a.m. on March 21, 1964, the observers and their attorney were permitted to copy the figures shown on the ballot box registers of those ballots cast in the March 7, 1964 election. They also took note of the locks and seals on the box containing the ballots cast at this election. At 9:30 a.m. the recount began. Those present and counting were:

Tellers
R - Olive M. Sheldon
R - Sylvia L. Bowman
R - Ruth M. Kitchener
D - Julia Meads
D - Fayette G. Cantrell
D - Mary J. Johnson

Total Tally Team

Town Clerk

PRESIDENTIAL PRIMARY - WILMINGTON, MASSACHUSETTS
HIGH SCHOOL GYMNASIUM, CHURCH STREET - APRIL 28, 1964

At 11:45 a.m. the Warden, Mr. Harold Melzar read the warrant.

The two (2) ballot boxes were opened and examined by the Warden, Town Clerk, Police Officer in charge and the ballot box clerks and they were found to be empty and the register on each box read 00000. Both ballot boxes were locked up and the keys were delivered to the officer in charge.

The Warden signed the receipt for five (5) boxes of Democratic ballots said to contain 3676 ballots and three (3) boxes of Republican ballots said to contain 3090 ballots. Total number of ballots 6766.

The Election Officers were sworn to the faithful performance of their duties. The ballots were delivered to the ballot clerks.

The Warden declared the Polls open at 12:00 noon, and declared the Polls closed at 8:00

There were Four Hundred and Four (404) Republican Ballots cast.
 There were Five Hundred Seventy-five (575) Democratic Ballots cast.
 Total ballots cast Nine Hundred Seventy-nine (979).
 One spoiled ballot was returned. Total unused ballots on hand 5786.

The following is the record of the ballots cast:

Town Clerk

SPECIAL TOWN MEETING - May 18, 1964
WITH ACTION TAKEN THEREON

TO: Either of the Constables of the Town of Wilmington:

GREETINGS: In the name of the Commonwealth of Massachusetts and in the manner prescribed in the By-laws of said Town, you are hereby directed to notify and warn the inhabitants of the Town qualified to vote in Town affairs to meet and assemble at the High School Gymnasium on Monday, the eighteenth day of May next at 7:30 p.m., to consider and act on the following Articles -

Mr. Charles H. Black moved that further reading of the Warrant be dispensed with. Voted unanimously.

The Moderator, Mr. Simon Cutter stated that he would call each article by number if there were no objections. No objections were heard and this policy was followed.

ARTICLE 1: To see if the Town will vote to raise and appropriate a sum of money for the purpose of acquiring a site for a well field for the Water Department and determine how the appropriation shall be raised; whether by transfer from available funds, by borrowing, or otherwise; and further to see if the Town will vote to authorize the Selectmen or Board of Water Commissioners to purchase or take by eminent domain for such purpose certain parcels of land on Salem Street as shown on a plot dated April 9, 1964 made by the Town Engineer and on file in the office of the Town Clerk and described as follows:

Lot A (Parcels 1-2-6)

Beginning at the intersection of the southerly boundary of the abandoned railroad right of way, now property of John J. and Timothy F. Cronin and the southerly line of Salem Street, thence easterly along said southerly side of Salem Street to the intersection of said line with the northerly boundary of the abandoned railroad right of way now property of John J. and Timothy F. Cronin; thence easterly along said boundary line along the property of Mary E. Shea a distance of approximately 915 feet, to a point; thence at right angles to said property line through land of Mary E. Shea to the southwesterly corner of the property of the Town of Wilmington, formerly the Wilmington Town Dump a distance of approximately 252 feet; thence easterly along the southerly side of the land of the Town of Wilmington a distance of approximately 293 feet; thence northerly along the easterly side of the land of the Town of Wilmington to the intersection of this line with the southerly side of Salem Street a distance of approximately 290 feet; thence along said side line of Salem Street, to the intersection of said side line with the westerly boundary of the land of the Commonwealth of Massachusetts a distance of approximately 578 feet; thence along said boundary of the Commonwealth of Massachusetts to the intersection of said boundary line with the Wilmington, North Reading town line, a distance of approximately 358 feet; thence southerly along said town line to the intersection of said town line with the southerly boundary of the abandoned railroad a distance of approximately 1135 feet; thence westerly along said southerly boundary of the abandoned railroad to the point of beginning; containing parcels No. 1, 2 and 6 on plan of Proposed Wellfield in Wilmington, Massachusetts, April 9, 1964, Wilmington Engineering Department.

Lot B (Parcels 3-4-5)

Beginning at the intersection of Martin's Brook, with another brook to the south and flowing in a northerly direction; thence easterly along Martin's Brook to its intersection with the Wilmington, North Reading town line; thence southerly along said town line, a distance of approximately 365 feet to the intersection of said town line with the westerly boundary line of the property of Marie Witas; thence westerly to the intersection of the southerly line of the property of Maurice P. Pearson and Kenneth H. Scribner otherwise known as Esquire Estates subdivision, with a brook, a distance of approximately 815 feet; thence northerly along said brook to the point of beginning, a distance of approximately 360 feet containing parcels No. 3, 4, and 5, on a Plan of Proposed Wellfield in Wilmington Massachusetts, April 9, 1964, Wilmington Engineering Department, or do anything in relation thereto. Request of the Water and Sewer Commissioners and Town Manager. Finance Committee approved \$7,500.00 by borrowing or transfer from available water revenues.

ARTICLE 1 (continued):

Motion made by Mr. Arnold C. Blake, that the Town authorize the Selectmen or Board of Water Commissioners to purchase or take by eminent domain as a site for a well field for the Water Department certain parcels of land on Salem Street, as shown on the Plan hereinafter referred to, made by the Town Engineer, copy of which plan is on file in the office of the Town Clerk, said parcels being described in accordance with said plan, as outlined in the above article, and that for the purpose of acquiring said land there is hereby appropriated the sum of Seventy-five Hundred dollars (\$7,500) to meet which appropriation the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow a sum or sums not to exceed in the aggregate said amount, and to issue the bonds or notes of the Town therefor payable in not more than ten (10) years. After some discussion the previous question was called for. Standing vote - Yes. . .269 No. . .28. Vote taken on the main motion by standing - Yes. . .337 No. . .31 Motion carried.

ARTICLE 2: To see if the Town will vote to transfer out of lands acquired by foreclosure and set aside to the Water System the land near or adjacent to Salem Street described on the Assessor's Map as number 101-3 containing 11.4 acres more or less. Subject to approval of this location as a well site by the State Department of Public Health. Request of the Water and Sewer Commissioners and Town Manager. Finance Committee approved.

Motion by Mr. Arnold C. Blake that the Town vote to transfer out of lands acquired by foreclosure, and set aside to the Water System the land near or adjacent to Salem Street described on the Assessor's map as number 101-3 containing 11.4 acres more or less, approval of this location as a well site having been received from the State Department of Public Health. Voted unanimously and so stated by the Moderator.

ARTICLE 3: To see if the Town will vote to transfer out of lands acquired and set aside to the Water System the land near or adjacent to Salem Street described on the Assessor's Map as number R1-25 containing 2.0 acres more or less. Subject to approval of this location as a well site by the State Department of Public Health. Request of the Water and Sewer Commissioners and Town Manager. Finance Committee approved.

Motion by Mr. Arnold C. Blake that the Town vote to transfer out of lands acquired, and set aside to the Water System the land near or adjacent to Salem Street described on the Assessor's Map as number R1-25 containing 2.0 acres more or less, approval of this location as a well site having been received from the State Department of Public Health. Motion voted by standing - Yes. . .420 No. . .2 Motion carried.

ARTICLE 4: To see if the Town will vote to authorize the Board of Selectmen to purchase or take by eminent domain for the purpose of erecting a public school or schools thereon certain parcels of land described as follows: Beginning at a point at the northwest corner of Carter Lane at station 14 plus 0 as shown on a plan entitled, "Plan and Profile of (formerly Newfield Avenue) now Carter Lane, Wilmington, Mass., Scale 1" equals 40', April 25, 1945, A. N. Eames, Engr." Thence southeast by Carter Lane, 35.00 feet to a point at land owned by Gilbert and Maxine Masse; thence southwesterly by land of said Masse, 322.18 feet to a corner in a wall; thence southeasterly along said wall by land of said Masse, 451.47 feet to a corner in the wall at land owned by Paul F. and Mary E. Olson; thence southwesterly along said wall by land owned by said Olson, Eagle Road, land owned by Michael Agostino, and Dunton Road, 305.89 feet to a corner in the wall; thence southeasterly by Dunton Road, land owned by James B. and Evelyn McMillan, Apple Road, and land owned by Irving L. and Cynthia B. Jones, 589.72 feet to a corner in the wall at land owned by H. I. A. Pearl Corp.; thence southwesterly along said wall and land of said H. I. A. Pearl Corp., 714.24 feet to land owned by Daniel F. and Sarah H. Cosman; thence northwesterly by land of said Cosman and land owned by William H. Hudson, 375.25 feet to a wall at land owned by the Town of Wilmington; thence northeasterly by land owned by the Town of Wilmington, 150.40 feet to a point; thence northwesterly still by land owned by the Town of Wilmington, 543.31 feet to a point; thence southwesterly still by land owned by the Town of Wilmington, 149.00 feet to land owned by Nicholas & Marion L. Solas; thence northwesterly by land owned by said Solas; Albert H. and Catherine Marfleet, Richard and Beatrice Daley, Vincent J. and Virginia DeVellis, Charles Brennick, and Alton and Gladys Pierce, 976.37 feet to land owned by Raymond A. and Norma Buttaro; thence northeasterly by land owned by said Buttaro, 778.70 feet to a point at land owned by Leo W. and Marjorie Dupras; thence

ARTICLE 4 (continued):

southeasterly by land of said Dupras 190.29 feet to a point; thence northeasterly still by land owned by Dupras, 675.66 feet to a point at land owned by Robert E. and Agnes Jordan; thence southeasterly by land owned by said Jordan, 144.58 feet to Carter Lane; thence southwesterly by said Carter Lane 105.29 feet to the point of beginning; being shown as a Plan of land in Wilmington, Mass., surveyed for the Town of Wilmington, dated April 24, 1964, and prepared by Dana F. Perkins & Sons, Inc., Civil Engineers and Surveyors, Reading, Massachusetts and containing according to said plan 31.78 acres more or less.

And to see if the Town will vote to raise and appropriate a sum of money for acquiring said land and for preparing preliminary plans and cost estimates for an intermediate school to determine how the appropriation shall be raised, whether by taxation, by transfer from available funds, by borrowing, or otherwise, and to authorize and instruct the Permanent Building Committee, to enter into contracts and to do all things that are necessary for preparing preliminary plans and cost estimates for said proposed intermediate school with the results of the Permanent Building Committee's study delivered to the Town at a Special Town Meeting, as soon as is practical following the conclusion of the study. On request of the Permanent Building Committee. Finance Committee approved \$16,000 for land taking and \$10,000 for preliminary plans and cost estimates for an intermediate school to be raised from taxation and appropriated.

Motion by Mr. Robert B. Michelson, that the Town vote the adoption of the above article and that the Town raise and appropriate the sum of \$16,000 for acquiring said land and the sum of \$10,000 for preparing preliminary plans and cost estimates for an Intermediate School. Said monies to be raised and appropriated by taxation and to authorize and instruct the Permanent Building Committee to enter into contracts and to do all things that are necessary for preparing preliminary plans and cost estimates for said proposed intermediate school with the results of the Permanent Building Committee's study delivered to the Town at a Special Town Meeting, as soon as is practical following the conclusion of the study. Voted unanimously, and so declared by the Moderator.

ARTICLE 5: To see if the Town will vote to amend the Zoning By-Law and Map by changing from Single Residence A District to Industrial District, thereby extending the present Industrial District to include the following described parcel of land: Beginning at a point on Middlesex Avenue one hundred fifty (150') feet north of a stone bound at the north side of First Avenue, the line runs easterly seven hundred six and 71/100 (706.71') feet parallel with First Avenue to the line of the Boston and Maine Railroad; thence southeasterly by said Boston and Maine Railroad seven hundred forty-three and 79/100 (743.79') feet to a stone bound at land now or formerly of Christine Lopez; thence northwesterly by said Lopez land six hundred thirty-four and 73/100 (634.73') feet more or less to a point at Mystic Avenue; thence northerly by said Mystic Avenue twenty-three and 50/100 (23.50') feet to a point; thence easterly by the bounds of said Mystic Avenue five (5.00') feet; thence northerly by said Mystic Avenue three hundred seventy-three and 54/100 (373.54') feet to a point at First Avenue; thence westerly by said First Avenue four hundred forty-four and 76/100 (444.76') feet to a stone bound at Middlesex Avenue; thence northerly by said Middlesex Avenue one hundred fifty (150') feet to the point of beginning or do anything in relation thereto. Request of James A. Mackey and others. Finance Committee approved.

Motion by Mr. James A. Mackey that the Town adopt the article as outlined above. Planning Board Report, "It is the opinion of the Planning Board that this re-zoning is not consistent with the best interests of the town, and therefore recommends your unfavorable action at this time. After considerable debate, a motion was made to close arguments. Voted by standing - Yes. . . 346 No. . . 162 carried. The vote on the main motion, by standing Yes. . . 410 No. . . 141 Motion was adopted.

ARTICLE 6: To see if the Town will vote to amend the Zoning By-law and Map by rezoning from SRA to Industrial the area described: Beginning at a point 130 feet from the intersection of Lowell Street and Cross Street; thence running in an easterly direction parallel with Lowell Street and 130 feet from the southerly side of said street 340 feet to a point; thence in a southerly direction and at a right angle with the previous line a distance of 40 feet to a brook; thence along said brook in an easterly direction a distance

ARTICLE 6 (continued):

of approximately 675 feet to a point; thence in an easterly direction along the southerly portion of the present industrial zone to a point in Maple Meadow Brook; thence along Maple Meadow Brook to Main Street; thence along the northerly edge of Main Street to Cross Street; thence along the easterly side of Cross Street to the point of beginning. On petition of Joseph Yentile and others. Finance Committee disapproved. This article was disapproved inasmuch as the classification requested did not appear to be consistent with the proposed use.

Motion by Mr. Robert B. Michelson that the Town adopt the article as outlined above, Planning Board disapproved.

After considerable debate the Moderator was asked if he would accept a lower grade change in the proposed zoning article and he ruled that he would allow it. Mr. Buzzell, Town Counsel was asked whether or not this was proper and he said the Moderator had full authority. The maker of the motion, Mr. Michelson, agreed to change the word "Industrial" to "General Business". The moderator read the motion, "I move to amend the Zoning By-law and Map by rezoning from SRA to General Business the area as described in the article above. A motion was made to close arguments - taken by voice and voted unanimously and so declared by the moderator. The vote on the motion by standing - Yes. . . 491 No. . . 63 Motion carried.

ARTICLE 7: To see if the Town will vote to raise by bond issue, taxation, transfer from available funds, or otherwise, and appropriate a sum of money for the construction of bituminous sidewalks and curbs on High Street from Middlesex to the new elementary school on Woburn Street; on Park Street from Gowing Road to Woburn Street; on Salem Street from Thrush Road to Woburn Street; and on Woburn Street from Salem Street to West Street, or do anything in relation thereto. Petition of Paul H. Niles and others. Finance Committee disapproved. Recommend use of the sum of \$15,000 provided in the Annual Town Meeting for sidewalk construction purposes. Motion made by Mr. Paul H. Niles, that the Town vote to raise by taxation and appropriate the sum of \$41,000 for the purpose of constructing bituminous sidewalks and curbing in the following named locations, and that the Selectmen be and are hereby authorized to do all things necessary to lay out and construct same on the southerly side of Salem Street from Thrush Road to Woburn Street; on the easterly side of Woburn Street from Salem Street to Park Street; on the southerly side of Park Street from Gowing Road to Woburn Street; on one side of Woburn Street from Park Street to the site of the new elementary school, and on the Southerly side of High Street from Middlesex Avenue to the new school site. Considerable discussion followed vote taken by voice and lost, and so declared by the moderator.

ARTICLE 8: To see if the Town will vote to accept Chapter 40A, Section 8 of the General Laws or take any action in relation thereto. Request of the Planning Board. Finance Committee disapproved. Land use plans can change drastically in a short time and thereby may warrant reconsideration without arbitrary restrictions being imposed. Also, in the opinion of the Finance Committee, this article does not provide sufficient information as to what the Town is asked to accept.

Planning Board recommends the acceptance of this article. Motion by Mr. James F. Banda that the Town accept the above article. Vote taken by voice and lost and was so declared by the moderator.

ARTICLE 9: To see if the Town will vote to amend the action taken at the Annual Town Meeting which created a Building Code Advisory Committee so that the Committee shall be instructed to bring in a proposed new code for action at a future Town Meeting and that the sum of One Thousand One Hundred Dollars be raised and appropriated to be expended under the direction of the Committee, for any of the following purposes:

1. For Clerical Assistant and supplies;
2. For issuing its report including any progress reports;
3. Any other expense or expenditure which would forward work on the code, but not including "expert advice" or do anything in relation thereto.

Request of the Building By-law Committee. Finance Committee approved. Motion made by Mr. Robert F. Leahy that the Town adopt the above article. Vote taken by voice and carried and so declared by the moderator.

ARTICLE 10: To see if the Town will vote to raise from taxation and appropriate the sum of \$28,300., or any lesser amount, for increasing the wages and salaries of the various Town Departments, exclusive of Police Patrolmen and Firemen. Such salary increases to be determined by the Town Manager and in no case is such increase to exceed 10% of an employee's 1963 base salary, or do anything in relation thereto. Request of the Board of Selectmen and Town Manager. Finance Committee disapproved.

Motion made by Mr. Lloyd C. Bender, III that the Town vote to raise by taxation and appropriate the sum of \$28,300 for increasing the wages and salaries of the various Town Departments, exclusive of Police Patrolmen and Firemen. Such salary increases is in no case to exceed 10% of an employee's 1963 base salary and such increases shall be made retroactive to January 1, 1964.

Amendment made by Mr. John Brooks that the Town raise from taxation and appropriate the sum of \$16,000 to increase the salaries of all regular, full-time employees in the various town departments, with the exception of Police Patrolmen and Firemen, by an additional three percent step, over and above those increases voted at the annual town meeting; and to provide further for such additional adjustments in wages for regular, part-time employees, as may be deemed necessary by the Town Manager provided, however, that no increase granted under this motion shall exceed six percent above the employee's 1963 salary as adjusted to the employee compensation plan.

After a great deal of discussion, the Moderator put the amendment to a vote by voice and the motion to amend was lost and so declared by the Moderator. A discussion on the main motion continued until a motion to close arguments was called for by standing - Yes. . . 526 No. . 251 Motion carried and so declared by the Moderator.

At this point, Mr. George Lingenfelter asked the reconsideration of Article #8, and it was lost by a voice vote and so declared by the Moderator.

ARTICLE 11: To see if the Town will vote to authorize the Board of Selectmen and/or the Board of Water Commissioners, in the name and on behalf of the Town, to release and reconvey to Beatrice Swenson or her nominee, a portion of the parcel of her land, supposed to contain about eleven and one-half acres, which was included in the taking made by said Board of Water Commissioners of a site for an additional pumping station and well field near the junction of Butters Row and Chestnut Street, the order of taking being dated June 22, 1961, and recorded with Middlesex North District Deeds on June 26, 1961, in Book 1518, Page 358, or do anything in relation thereto. The portion so to be released, which has now been found not to be needed for said purposes, comprises substantially the upland part of said parcel, and is estimated to contain between seven and eight acres, or do anything in relation thereto. Request of Water and Sewer Commissioners and Town Manager. Finance Committee approved.

Motion by Mr. Arnold C. Blake that the Town adopt the above article was voted unanimously and so declared by the Moderator.

A motion was made by Mr. Boylen that the meeting be adjourned. The Moderator declared the meeting adjourned at 11:10 p.m.

Voters present 636

Voted to borrow by Bonds or Notes	\$ 7,500.00

(Mrs.) Esther L. Russell
Town Clerk

RECOUNT - September 19, 1964

Recount of all the votes cast in the State Primary (Democratic Ticket) of September 10, 1964 for the office of Representative in General Court, 34th Middlesex District.

To: Town Clerk of Wilmington

September 14, 1964

, the undersigned qualified voters of the Town of Wilmington do represent that we have reason to believe and do believe that the records, or copies of records, made by the election officers of said Town of Wilmington of the votes cast at the Democratic Primary held in said Town of Wilmington for the office of Representative in General Court 34th Middlesex District are erroneous, in that Fred F. Cain, Timothy J. Cosgrove, William J. Scalley, Robert A. Vigneau, Albert E. Wilde were credited with more votes than were actually cast for them and Daniel L. Joyce, Jr. was credited with less votes than were actually cast for him. We believe that a recount of the ballots cast in said Town of Wilmington will affect the nomination of said candidate. We therefore ask that all votes cast for said office at said primary be recounted as provided for in General Laws, Chapter 54, Sections 135 and 135A.

Fourteen registered Democrats in the Town of Wilmington signed the above petition and their names were certified by the Board of Registrars as qualified voters in the Democratic Party.

Accordingly the Board of Registrars met and set Saturday, September 19, 1964 at the High School Cafeteria, Church Street, Wilmington, Massachusetts at 9:00 a.m. as the time and place of the recount of this office.

The Town Clerk sent letters to all the candidates for said office informing them of the time and place of the recount and their rights at this recount. Letters were dated September 15, 1964. Return receipts on file.

The recount began at 9:05 a.m. and ended at 10:31 a.m.

The attorneys and observers were permitted to copy the figures shown on the ballot box registers of those ballots cast on September 10, 1964 Primary. They also took note of the locks and seals on the boxes containing the ballots cast at this election.

Fred F. Cain and Daniel L. Joyce, Jr. were present and each had eight (8) observers and one (1) attorney representing them. No other candidate or observer appeared for admittance to the recount.

Recount Tally

Cain	1432 - lost 1
Cosgrove	17 - lost 1
Joyce	204 - lost 1
Scalley	52 - gained 1
Vigneau	67 - lost 2
Wilde	47 - no change
Blanks	18 - gained 4
Total	<u>1837</u>

There were no protested ballots.

(Mrs.) Esther L. Russell
Town Clerk

SPECIAL TOWN MEETING - October 5, 1964
WITH ACTION TAKEN THEREON

TO: Either of the Constables of the Town of Wilmington:

GREETINGS: In the name of the Commonwealth of Massachusetts and in the manner prescribed in the By-laws of said Town, you are hereby directed to notify and warn the inhabitants of the Town qualified to vote in Town affairs to meet and assemble at the High School Gymnasium on Monday, the fifth day of October next at 7:30 p.m., to consider and act on the following Articles:

Mr. Cutter, Moderator, read the above call to meeting. Mr. Charles Black moved that further reading of the warrant be dispensed with. Motion adopted.

The Moderator stated that he would call each article by number only rather than read them there were no objections and this procedure was followed.

ARTICLE 1: To see if the Town will vote to raise and appropriate a sum of money by taxation, by transfer from available funds, by borrowing or otherwise, for the purpose of constructing and originally equipping and furnishing an intermediate school on land acquired by the Town between Boutwell Street and Carter Lane, and to authorize and instruct the Permanent Building Committee to enter into contracts and to do all things that are necessary for constructing and originally equipping and furnishing said intermediate school or take any action relative thereto. Request of the Permanent Building Committee.

Motion by Mr. Robert B. Michelson, "I move that the Town vote to raise and appropriate the sum of \$1,445,000.00 to construct and originally equip and furnish an Intermediate School on land owned, acquired or to be acquired by the Town, located between Shawsheen Avenue and Boutwell Street, in West Wilmington, and to meet said appropriation that the Treasurer with the approval of the Selectmen, be and is hereby authorized to borrow a sum or sums not to exceed under the authority of Chapter 645, Acts of 1948 as amended and to issue bonds or notes therefor, payable in not more than 20 years and that the Permanent Building Committee be and hereby is authorized to enter into contracts and to do all things that are necessary for constructing, originally equipping and furnishing said Intermediate School." Finance Committee approved \$1,445,000.00 20 year bond issue. A short discussion followed. Mr. Harold Melzar called for the question. Vote taken by standing - Yes. . 221 No. . 62 Motion carried.

Mr. Vitale asked for reconsideration of Article 1. A voice vote was taken and lost and was so declared by the Moderator.

ARTICLE 2: To see if the Town will vote to create a special unpaid committee to be known as the Regional Vocational School District Planning Committee, to consist of three members including one member of the School Committee, all to be appointed by the Moderator, which committee may join with a comparable committee or committees, from one or more neighboring Towns and/or City, to form a Regional Vocational School District Planning Board for the purpose of studying the advisability of establishing a Regional Vocational School District and making recommendations, relative thereto, pursuant to Chapter 71, of the General Laws Section 14 to 161 inclusive, or do anything in relation thereto. Request of the Wilmington School Committee. Finance Committee approved.

Motion by Mr. Richard E. Keane that the Town adopt the above article. Vote taken by voice and declared carried by the Moderator.

ARTICLE 3: To see if the Town will vote to raise and appropriate a sum of five hundred dollars (\$500.00) for the expenses of the Regional Vocational School District Planning Committee, if the vote under the preceding article shall have been in the affirmative, or do anything in relation thereto. Request of the Wilmington School Committee.

Motion by Mr. Richard E. Keane, "I move that the Town pass over this article for the reasons expressed in the Finance Committee's report."

ARTICLE 3 (continued):

Finance Committee disapproved. Recommend request for transfer from Reserve Fund when known what specific amount will be required. Voted by voice and so declared by the Moderator.

ARTICLE 4: To see if the Town will vote to establish a school sidewalk construction program on public ways of the Town, within the one and one-half mile walking distance of schools, and to determine the amount to be raised and appropriated each year for the aforesaid program, or do anything in relation thereto. Request of Mrs. Barbara Sullivan and others.

Motion by Mrs. Barbara Sullivan, "I move that the Town vote to establish a school sidewalk construction program for the purpose of constructing sidewalks or alternatives on public ways of the Town, within the one and one-half mile walking distance of schools; and to appoint a committee composed of the Town Manager and the Superintendent of Schools, under whose direction, in consultation with the School Safety Officer, the program will be implemented; and to empower the aforesaid committee to make specific recommendations and estimates to each Annual Town Meeting by means of a Warrant article." Mr. Rene LaRivee seconded this motion. Finance Committee disapproved.

A lengthy discussion followed. Amendment offered by Mr. Keane to add the words "or their appointees" after the words "Superintendent of Schools". Voted by voice and so declared by the Moderator. Main motion as amended voted by voice and so declared by the Moderator.

ARTICLE 5: To see how much money the Town will vote to raise and appropriate whether by taxation, transfer from available funds, by borrowing or otherwise, for the purpose of transporting to and from school, elementary grade children residing within the one and one-half mile walking distance of a school, but living in areas where hazardous walking conditions exist, by reason of traffic, road width, lack of sidewalks and similar circumstances, as determined by the School Committee and provided further that the School Committee is authorized and directed to make said determination of hazardous walking conditions and directed to expend said monies for the aforesaid purpose, until such time as the Town can see fit to remedy the conditions, or do anything in relation thereto. Request of Mrs. Barbara Sullivan and others.

Motion by Mrs. Sullivan, "I move that the Town vote to raise by taxation and appropriate the sum of \$1,500.00 for the purpose of transporting to and from school, elementary grade children residing within the one and one-half mile walking distance of a school, but living in areas where hazardous walking conditions exist (by reason of traffic, road width, lack of sidewalks and similar circumstances); said hazardous conditions to be determined by a safety committee to be appointed by the School Committee; and provided further that the School Committee is authorized and directed to expend such monies for the aforesaid purpose until the conditions can be remedied." Finance Committee disapproved. After some discussion a vote was taken by voice and declared lost by the Moderator.

ARTICLE 6: To see if the Town will vote to amend the Zoning By-law and Map by changing from Single Residence A District to Garden Apartment Districts (a), the following described parcel of land, to wit: being land of Harold E. Smith and Eleanor J. Smith; Westerly, six hundred sixteen (616) feet, more or less, and two hundred thirty-two (232) feet, more or less, thence running Northeasterly two hundred fifty-two (252) feet more or less, and two hundred thirty-two (232) feet, more or less, thence running Easterly, one hundred ninety-one (191) feet, more or less, and two hundred sixty (260) feet, more or less, thence running Southerly by and along Woburn Street, two hundred ninety-one (291) feet, more or less, and two hundred twenty (220) feet, more or less, to the point of beginning, or do anything in relation thereto. Request of Eleanor J. Smith and others.

Motion by Mr. Alan Altman, "I move to pass over Article 6 and take Article 7 at this time". Vote taken by voice and declared unanimous by the Moderator. Seven voters rose to show doubt of the vote. Vote taken by standing - Yes. . . 134 No. . . 167 Motion to take Article 7 first lost.

Motion by Mr. Alan Altman to amend the Zoning By-law and Map by changing from Single Residence A District to Garden Apartment Districts (A), the following described parcel of land being bounded and described as follows:

ARTICLE 6 (continued):

Beginning on Woburn Street at land now or formerly of Barrows, thence Westerly, etc. (see description in the above article). Finance Committee disapproved. Planning Board Report disapproved. Report read by Mr. James F. Banda.

Article 6 now considered (see second motion above). Mr. Altman spoke on his motion. A lengthy discussion followed during which Mr. Altman asked the Moderator whether he would entertain a motion to take Articles 6 and 7 at one time. Mr. Cutter said he would now allow this. More discussion followed. A motion to close debate was voted by voice. Mr. Altman asked the privilege to close argument. Vote taken by standing - Yes. . .103 No. . .247 Lost.

Mr. George Ligenfelter moved to reconsider Article 5 before Article 7. Vote taken by voice and was lost and so declared by the Moderator.

ARTICLE 7: To see if the Town will vote to amend the Zoning By-law by establishing a new zoning district to be known as "Garden Apartment Districts (A)" and that the following sections be added to the Zoning By-laws: (see official minutes for description). Request of Eleanor J. Smith and others. Finance Committee disapproved. The Planning Board did not file a report.

Motion by Mr. Alan Altman, "I move to pass over Article 7". No discussion. The Moderator called for a vote by voice. The motion was voted and so declared by the Moderator.

The Moderator declared the meeting adjourned at 9:20 p.m.

Voters present - Four hundred and nine (409).

STATE ELECTION

November 3, 1964

High School Gymnasium, Church Street, Wilmington, Massachusetts

TO: Either of the Constables of the Town of Wilmington.

REETINGS: In the name of the Commonwealth of Massachusetts and in the manner prescribed in the By-Laws of said Town, you are hereby directed to notify and warn the inhabitants of the Town qualified by law to vote, to meet and assemble at the High School Gymnasium on Tuesday, the Third Day of November next at 5:45 o'clock in the forenoon, the polls to be open at 6:00 a.m., and shall be closed at 8:00 p.m. for the election of the following: Residential Electors; Senator in Congress; Governor; Lieutenant Governor; Attorney General; Secretary; Treasurer; Auditor; Representative in Congress; Councillor, Senator; Representative in General Court (1); Clerk of Courts; Register of Deeds; County Commissioner (2) and vote YES or NO on the following questions: -

QUESTION NO. 1 - PROPOSED AMENDMENT TO THE CONSTITUTION.

Do you approve of the adoption of an amendment to the constitution summarized below which as approved by the General Court in a joint session of the two branches held March 29, 1961, received 219 votes in the affirmative and 26 in the negative, and in a joint session of the two branches held May 8, 1963, received 244 votes in the affirmative and 14 in the negative?

YES _____ NO _____

SUMMARY: The proposed amendment provides that the terms of office of the Governor, Lieutenant Governor, Secretary of the Commonwealth, Treasurer, and Receiver General, Attorney General and Auditor shall be four years. Executive Councillors, Senators and Representatives shall continue to serve for two years. The four-year term for constitutional officers would become effective at the time of the November election in the year 1966.

QUESTION NO. 2 - PROPOSED AMENDMENT TO THE CONSTITUTION.

Do you approve of the adoption of an amendment to the constitution summarized below which as approved by the General Court in a joint session of the two branches held July 18, 1962, received 238 votes in the affirmative and 1 in the negative, and in a joint session of the two branches held May 8, 1963, received 246 votes in the affirmative and 2 in the negative?

YES _____ NO _____

SUMMARY: In the event of any public office, whether elective or appointive, shall become vacant as a result of enemy attack, the proposed amendment would enable the General Court to provide for prompt and temporary succession to the powers and duties of such offices, and to take steps to insure continuity of government of the Commonwealth and its political subdivisions.

QUESTION NO. 3 - PROPOSED AMENDMENT TO THE CONSTITUTION.

Do you approve of the adoption of an amendment to the constitution summarized below which as approved by the General Court in a joint session of the two branches held March 29, 1961, received 251 votes in the affirmative and 0 in the negative, and in a joint session of the two branches held May 8, 1963, received 252 votes in the affirmative and 3 in the negative?

YES _____ NO _____

SUMMARY: The proposed amendment provides that the credit of the Commonwealth may be given, loaned or pledged only by a two-thirds vote of each branch of the Legislature. In no event shall the credit of the Commonwealth be given or loaned to or for any individual, private association or corporation privately owned or managed.

QUESTION NO. 4 - PROPOSED AMENDMENT TO THE CONSTITUTION.

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held July 18, 1962, received 220 votes in the affirmative and 24 in the negative, and in a joint session of the two branches held May 8, 1963, received 258 votes in the affirmative and 1 in the negative.

YES _____ NO _____

SUMMARY: The proposed amendment authorizes both the Governor and the Executive Council to require opinions of the Justices of the Supreme Judicial Court on questions of law. The present requirement that the Governor and Council agree before a question may be submitted would be annulled.

QUESTION NO. 5 - LAW PROPOSED BY INITIATIVE PETITION.

Do you approve of a law summarized below which was disapproved in the House of Representatives by a vote of 109 in the affirmative and 109 in the negative and was disapproved in the Senate by a vote of 16 in the affirmative and 20 in the negative?

YES _____ NO _____

SUMMARY: The proposed measure provides that henceforth appointments in the executive branch of the government shall not require the advice consent of the Governor's Council. Exceptions to this provision include appointments to the Youth Service Board, Industrial Accident Board, Commission of the Department of Public Utilities, Parole Board, and Appellate Tax Board, which appointments shall continue to require Council action. However should the Council fail to act upon such appointments within thirty calendar days, then the person involved shall be deemed to have been lawfully appointed. Any appointment in the executive branch by an officer other than the Governor which heretofore required Council approval shall henceforth require approval by the Governor.

Removals from office shall no longer require the advice and consent of the Council, except in the case of the Youth Service Board, which removals must still receive Council approval. As in the case of appointments still requiring Council approval, such recommended removal from the Youth Service Board must be acted upon by the Council within thirty calendar days otherwise the proposed removal shall become effective as if approval had been given. In the case of any appointment which heretofore required Council approval the Governor may, within fifteen days of the making of the appointment, remove the person appointed without cause.

The Council shall no longer be required to approve the fixing of any compensation for services rendered in the executive department. And henceforth there need be no approval by the Council of actions or agreements by executive officers, including but not limited to borrowings and loans, investments, leases, licenses, purchases and conveyances, and contracts, and also including the promulgation of rules and regulations.

Notwithstanding the foregoing, the Governor shall at all times remain free to seek the advice and consent of the Council upon any matter.

QUESTION NO. 6 - LAW SUBMITTED UPON REFERENDUM AFTER PASSAGE.

Do you approve of a law summarized below, which was approved in the House of Representatives by a vote of 180 in the affirmative and 40 in the negative and was approved in the Senate by a vote of 28 in the affirmative and 5 in the negative? YES _____ NO _____

SUMMARY: Under the Act, effective as of January 1, 1964, each member of the General Court shall receive seventy-eight hundred dollars for each regular annual session, the President of the Senate and Speaker of the House of Representatives shall each receive the same amount as additional compensation, and the floor leaders of each of the major political parties in the Senate and House, the Chairman of the Senate Committee on Ways and Means and the Chairman and Vice-Chairman of that committee of the House, shall each receive thirty-nine hundred dollars as additional compensation, to be paid as provided in the Act.

QUESTION NO. 6 (continued)

After the same date the annual expense allowance is to be six hundred dollars for each member and the travel allowance is to be eight cents per mile with a stated minimum and an alternative, and a member chosen to fill a vacancy or who resigns during a session is to be entitled to per diem compensation at the rate for each regular annual session and to the allowances for travel and other expenses for the time of his membership.

It is also provided that in addition to the compensation for the 1963 annual session, the President of the Senate of the House shall be paid thirty-nine hundred dollars, the floor leaders of each major political party in the Senate and House, the Chairman of the Senate Committee on Ways and Means and Chairman and Vice Chairman of that committee of the House, shall be paid twenty-nine hundred and twenty-five dollars and each other member shall be paid nineteen hundred and fifty dollars. Each member shall also be entitled to an additional expense allowance of two hundred dollars for the calendar year 1963 and the travel allowance shall be at the rate of eight cents per mile with a stated minimum and an alternative for the balance of the calendar year 1963.

QUESTION NO. 7:

A. Shall licenses be granted in this town for the sale therin of all alcoholic beverages (whisky, rum, gin, malt beverages, wines and all other alcoholic beverages)?

YES NO

B. Shall licenses be granted in this town for the sale therein of wines and malt beverages (wines and beer, ale and all other malt beverages)?

YES NO

C. Shall licenses be granted in this town for the sale therein of all alcoholic beverages in packages, so called, not to be drunk on the premises?

YES NO

Hereof fail not and make due return of this Warrant, or a certified copy thereof, with your doings thereon, to the Town Clerk, as soon as may be and before said meeting.

Given under our hands and seal of said Town this 7th day of October, A.D., One Thousand Nine Hundred and Sixty-four.

Rene J. LaRivee)
Wavie M. Drew) Board of
Charles H. Black) Selectmen
Lloyd C. Bender III)

RETURN OF SERVICE

Middlesex, SS.

Wilmington, Massachusetts October 9, 1964

Amended Total	5794

78 (Two of these "partial" - Presidential electors only.)

There were 5716 voters names checked on voting list. Amended by 76 absentee voters and 2 partial ballot voters.

RECOUNT PETITION - MIDDLESEX COUNTY COMMISSIONER

Received by Town Clerk November 10, 1964 at 2:40 p.m.

TO: Town Clerk of Wilmington, Massachusetts - November 9, 1964

We, the undersigned qualified voters of Wilmington do represent that we have reason to believe and do believe that the records, or copies of records, made by the election officers of said Wilmington of the votes cast at the Election held in Wilmington for the office of Middlesex County Commissioner are erroneous, in that William G. Andrew was credited with more votes than were actually cast for him, and John F. Cremens was credited with less votes than were actually cast for him. We believe that a recount of the ballots cast in said Wilmington will affect the nomination or election of said candidate. We therefore ask that all votes cast for said office at said Election be recounted as provided for in General Laws, Chapter 54, Sections 135 and 135A.

There were fifteen (15) valid signatures on said petition which the entire Board of Registrars certified on November 12, 1964.

On Monday, the 16th of November 1964, the Board of Registrars instructed the Clerk of said board to send letters to the four candidates stating that November 21, 1964 at the High School Cafeteria, Church Street in Wilmington at 9:00 a.m. the recount of the office of County Commissioner in the Middlesex County of which Wilmington is part thereof would take place as per petition. Consequently the Town Clerk did send the above letter as instructed on November 16, 1964 advising the candidates that there would be thirty tellers and two for total tally work, and each candidate could have an observer present for each teller providing they presented a letter signed by the candidate for each observer working for him. No other person would be allowed in the room where the recount was to take place other than the Board of Registrars, the observers and an attorney for each candidate who also must present a letter for admission. Letters were sent to the following candidates with "return receipt requested":

William G. Andrew
John F. Dever, Jr.
John F. Cremens
Albert L. Daigle

The Town Clerk did receive the return receipts showing that each candidate had received instructions in time to prepare for the recount.

Recount was held at High School Cafeteria on November 21, 1964 at 9:00 a.m.

Mr. Andrew sent 18 observers and an attorney, Mr. Roland I. Wood and Mr. Cremens sent 2 observers and an attorney, Mr. John W. McCann.

Counting began at 9:10 a. m. and was completed at 11:05 a.m.

RECOUNT TALLY - for Middlesex County Commissioner

	Votes
William G. Andrew, Two Thousand Four Hundred Forty-three (LOST 6)	2443
John F. Dever, Jr., Three Thousand Four Hundred Fifty-eight (LOST 1)	3458

TOWN OF WILMINGTON

MASSACHUSETTS

BOARD OF SELECTMEN

To the Citizens of Wilmington:

The past year has produced many changes in Wilmington. Some are of major importance. Notably, the rezoning of over 125 acres in the area of Route 93 and Concord Street to permit the development of a large industrial park, reassessment of the entire community to assure equal treatment for all taxpayers, construction of a new intermediate school, adoption of Personnel Regulations and a new Building By-Law.

Major personnel changes included the appointment of a new Town Manager, Mr. Richard Henneberger, following the resignation of Mr. Gerald Bouchard to accept a position in Michigan. A new Principal Assessor, Mr. Anthony Krzeminski, has also been appointed to replace Mr. Frederic Grimes, who took a position in private industry.

Among the important events that occurred during 1965 was the increased industrial growth in our community. Major additions to existing plants and new industry both contributed to a growth rate that made Wilmington one of the leaders in the state.

The formation of an Electric Power Study Committee, Sewer Committee and reorganization of the Planning Board have all been done for future improvements in the Town. We know that these citizen groups will make major contributions to the solution of our problems in these areas.

We believe that the major accomplishment of the Town during 1965 was the restoration of confidence in the fairness of the Town's policies to all taxpayers, employees and to industry. We believe also that these accomplishments were necessary to encourage the further desirable development of Wilmington.

Respectfully submitted,

Wavie M. Drew, Chairman
Lloyd C. Bender III
Charles Black
Rene LaRivee
Paul H. Niles

**TOWN OF WILMINGTON
MASSACHUSETTS**

TOWN MANAGER

To the Citizens of Wilmington:

The Office of Town Manager was vacated by Mr. Gerald Bouchard May 28, 1965, held by Temporary Town Manager Robert Peters until August 16, 1965, when the office was assumed by R. M. Henneberger on that date. Unfortunately the Town of Wilmington does not enjoy a reputation of long tenure for Town Managers. It would behoove the Town to create and maintain an environment conducive to assuring longer tenure for managers who have demonstrated proven capabilities... for the ultimate benefit of the Town rather than the Manager's personal benefit.

Despite the problem just noted professional administration has encouraged and promoted the development of a service organization to best serve your needs.

It would be duplication of effort to state what was accomplished in 1965 as this Report discloses at great length the work and programs of departments, boards, committees and commissions.

It would sound 'textbookish' to discuss my philosophy of management to the average resident. I do want to say that my efforts will be directed toward the development of subordinates and employees numbering about 150 who deserve the credit for a job well done. Further, where my efforts can be meaningful I will encourage and insist on a greater degree of cooperation between the many administrative facets of our Town government... and, it is here that the 50 individuals serving in numerous appointive positions deserve thanks and praise for their efforts which provide them little other than the satisfaction derived from the experience of serving.

Respectfully submitted,

R. M. Henneberger
Town Manager

RMH/rmd

To The Citizens of Wilmington:

If you are interested in serving the Town in any function, activity, trusteeship, or on any board, committee, or commission, please fill out this form and mail to the Town Manager, Town Hall, Wilmington, Mass. The filling out of this form in no way assures appointment. All vacancies will be filled by citizens deemed most qualified to serve in a particular capacity.

While the Town has numerous positions of citizen responsibility, I would like to see an expression of more interest in Civil Defense activities to strengthen our position in public safety. From this type of training we might find interest and abilities to be recruited on our Police Department. Also, we would surely find interest and abilities for our Fire Department where trained men serving as call firemen could greatly benefit our community.

Of particular interest to me would be the formation of a Wilmington Chapter to "Keep America Beautiful."

Section 3 of the Town By-Laws states how the Annual Town Report shall be published, and by tradition the same format is used. The Board of Selectmen would welcome your suggestion on how you would like to see this report presented and space has been provided for your reaction.

To Town Manager:

TOWN CLERK

Vital Statistics - Chapter 46, General Laws as Amended:

BIRTHS - final figure for 1964 . . . Three Hundred Forty-six (346)

BIRTHS - actually recorded to date for 1965 . . . Two Hundred Seventy-eight (278)
(This figure will be increased when the final reports are in.)

MARRIAGE INTENTIONS - recorded in 1965 . . . One Hundred Forty-two (142)

MARRIAGES - recorded in 1965 . . . One Hundred Sixty-six (166)

DEATHS - recorded in 1965 . . . Eighty-seven (87)

Chapter 46, Section 15:

The Town Clerk will furnish to parents, householders, physicians, and registered hospital medical officers applying therefor, blanks for the return of births as required by law.

Chapter 114, Section 45:

Twenty-two (22) Burial Permits have been issued by the Town Clerk as Special Agent for the Board of Health in 1965. One (1) removal permit was also issued.

TOWN RECORDS

Permits and Certificates of Registration for the Storage of Inflammables:

These licenses must be registered by the owner or occupant of the land, or by the holder of the license in the Town Clerk's office on or before April 30 of each year. Notification will be sent on or about March 15. If not registered as required by law, the license may be revoked by the licensing authority after a public hearing.

Inflammables	91
Uniform Commercial Code Recordings	487
Federal Tax Lien recordings	6
Uniform Commercial Code Terminations	108
Dog Licenses issued (as of 12/13/65).	1,554
Duplicate Dog Tags issued	21
Business Certificates recorded	23
Fish & Game Licenses Issued	774
Pole Locations recorded	9
Medical Registrations	1

Other Services:

Keep minutes of Annual and Special Town Meetings up to date (certify same when requested)	
Record election results. Send State election results to State House forthwith	
Keep jury list up to date. Draw jurors when court orders come through	
Certified copies of Births, Marriages and Deaths	197
Birth record cards (abstract) - used for school entrance, drivers' licenses, out-of-state travel and job applications . . .	226
Proof of residence - by letter or card	undetermined number
Miscellaneous sales of books and maps	undetermined number
Receives writs against the Town and forwards copies of same to the Town Counsel	
Occasionally appear in Court for the Town when summoned - producing all papers and maps required.	
Keep a file of all regulations set by the Town	
Complete notes of the Town as received from the Town Treasurer after approval by the Selectmen. Certify same.	
Record plot plans for the Planning Board	
Record Board of Appeal Decisions	
File copy of minutes of the Permanent Building Committee and Planning Board	

The Town Clerk, in her capacity as a Justice of the Peace, certified an undetermined number of legal
papers for Town Officers. The Town Clerk also swears Town Officers to the faithful performance of their
duties and keeps a record of same.

By virtue of her office, the Town Clerk is clerk to the Board of Registrars. In this capacity, I have

Met with the Board on regular meetings and special meetings.
Kept the minutes of the Board up to date.
Worked with the Police on the census. (This year the Town Clerk was appointed
to supervise the State Census for the Town.)
Kept the voting list up to date.
Registered voters during office hours.
Supervised the distribution and filing of nomination papers.
Prepared ballot and ordered printing of same.
Hired election workers.
Prepared payrolls for election workers.
Supervised elections.

here are a few books, "Births, Marriages and Deaths" from 1730 to 1898, compiled by James E. Kelley
will available at this office. By vote of the Selectmen, these books are on sale at \$1.00 each.

In order to complete our records, the Town Clerk would like to receive copies of back years of "Persons
listed" books. If you have such books and are willing to dispose of them, please contact this office. (Of
particular need at present is the year 1950.)

BOARD OF ASSESSORS

TABLE OF AGGREGATES FOR WILMINGTON OF PROPERTY AND TAXES, AS ASSESSED JANUARY 1, 1965

Total of All Other Commitments		\$ 23,487.62

MAINTENANCE OF PUBLIC BUILDINGS

To the Board of Selectmen and Citizens of Wilmington, I respectfully submit my second annual report on behalf of the Public Buildings Department.

The staff of the department has been increased by one man to a complement of twenty-nine full-time men. With the addition of this man to the Grounds section we have been able to construct two new baseball diamonds one at the Glen Road School and at the North Intermediate School. Two new skating areas for the winter have also been added at these areas.

After acceptance by the Permanent Building Committee the grounds at the North Intermediate are now being cared for by this department. The grounds at the Woburn Street School have only been partially accepted as further seeding is needed in the rear and side areas of the school by the Contractor.

The new bathhouse is well under construction and will be ready for occupancy for the 1966 swimming season. Cooperation of the other Town Departments in this project has been greatly appreciated.

The old bathhouse has been dismantled by the department and with the permission of the Board of Selectmen sold for one dollar to Camp Forty Acres to erect it for use at their camping area.

The tennis court lighting on Church Street has been installed and is being used during the winter months for skating. We are asking the voters for an appropriation of twelve thousand dollars in 1966 to erect a new four court area at the North Intermediate School that also would be used for winter skating.

During the year the department has carried on the continuous work of cleaning, painting and repairing all Town owned buildings and grounds. Our Town has undergone a vast change since 1950, and the buildings have grown from the small four-room schools of the older days to the large new modern schools of today. With this change the department has had to be increased and modernized to take care of the many different types of new materials and finishes being used in modern construction. In 1966 we will acquire the new West Intermediate School; this will require three new custodians to maintain the building. At this time the Town is only half grown in projected population figures and by 1980 many more new buildings will have been added to enable the Town to accommodate the residents.

In conclusion, thank you for the opportunity to have been of service to the Town during 1965.

TOWN TREASURER

Cash on Hand - January 1, 1965 \$ 872,149.74

Receipts:

General	\$6,804,673.85
Proceeds - Tax Anticipation Notes	1,300,000.00
Investment Transactions	<u>4,073,218.16</u>
	<u>12,177,892.01</u>
	13,050,041.75

Disbursements:

General	5,297,605.54
1964 T. A. N. paid in 1965	500,000.00
1965 T. A. N. paid in 1965	1,300,000.00
Investment Transactions	<u>5,473,494.70</u>
	12,571,100.24

Cash on Hand - December 31, 1965 478,941.51

Bonds:

The Bonds for the West Intermediate School amounting to \$1,445,000 were offered for sale in January 1965, and we received fifteen bids with a low of 3.0%.

The bonds for the Wellfields in the amount of \$463,529 were offered for sale in August 1965, and we received twelve bids with a low of 3.0%.

The bid of 3.0% in each case was excellent and below the current market trend.

Employees:

With the adoption of Chapter 32B by the Town in March 1965, the insurance program was offered to all employees and was implemented in July 1965. Most of the eligible town and school employees participated.

Many of the town and school employees contribute to the newly formed Credit Union, and their payments are made through payroll deductions.

Investments:

During 1965 the program of investing idle funds from Bond Issues was continued, and in addition after taxes were received, Revenue Funds were also invested in November and December:

U. S. Treasury Bills	\$14,221.84
Certificates of Deposit	26,009.17
Savings Banks	<u>9,255.78</u>
Total:	\$49,486.79

General:

In November 1965 through the facilities of their computing program, the Middlesex County National Bank sorted our payroll checks for the first time, and soon they will sort all our checks and give us an outstanding monthly balance. This is a very valuable time saver.

TOWN COUNSEL

In accordance with the requirements of the Town By-Laws, I submit herewith my report as Town Counsel covering the year 1965.

A. On January 1, 1965, there were pending the following actions by or against the Town (exclusive of actions in which the Town was merely summoned as trustee, and in which it had no interest, and of tax lien foreclosure proceedings in the Land Court, and petitions for abatement before the Appellate Tax Board).

City of Lowell v. Town of Wilmington, District Court of Lowell. (Action of contract by City of Lowell to recover the sum of \$275.96 for special vocational training of certain pupils.)

City of Lowell v. Town of Wilmington, District Court of Lowell. (Action of contract by City of Lowell to recover \$657.77 plus interest for aid furnished in a public welfare case.)

City of Lowell v. Town of Wilmington, District Court of Lowell. (Action of contract by City of Lowell to recover \$721.90 for aid furnished in a public welfare case.)

Town of Wilmington v. A Certain Defendant, Fourth District Court of Eastern Middlesex. (Action of contract under G. L. Chap. 117, Sec. 5.)

Jacob Levine & Sons v. Town of Wilmington, Fourth District Court of Eastern Middlesex. (Action of contract to recover burial expense.)

Town of Wilmington v. Julia Godzyk, Administratrix of the Estate of Andrew Klebasz, Fourth District Court of Eastern Middlesex. (Action of contract to recover amounts expended by the Town for support and hospital treatment of decedent.)

Town of Wilmington v. Wendell Phillips, Middlesex Probate Court. Removed to Fourth District Court of Eastern Middlesex. (Petition to enforce obligation to support.)

Town of Wilmington v. Irving L. White, Middlesex Probate Court. (Petition to enforce obligation to support.)

Wilmington Board of Health v. Nagel Stone, Middlesex Superior Court. (Bill in equity to enjoin occupancy of substandard dwelling.)

New England Gas Products Inc. v. Board of Appeal, Middlesex Superior Court. (Three separate appeals from refusal of building permit.)

Town of Wilmington v. Commonwealth of Massachusetts, Middlesex Superior Court. (Petition for assessment of damages for taking for state highway.)

Town of Wilmington v. Stephen P. Hathaway et als, Middlesex Superior Court. (Bill in equity to enjoin removal of sand and gravel.)

Town of Wilmington v. William Baldwin et als, Middlesex Superior Court. (Bill in equity to enjoin removal of sand and gravel.)

Town of Wilmington v. Commonwealth of Massachusetts, Middlesex Superior Court. (Petition for assessment of damages for land taking.)

John J. and Mary T. Hayes v. County of Middlesex, Middlesex Superior Court. (Petition for assessment of damages for land taking.)

Town of Wilmington v. Citizens Trust Co., Middlesex Superior Court. (Action to recover deposit securing bid for kitchen equipment at new North School.)

Minot Anderson et al v. Louis E. Gage et als, Board of Appeals, Middlesex Superior Court. (Appeal from decision of the Board of Appeals denying application for variance.)

Bessie Cohen, d/b/a Wilmington Grain Co. v. Board of Appeal, Middlesex Superior Court. (Appeal from denial by Board of Appeal of application for variance.)

Town of Wilmington v. Arthur Hatton, Fourth District Court of Eastern Middlesex. (Action to recover damages to fire truck). Up to date defendant has not been served owing to the fact that his whereabouts are unknown.

Beatrice G. Swenson v. Town of Wilmington et al, Middlesex Superior Court. (Petition for damages for land taking.)

Richard Donahue v. Town of Wilmington et al, Fourth District Court of Eastern Middlesex. (Action to recover damages for blasting.)

Sidney E. Graves, Administrator v. Town of Wilmington et al, Middlesex Superior Court. (Action to recover damages for death.)

Paul N. Carpenter v. Town of Wilmington et al, Middlesex Superior Court. (Action to recover for damages to property from fire.)

Henry E. Brooks v. County of Middlesex, Middlesex Superior Court. (Petition for assessment of damages for land taking, Ballardvale Street.)

Patsy Spinosa v. County of Middlesex et al, Middlesex Superior Court. (Petition for assessment of damages for land taking.)

Salvatore Spinosa, Jr. Exec. v. County of Middlesex and Town of Wilmington, Middlesex Superior Court. (Petition for assessment of damages for land taking.)

Town of Wilmington v. Robert G. and Bernice A. Cowie, Fourth District Court of Eastern Middlesex. (Action on behalf of Town by Collector of Taxes to recover 1962 real estate taxes.)

City of Boston v. Town of Wilmington, Suffolk Superior Court. (Action to recover \$2174.62 for aid to various indigent persons.)

Paul F. Donahue and Joseph Bergstrom d/b/a Conti & Donahue, Inc. v. Town of Wilmington, Essex Superior Court. (Action of contract for money claimed to be due.)

William M. and Margaret A. Bangs v. Commonwealth of Massachusetts, Town of Wilmington et al, Middlesex Superior Court. (Petition for assessment of damages in land taking.)

Robert P. Stevens, Trustee v. Romano et als, Middlesex Superior Court. (Writ of mandamus against Agent and members of Board of Health.)

Francis D. and Christine L. Barcellos v. County of Middlesex and Town of Wilmington, Middlesex Superior Court. (Petition for assessment of damages in land taking.)

Crane Supply Co. v. Sewell & Smith Construction Co. et al, Middlesex Superior Court. (Claim for labor and materials furnished for Woburn Street Elementary School, under Chap. 149, Sec. 29.)

Robert Corey v. Town of Wilmington, Middlesex Superior Court. (Petition for assessment of damages in land taking.)

B. (1). During the year 1965, the following new actions were brought by or on behalf of the Town:

Town of Wilmington v. Leonard Rugo, Inc., Aetna Insurance Co., and American Employers Insurance Co. Middlesex Superior Court. (Action to recover damages for leaks in North Intermediate School.)

Town of Wilmington v. Valtz & Kimberly, Inc. Middlesex Superior Court. (Action to recover damages for leaks in North Intermediate School.)

Town of Wilmington v. Owens-Corning Fiberglas et als, Removed from Middlesex Superior Court to Federal District Court. (Action to recover damages for leaks in North Intermediate School.)

Town of Wilmington v. Angelo Sorrentino et als, Middlesex Superior Court. (Bill in equity to enjoin zoning-law violation.)

B. (2). During the year 1965, the following new actions were brought against the Town or its officers or agents:

Frederick A. Perry et al v. Town of Wilmington, Land Court. (Petition for registration of land and determination of line of Town way.)

Mark Hill Realty Tr. (Robert Marcher et al, Trs.) v. Towns of Burlington and Wilmington and Planning Boards. Middlesex Superior Court. (Petition for declaratory judgment.)

John J. Cronin et als v. Sewell & Smith Construction et als, Middlesex Superior Court. (Bill to establish lien on account of materials and merchandise for Woburn Street Elementary School.)

Finberg Supply Co. v. Sewell & Smith Construction Co. et als, Middlesex Superior Court. (Petition under Chap. 149, Sec. 29 re Woburn Street Elementary School.)

Joseph Sidlauskas v. Board of Appeals, Wilmington. Middlesex Superior Court. (Petition in equity for appeal for variance of zoning by-law.)

Milton Hospital & Convalescent Home v. Town of Wilmington, Fourth District Court of E. Middlesex. (Action to recover)

Charles G. Hall v. Inhabitants of the Town of Wilmington, Middlesex Superior Court. (Petition for assessment of damages for land taking.)

Marie Witas v. Town of Wilmington, Middlesex Superior Court. (Petition for assessment of damages for land taking.)

Daniel F. & Sarah H. Cosman, v. Town of Wilmington, Middlesex Superior Court. (Petition for assessment of damages for land taking.)

Jackson Brothers, Inc. v. Town of Wilmington, Middlesex Superior Court. (Petition for assessment of damages for land taking.)

Mary M. Bousfield v. Town of Wilmington, Middlesex Superior Court. (Petition for assessment of damages for land taking.)

Harvey Lobdell vs Board of Appeals, Wilmington, Middlesex Superior Court. (Petition in equity for appeal for variance of zoning by-laws.)

C. During the year 1965 the following actions by or against the Town were finally disposed of:

Town of Wilmington v. Commonwealth of Massachusetts, Middlesex Superior Court. (Settled by agreement by payment to the Town by the Commonwealth.)

Town of Wilmington v. Stephen P. Hathaway et als, Middlesex Superior Court. (Automatically dismissed by the Court.)

Town of Wilmington v. William Baldwin et als, Middlesex Superior Court. (Automatically dismissed by the Court.)

Sidney E. Graves, adm. v. Town of Wilmington et al, Fourth District Court of Eastern Middlesex. (Plaintiff withdrew action, dismissed against the Town.)

Paul N. Carpenter v. Town of Wilmington et al, Middlesex Superior Court. (Disposed of by judgment for the plaintiff to be paid by the insurance company.)

Paul F. Donahue & Joseph Bergstrom d/b/a Conti & Donahue, Inc. v. Town of Wilmington, Essex Superior Court.

Town of Wilmington v. Conti & Donahue Inc. Essex Superior Court. (Both cases disposed of by agreement by payment of \$1500 by the Town to Conti & Donahue Inc.)

Robert P. Stevens, Trustee v. Romano et als, Middlesex Superior Court. (Disposed of by final decree in favor of Town after trial.)

Mark Hill Realty Trust (Robert Maucher et al Trustees v. Towns of Burlington and Wilmington and Planning Boards, Middlesex Superior Court. (Disposed of by decree entered by agreement.)

Salvatore Spinoza Jr. Exec. v. County of Middlesex and Town of Wilmington, Middlesex Superior Court. (Disposed of by agreement and payment of \$350 to petitioner.)

Town of Wilmington v. Robert G. and Bernice A. Cowie, Fourth District Court of Eastern Middlesex. (Disposed of by finding for the Town in the amount of \$209.50 plus costs.)

D. Compensation was received by the Town Counsel in said matters and in all other matters during the year, as follows:

Compensation	\$4950.00
Disbursements	522.73
	5472.73

(The above amounts were entirely on account of services rendered and disbursements paid in the calendar year 1965.)

POLICE DEPARTMENT

In preparing this report I am including statistics prepared by Sergeant Kelley showing the arrests made in 1965 as well as the miscellaneous items that the Department is engaged in.

I am also including a report prepared by Sergeant Ellsworth on Training and Services. This I feel is a necessary project to bring to the attention of all residents what the Department is doing along these lines.

It may well be mentioned here that John Imbimbo was promoted to the position of Lieutenant of Police. As such, he becomes second in command of the Department and Administrative Assistant to the Chief. Sergeant Shepard has been assigned the Investigation Division of the Department. Sergeant Kelley has been assigned the Records Division of the Department. Sergeant Ellsworth has been assigned the Training Division of the Department.

It is with a great sorrow that we are called upon to record the death of Anita Buckley, a member of the Traffic Supervisors Division.

My most sincere thanks to all members of the Department for their untiring efforts and devotion to duty... to the Traffic Supervisors who do such a tremendous job... to all the departments for the wonderful cooperation extended my Department... to those at the Town Hall who accomplish so much for our welfare... to the Town Manager and the Board of Selectmen... many, many thanks.

This concludes my report for the year 1965, and I look forward to continued cooperation of all so that the year 1966 will be recorded as our best year.

ARRESTS

Affray	2	Motor Vehicle Violations	
Arrests for Other Departments	27	Attaching Plates	3
Assault and Battery	22	Endangering	8

Homicides	1	Sudden Deaths Investigated	17
House Checks (Vacations)	386	Suicides	1
		Summonses Delivered	668
		Value of Property Recovered by Dept.	\$20,012.00

SPECIAL REPORT ON TRAINING AND SERVICES

Members of the Wilmington Police Department have been receiving training as far back as the early 1940's. The training consisted at that particular time of schooling in criminal law and seminars on court procedure and evidence. Chief Paul J. Lynch and Lieutenant Imbimbo were the ones that received the training at that time. As time went by and new members came to the present department, more and more men went to the classes on criminal law and the seminars given by the Federal Bureau of Investigation.

The best school for criminal law was at Suffolk University under the direction of Professor Harry Bloomberg, known as the expert in this field and also the policeman's best friend in the field of education. Starting back in the 1940's the roster of the department that attended Bloomberg's includes Chief Lynch and Lieutenant Imbimbo and as they came on the department Sgts. Shepard and Ellsworth. Patrolmen Joseph Cuoco, Donald Mercier, Anthony Langone, James Palmer, James Cuoco and others that wanted to be police officers also attended this school.

Federal Bureau of Investigation seminars have been given for many years and have been attended by quite a few members of this department. These seminars include classes on court procedure, evidence in relation to police work and how to conduct investigations and interrogations. Members that attended these seminars were Chief Lynch, Lieut. Imbimbo, Sgts. Shepard, Kelley and Ellsworth; patrolmen Markey, Joseph Cuoco, Dolan and others.

In 1960 Wilmington had its first men attend the Mass. State Police Academy. This was accomplished by former Town Manager Cecil Lancaster and Chief Paul Lynch. The officers that attended this school at this time were Charles Ellsworth and Anthony Langone. The course was of four weeks duration and the men had to live at the barracks during the week but could come home on weekends. The training included

1) Criminal Law, 2) Motor Vehicle Law, 3) Report Writing, 4) Observation techniques, 5) Effective Speech Evaluation, 6) Unarmed defense and disarming evaluation, 7) First Aid. The officers from Wilmington ended up with the highest academic averages of the class. The officers also qualified with the use of their service revolvers and were trained in the use of the 30-30 Winchester rifle, the 45 caliber Reising semi-automatic rifle, the 45 caliber Thompson sub-machine gun, the 12 gauge shot gun and were familiarized with the gas gun and other gas weapons.

Other officers since 1960 who have attended the Mass. State Police Academy were John Harvey, Daniel Ballou, James Cuoco and Vernon Randell. All these officers excelled in their training and kept Wilmington in the position of being "better than average."

Lieutenant Imbimbo, Sgts. Shepard and Ellsworth extended their training to the college level when they first started to attend Northeastern University. It began when these three men took a course in Police Supervision in the Law Enforcement program at this university. (This by the way is the only college in this area that grants degrees in law enforcement thereby raising the police officer to a professional standard). Lieutenant Imbimbo also attended the criminal law courses at Harvard University and with him went officers Dolan and Mercier. So we can say that some of Wilmington's finest "went to Harvard." Sgt. Ellsworth is presently attending Northeastern University with the intent of getting the degree in Law Enforcement and to help train present and future police officers of Wilmington.

Wilmington is also quite fortunate in having the finest marksman with his service revolver in the entire New England area. We are also quite fortunate to have police officers that are trying very hard to beat him at the game. The man is Sgt. Shepard and the officers that would be considered pressing him are officers Harvey, James Cuoco and Randell.

Sgt. Shepard attended the F. B. I. Instructors training school at Camp Curtis Guild in Wakefield during the years 1956, 1959 and 1961. He topped the best shots in this area in a demonstration put on for town fathers, superior officers and friends. Sgt. Shepard also conducted instruction periods in our own pistol range and made it competitive by having contests between shifts.

Officer James Cuoco and Vernon Randell both excelled with firearms at the Massachusetts State Police Academy. Officer Cuoco fired a perfect score in the practical pistol course and officer Randell was right behind him with an almost perfect score.

The Reading Police Department conducts a school in firearm training at Camp Curtis Guild. Wilmington sent four officers to this school. They were officers John Harvey, Joseph Duffy, Richard Jenkins and Robert Shelley. All men qualified. Officer John Harvey is not only recognized as a real good shot but is qualified to make ammunition for the department's use to further train all officers on the job.

Officer Charles Dolan has recently completed a three-month training tour with the Massachusetts State Police in Fingerprint Identification and Photography. He handles all this work for our department.

Officers Langone and Palmer have completed a three-months training period with their K-9 dogs Roscoe and Zip respectively. This is a new field in Wilmington and is a good deterrent to many types of crime. Films are in the making that will be shown to the towns people, the actual work that these dogs do.

Many other courses and seminars have been attended by all members of this department such as the F. B. I. seminars on Search and Seizure and Civil rights programs that are so important in law enforcement today.

This year with additional money for training and new men we will extend better police service to the Town of Wilmington. The Chief of Police has a program for this additional training and better services for you the people of Wilmington. Major crimes have been held to a minimum in the Town of Wilmington and with the proper training and staff Chief Lynch feels that the department can do a better job in the days to come.

SUPERINTENDENT OF SCHOOLS

To the School Committee and Citizens of Wilmington:

I herewith submit my sixth annual report as Superintendent of the Wilmington Public Schools. This report is for the year ending December 31, 1965.

The best possible public school program within the town's ability to pay for it -- this is the goal which the administrators, the teachers, and the other members of the school department seek for the children of Wilmington. It is a pleasure in behalf of my colleagues to review with you to what extent the goal was achieved this year, and how it might better be achieved in the years to come.

THE ELEMENTARY SCHOOL PROGRAM AND GOALS

Moving in concert with the sociological and the intellectual forces which are currently molding elementary education, the staff concentrated on the following activities which are worthy of attention and commendation:

Operation Head Start: The Economic Opportunity Act of 1965 made it possible for the town to launch a project called "Operation Head Start," designed for pre-school children from economically deprived families. The program, under the direction of Harold E. Driscoll, who was assisted by three professional primary teachers and a corps of assistants, was offered to three classes of fifteen children each for a period of six weeks this past summer. Strengthened by participation in well planned experiences aimed to develop their intellectual, social, emotional, and physical capacities, forty-five children were able to enter grade one in September better prepared than would have been the case had they not participated in the program.

Modern Mathematics: This program, which was implemented in September of 1964, has now had one full year of operation. Teacher evaluation of this program indicates that definite gains have been made in the teaching of mathematics in the elementary schools. They find that students are better able to follow the development of a procedure, that they approach new concepts with greater interest, and that they have a better understanding of numbers and how to use them more effectively.

This does not mean that in the course of one year we have solved all the problems dealing with the teaching of mathematics or that indications are present which would allow us to say that all pupils henceforth will find fractions, per cents, or any other phase of arithmetic exceptionally easy. For example, word problems are still presenting much difficulty, especially in the upper grades; to reduce this problem to insignificance in one year would be impossible. We do hope for improvement in this area, but it is something that requires time and continuous effort. Learning of any type is not easy, especially in the abstract areas, but a good attitude toward learning and an approach which arouses interest can do much to bring about a desired result.

Reading: Coming to grips with all the major issues -- readiness, acceleration, word attack, testing, retardation, recall -- which affect this vital part of the elementary program, the reading staff, working in conjunction with the teachers and the principals, introduced co-basal readers in grades one, two, and three; tutored 300 pupils needing special help in reading; added over 1,000 books to the library and supplementary lists; compiled a "Book of Games and Devices" as an aid to developing reading skills; and

extended the use of reading laboratory kits to all grade levels. Of singular note and receiving national recognition was the publication of an article in the International Reading Association Journal "The Reading Teacher" (November, 1965 issue).

In-Service Training: To keep up with the rapid changes that take place in methodology and content in the fields of mathematics, science, and reading, workshops for teachers were held in these areas during the past year. In science, the aim of the workshop was to develop teacher confidence in preparing and doing experiments in the classroom. This was sorely needed to prevent elementary science from becoming just a supplementary reading exercise. In the mathematics workshop, the teachers observed fellow teachers demonstrate the teaching of selected topics which were giving them trouble. All agreed that the help obtained from this type of workshop was superior to the conventional lecture and the question and answer approach. In reading, the aim was to continue to build up skills in the teacher's ability to teach all phases of reading.

Looking Ahead: To attain goals that will keep Wilmington abreast with the best practices in elementary programming and to insure the maximum development of our Children's talents and abilities, the School Committee can anticipate 1) a revision in the social studies program; 2) a systematic attack to upgrade the written language skills of our pupils; 3) a replacement of obsolete schools -- Center, Walker, Whitefield; 4) additional staff and equipment in the fields of art, music, physical education, library services, speech therapy services, and counselling services; 5) the inauguration of elementary school science and mathematics fairs; 6) a revision of the report card; and 7) the establishment of a curriculum materials center.

Many of these goals can be met with the existing staff and with only slight increases in budget commitments. For others, only a massive state aid program as outlined in the Massachusetts Education Commission Report (The Willis Report) will bring them into being. The General Court's reluctance to pass appropriate legislation this past year in support of the latter is disappointing to all concerned with the improvement of public education in Massachusetts.

THE SECONDARY SCHOOL PROGRAM AND GOALS

The year 1965 marked the midpoint between evaluation of the high school by the Visiting Committee in 1960 and the next evaluation which should take place in 1970. It is interesting to note that after five years 60% of the recommendations made by the Visiting Committee have been accomplished, 23% are planned for the future, and the remainder are considered invalid. Looking back, we discover the following accomplishments:

Art: An increase of 25 art majors over last year's number is indicative of growing student interest in this field.

Business Education: Our graduates are still being placed in excellent positions. An increasing number are continuing their education at business schools after graduation.

English: An in-service linguistics program for English teachers (grades 7-12) was launched by Mr. Robert Hamilton. A variety of literature materials was introduced for the different levels of English classes. Additional college preparation in English, on an after school arrangement, was sponsored by Miss Mary Muldoon. Hundreds of students took advantage of the opportunity to attend live theatre presentations thanks to the efforts of Mrs. Sandra Horwitz, Mrs. Carole Kaplan, and Miss Eileen Kennedy.

Home Economics: This area continues to expand in ever increasing numbers. This year has seen the beginning of an advanced foods course and the utilization of four full-time staff members to carry out the complete program.

Industrial Arts: The program revision of two years ago is starting to bear fruit. Boys are acquiring more specialization and preparation in their respective shops than heretofore. The major development has taken place in the electrical shop where a basic course in electronics has been initiated.

Foreign Language: The growth in this area during the past five years has been phenomenal. The national average increase has been 300%; locally, it is 600%. We now offer five years of French, three years of Spanish, German, and Latin. As the numbers increase, the latter three will be offered four years.

Mathematics: In keeping with the current trend toward modernization of mathematics in the nation's schools, Wilmington has virtually completed its reorganization with the adoption of eleven new texts for the 1965-66 school year. The last phase will be completed by September, 1966.

The advanced placement program in mathematics was completed with the introduction of a class in calculus for seniors under the direction of Mr. Francis Kelley.

Music: One hundred fourteen were enrolled in the elementary instrumental program (grades 4-6), 35 were in the junior band, and 60 were in the senior band. Only lack of staff prevented the music theory and appreciation groups and the choral performing groups from having substantial increases in size. This condition will be partially alleviated next year with the addition of another teacher to the staff.

Physical Education: This past fall the physical education staff administered a physical fitness test to 421 high school boys. The test is similar to the one given by the United States Marine Corps. It is being used to determine where the youth of Wilmington High School rank with youth from other high schools throughout the nation. At this writing, we are waiting for the scores and results. When they are received, they will be made public.

Freshman baseball and basketball were added to the list of sports calling for participation in the Merrimack Valley Conference.

Science: The increase in the high school enrollment is reflected in the number of science courses being offered. Two classes in chemistry were added this year bringing the total to six. A second class of physics was inaugurated, and chemistry has been made a prerequisite for biology II.

Dr. Elene Farello was successful in obtaining the approval of two N. D. E. A. projects which enabled us to acquire additional equipment and materials.

Social Studies: The staff has been working on curriculum revision materials, and their findings and recommendations should be forthcoming shortly.

The Class of 1965: The most recent survey reveals that graduates of the Class of 1965 are engaged as follows:

	Boys	Girls	Total	Per Cent
4 Year Colleges	49	33	82	38
Junior Colleges	5	4	9	4
Preparatory Schools	4	2	6	3
Business Schools	7	2	9	4
Technical Schools	8	3	11	5
Nursing Schools	0	5	5	2
Armed Services	10	1	11	5
To the Working Force	34	49	83	39
TOTALS			216	100

Looking Ahead: We anticipate beginning a program of automation for Business Education; establishing advanced placement classes in English; increasing the scope of Reading; introducing golf, soccer, indoor track, and wrestling as varsity sports; possibly expanding the work-study program; and planning for the addition to the high school plant, with a view of implementing the long range recommendations of the Visiting Committee regarding school plant.

SYSTEM-WIDE ACCOMPLISHMENTS

Important accomplishments of the total school operation during the past year are as follows:

1. Wilmington schools gained regional recognition for their participation in the University of New Hampshire Art Exhibit.
2. Substantial increases in book collections for the high school library, the intermediate school library, and the elementary classroom collections were possible. Total circulation in the high school library was 27,615, total volumes 8,364.
3. The Health Department Staff administered 4,048 eye tests, 4,045 ear tests, and 1,329 general physical examinations; made 1,157 school visits, 228 home visits, and 1,728 telephone contacts; continued the Tine testing program for tuberculosis for 455 grade one pupils; formed a senior high school future nurses club; and gave lectures and demonstrations relative to body care, proper attire, and the ill effects of smoking to pupils in the secondary schools.
4. The summer school program reached a total of 540 for the session with courses being offered in arithmetic, algebra, reading, Spanish, French, English, typewriting, history, and driver education.
5. Part One of a Staff Handbook was published; its purpose is to improve articulation between the staff, the administration, and the School Committee regarding rules, regulations, and policies governing the operation of the public schools. This is a prodigious task; but the committee of teachers, under the direction of Mr. Walter Pierce and Miss Tirzah Krey, Co-chairmen, is equal to it.
6. Our children in the Special Classes profited by the purchase of new texts in arithmetic, spelling and reading; the acquisition of new equipment; and the start of room libraries.

The foregoing, though statistical and routine in nature, represent solid success in the overall progress of the public school program.

To conclude: The immediate future of the public schools in Wilmington will not be without its problems. They are not new problems, just more accentuated -- problems of population growth, curriculum, staffing, conditions of employment, antequated schools, ability grouping, and marking -- to mention a few. They will not defy solution as long as the fine spirit of cooperation between school and town continues as it has in the past.

We are indebted and grateful to you, the members of the School Committee, and to the citizens of Wilmington for the advice and the assistance tendered to us this past year.

SCHOOL COMMITTEE

To the Citizens of Wilmington:

The School Committee of the Town of Wilmington, in accordance with Chapter 72, Section 4, of the General Laws of the Commonwealth of Massachusetts, herewith presents its report for the year 1965.

The membership of the Committee was as follows:

Richard E. Keane, Chairman
Glen E. Connolly, Vice Chairman
George G. Robertie, Secretary
Arthur J. Brewster
John F. Hartnett
Arthur V. Lynch

The Highlights: It has been a year of substantial progress in the growth of the Wilmington Public Schools - progress in which all citizens can take pride. Working together with 195 members of the professional staff, 3 nurses, 2 doctors, 10 secretaries, 22 custodians, 35 cafeteria employees, 13 traffic supervisors, 14 bus drivers, 1 attendance officer, and 4,300 pupils housed in thirteen schools, the Committee:

- 1) Sponsored a Head Start Program under the federal Economic Opportunity Act of 1965. The Wilmington program was one of the first and one of the best organized in the state.
- 2) Continued to support and encourage refinements in the Work-Study Program in the high school.
- 3) Initiated action to acquire two sites to meet future school building needs.
- 4) Adopted new textbooks in mathematics, foreign languages, homemaking, industrial arts, and English.
- 5) Approved a language seminar for the secondary English teachers.
- 6) Conducted Workshops in mathematics and science for the elementary teachers.
- 7) Worked closely and effectively with the Regional Vocational School District Planning Committee to bring about favorable town meeting action on the need for a regional vocational-technical high school to serve the towns of Bedford, Billerica, Burlington, Tewksbury, and Wilmington.
- 8) Approved National Defense Education Act projects in reading, social studies, science, and industrial arts, all geared to improving existing programs.
- 9) Approved a course in calculus for high school seniors of superior ability in mathematics.

- 10) Continued the expansion of guidance services in grades seven through twelve.
- 11) Completed Part One of a Staff Handbook designed to furnish the teachers, the administrators, and the supervisors with information concerning the policies and regulations of the Wilmington Public Schools.
- 12) Established a liberal sabbatical leave policy for teachers to pursue advanced study.

Your attention is respectfully directed to the Annual Report of the Superintendent of Schools for the details and the status regarding many of these accomplishments.

The Staff: One dedicated and highly respected member of the Wilmington High School Faculty retired in June, after 46 years of faithful service to the Youth of Wilmington. Miss Laura N. Marland, a graduate of Jackson College in 1919, gave unsparingly of herself and her time so that our young people might grow in knowledge and in maturity. As a token of the esteem in which she was held by the students, the parents, and the teachers, and in appreciation of her outstanding service to the community, the Committee unanimously voted that the high school library be named "The Laura N. Marland Library," and also that a portrait of her be hung in an appropriate place in the library.

Looking ahead to the opening of the new West Intermediate School in September, 1966, and the many preparations attendant upon such an undertaking, the Committee named Robert F. Barrett, Supervising Principal of the Glen Road District, as the principal of the new school. The Committee will fill his former position in the latter part of the 1965-66 school year.

During the year, the Committee elected 23 teachers to tenure, appointed 23 teachers to fill staff vacancies, granted 1 leave of absence, and accepted 23 resignations. The latter were for the following reasons:

5	Maternity
1	Matrimony
7	Other Teaching Positions
7	Personal and Family Responsibilities
2	Graduate Study
1	Other

The annual study of such personnel statistics continues to make the recruiting, the selection, and the induction of new teachers and the development of programs to keep veteran teachers up to date prime responsibilities of the School Committee and the School Administration.

In Memoriam: A painful loss to the teaching ranks and to the young children of Wilmington was the passing of Mrs. Mary A. Sweet, a member of the Boutwell School Faculty for the past five years and prior to that a member of the staffs of other Wilmington Public Schools for seven years. Her untimely death on the last day of 1965 saddened all who came to know her and to love her as a teacher, as a counselor, and as a friend. She will be sorely missed.

The Budget: An often used factor for determining the quality of a program of education is the cost per pupil. This is done on the assumption that the more a community spends for education, the higher the quality of the program and vice versa. In Wilmington, for the year ending June 30, 1965, the per pupil cost was approximately \$388.00, slightly below average for the state. The Committee feels that although the per pupil expenditure may be below average, our educational effectiveness is above average. This favorable condition cannot continue much longer, however, lest the below average expenditure will be reflecting a below average program--particularly in the area of special services, special education, art, music, and the practical arts. To meet this threat, the Committee approved a budget of \$1,718,037.61 for 1966, an increase of almost \$200,000 or 13% over the 1965 budget. The Committee recognizes that this sum will necessarily affect the 1966 tax rate, but feels strongly that to do less would seriously

compromise their responsibility to the children of Wilmington.

In Conclusion: Schools were in session 180 days beginning September 8, 1964, and ending June 21, 1965. The Committee held twenty-two regular meetings and three special meetings during the year.

The School Committee extends its grateful and sincere appreciation to the members of the School Department, to the members of the various town departments, and to the many parent volunteers for the continued support and cooperation given to the public school program throughout the year.

REGIONAL VOCATIONAL SCHOOL DISTRICT

REGIONAL VOCATIONAL SCHOOL DISTRICT PLANNING COMMITTEE

This committee was created by vote of the Town on October 5, 1964, in accordance with Chapter 71 of the General Laws. The membership of the committee was as follows:

Mr. Richard E. Keane, Chairman (School Committee Member)
Mr. Bernard P. McMahon, Treasurer
Mr. Richard C. Pelletier, Secretary

The Committee joined with comparable committees from Bedford, Billerica, Burlington, and Tewksbury to form a Regional Vocational School District Planning Board.

This Regional Planning Board reviewed a study made by the Massachusetts Department of Education, Division of Vocational Education. It consulted the School Building Assistance Commission. It conferred with guidance directors and counselors from each town; met with many leaders of industry and business; conducted surveys; and consulted bankers and bond counselors. It investigated the availability of state and federal financial assistance and studied the advisability of establishing a Regional School District for the purpose of offering vocational education.

As a result of this planning, a formal agreement was prepared and submitted to the Board of Selectmen, along with a printed brochure and a recommendation that the Town join in the formation of a regional school district. The agreement provides for the formation of an initial school committee and election of Wilmington members in 1967 and 1968. It stipulates that the regional district school shall be a vocational high school for grades 9 through 12 with technical courses beyond the secondary school level. It outlines a method of apportioning capital and operating costs among the member towns, as well as preparation of district budgets. It also provides for amendments, admission and withdrawal of towns, and many other details.

On October 25, 1965, the Special Town Meeting voted to accept the provisions of Sections 16 to 16 I of Chapter 71 of the General Laws, providing for the establishment of a regional school district together with the towns of Bedford, Billerica, Burlington, and Tewksbury, and the construction, maintenance and operation of a regional school in accordance with the provisions of the agreement.

By November 16, 1965, all five towns had voted to form a Regional Vocational School District. By November 26, 1965, the initial Regional School Committee members had been appointed and on November 29, 1965, the new committee held its organizational meeting.

The Wilmington Regional Vocational School District Planning Committee wishes to thank the many, many people who were so helpful and cooperative during the many months of this study. We sincerely appreciate the confidence and overwhelming support shown by the voters of Wilmington.

TOWN ENGINEER

The Engineering Department personnel was increased to three men for the period between May 24, and the end of the year. These consisted of the Town Engineer and two students from Northeastern University, working under the co-operative plan. It is now possible to perform the field work whenever weather conditions permit, and also, during the time that it is necessary to leave one man in the office to take care of the demands of the public and other accumulated work.

During the year, the headquarters of the Engineering Department were moved from the Town Hall, to the Highway Department office, where more suitable quarters were available.

The survey to determine ownership and perimeter, area, etc. of a parcel of land located on the west side of Main Street, and the Wilmington-Woburn town line, scheduled to be used as a town dump, was completed. The plans were submitted to the Land Court to clear the confused ownership titles. The surveys to establish more co-ordinate points related to the State of Massachusetts Co-ordinate system were continued. This will facilitate future surveys throughout the whole town. Surveys were also made for Clark Street and Garden Avenue. Cost estimates were given as well as lines and grades established in connection with the sidewalk program. Street lines were staked out for Woodside Avenue and Robin Road, before the water lines were laid by the Water Department. Lines and grades were given for work performed by the Highway and School Maintenance Departments, and for Nunn Road for construction purposes. Street lines were established for the extension of Ainsworth Road in order to clear the area. Surveys were made to replace the intersection points of the street line with the property lines which were destroyed several years ago when Park Street was widened and the road built with Chapter 90 funds. Computations will be made during the winter months and the points replaced when weather permits. Roosevelt Road was also staked out for the Highway Department. The wells, right of way, and property lines, were located in the Barrows Well Field, for the Water Department. Measurements were taken to draw up the plan and to estimate the cost of building Oak Court under the Betterment Act. A start has been made to establish the perimeter or the boundaries of the Wildwood Cemetery, which have been in question for years, and to make a plan of the area for recording purposes.

The active subdivisions include Jackson Heights #2, off Shawsheen Avenue; Forest Park, off Salem Street; Hathaway Acres Extension, off Gunderson Road; Esquire Estates, off Marie Drive; Alderwood Estates, off Woburn Street; Ferguson Subdivision, off Lowell Street; Signore Development, off Salem Street; DeCarolis Subdivision or the extension of Marcia Road, the industrial subdivision off Concord Street; and Dell Manor and Roberts Estates, off Burlington Avenue.

Drainage conditions on Linda Road, Thurston Avenue, Middlesex Avenue near Polcaro Bros., Kendall Street, at its intersection, with Aldrich Road and other locations were corrected and easements taken when necessary.

TREE DEPARTMENT

TREE DEPARTMENT:

Throughout this year as in previous years this department carried on with their never ending job of tree removal. Our major problem is the Dutch Elm disease. This dreaded tree disease was the direct cause of the Town of Wilmington losing well over 80 Elms. These trees are taken to the town tree dump and burned to help prevent further infection to other Elms. We trimmed low limbs, removed broken limbs and tree tops plus continuation of trimming branches around the fire alarm system. The emergency calls were above average this year; this is largely due to high winds and the current lack of rain we are experiencing at this time. Trees were removed in various areas of the town adjacent to schools. This was necessary for the preparation of sidewalks to help insure the safety of our school children. Our tree feeding program was continued this year; 93 trees were treated.

This department received two new pieces of equipment this year--a skyworker and a brush chipper. These two additions have added greatly to the safety and the efficiency of this department.

Our Christmas tree on the common which has been permanently planted, was decorated by this department under the direct supervision of the Tree Warden. This tree was donated to the town by the late Herbert C. Barrows.

MOTH DEPARTMENT:

All shade trees were sprayed with 12% and 6% D. D. T. This spray is intended for gypsy moth, tent caterpillar, fall web worms, aphids, pine shoot moth, oak blights, maple leafspot and dieback. All front lawns were sprayed with 6% D. D. T. for japanese beetle and milky disease.

ELM LEAF BEETLE AND DUTCH ELM DISEASE:

The elm leaf beetle spraying program starts in April and continues into August. This year 80 trees were lost due to this disease. One hundred and twenty-five samples were sent to Amherst State College for examination; eighty came back as infected. Employees of the State Tree Department and the Town of Wilmington Highway Department assisted in the removal and burning of these diseased trees. The State furnished men, trucks and equipment for three weeks at no cost to the town. Our tree replacement program was continued. Two hundred trees were planted throughout the town. All stumps were removed wherever practicable to prevent road and pedestrian hazards.

MOSQUITOES:

Homes, swamps and bog areas were sprayed again this year which is the usual practice of your tree department. I would like to have it known at this time, that the members of your Tree Department have taken a written examination and passed same. This examination is issued by the Commonwealth of Massachusetts Department of Public Health, Pesticide Board. The members of this department have been licensed to apply pesticides. This examination is regarded as an educational program designed to present certain facts, concepts and attitudes to those who use pesticides. Knowledge and adherence to these principles will enable us who use pesticides to employ them with safety to ourselves and the general public.

TOWN FOREST:

The town forest has been cleared of underbrush, dead trees have been removed and dangerous limbs have been cut. It was necessary to remove certain trees to make way for the town's new ski slope and toboggan slide. Over three hundred Norway Spruce seedlings were planted throughout the area. The road around the forest has been cleared.

POISON IVY:

All emergency calls for poison ivy were answered as soon as possible and the immediate trouble spot was sprayed. Poison Ivy was very prevalent this year. Brush killer was sprayed on stone walls, streets and around homes whereever poison ivy was found.

RECREATION COMMISSION

On behalf of the Recreation Commission, I hereby submit the annual report for 1965:

The rapid growth of this town has been reflected in the ever increasing numbers taking part in recreation for all ages. The Town Beach and the Summer Playgrounds especially indicate this trend as supported by statistics given by program records as follows:

<u>RECREATION AREA</u>	<u>numbers enrolled</u>	<u>daily average</u>	<u>Supervisor</u>	<u>School Attending</u>
Town Beach	15,000	750	Mr. Allard	Boston Univ.
High School	225	47	Miss Sullivan	Lowell State
High School (boys)	75	27	Mr. Ritchie	Univ. of Mass.
Glen Rd. School	252	65	Miss Baldwin	Salem State
N. Intermediate	235	53	Miss Canelas	Lowell State
Boutwell	185	47	Miss Balch	Salem State
	<u>15,972</u>	<u>989</u>		

Supervisor of playgrounds, Miss Betsy Flight, Salem State College

Improvements have been realized at three different locations. The ski area at the town park; the new bathhouse at the Town Beach; and the inclusion of a lighting system for the tennis courts, basketball, and skating rink at the high school area.

Although it was estimated that more than 400 persons have used the ski area at one time, official data is not available at this time. However, future programs of skiing, tobogganning, and coasting will be available for your information.

We are grateful to the School Committee, the Highway Department, and the Police Department for their cooperation in making a worthwhile program possible.

BUILDING INSPECTOR

Building Permits were issued as follows:

	1963 No.	1963 Valuation	1964 No.	1964 Valuation	1965 No.	1965 Valuation
Dwellings	154	\$2,039,700	185	\$2,406,900	134	\$1,780,510
Residential Garages	13	20,450	10	18,900	14	19,450
Alterations & Repairs (Residential)	72	116,650	65	106,250	52	64,700
TOTAL:		2,176,800		2,532,050		1,864,660
Industrial Buildings	12	400,300	8	376,000	9	2,073,000
Commercial Garages			2	21,500	1	13,000
Office Buildings	1	5,800			3	101,000
Utility Buildings	1	8,000	1	165,000		
Public Buildings	1	85,000				
Sheds, Barns, etc.	4	3,900	3	4,900		
Stores	7	295,150	3	148,000	5	149,000
Structures	3	3,900			7	7,850
Additions & Alterations (Non-residential)	8	65,050	29	125,500	19	39,050
Elevator					1	3,800
Service Station			1	14,000		
Recreation			2	31,000		
		868,100		885,900		2,386,700
Schools	1	500,000			1	1,200,000
Religious			1	4,000		
TOTAL:		3,544,900		3,421,950		5,451,360
Renewals	12		23		42	
Demolition	15		16		16	
Fire Damage & Repairs	4		6		5	
Other					3	
	310		355		312	

Report of fees received and turned over to the Treasurer:

Building Permits	310	1,462.00	355	1,681.00	312	1,380.00
Plumbing Permits	169	1,265.00	222	1,667.50	190	1,538.50
Gas Fitting Permits	43	256.00	41	370.00	110	652.00
Wiring Permits	325	1,669.15	382	2,045.20	315	1,635.15
		4,652.15		5,763.70		5,205.65

The duties of the Building Inspector have been performed these three years to the extent possible under the appropriations voted and the facilities furnished.

The number of building permits for new dwellings issued during each of the past 15 years is as follows:

1951	151	1956	113	1961	95
1952	155	1957	137	1962	123
1953	173	1958	136 + Housing for Elderly 40	1963	154
1954	167	1959	110	1964	185
1955	185	1960	93	1965	134

Note the peak number in 1955. The years immediately following 1955 show the effect of the more stringent local zoning by-laws effective December 16, 1955. (John "Bob" Evans, who retired this year, was the last of the Planning Board members who "pushed" that rezoning.)

By Chapter 435, Acts 1961, the Legislature amended Ch. 40A GL (sec. 5A & 7A) so that notwithstanding the provisions of a zoning by-law in such town, a lot may be built upon for residential use provided such lot had an area of 5,000 square feet and a frontage of 50 feet and conformed with certain other requirements spelled out in Ch. 435.

There are now before the Legislature, bills further "liberalizing" zoning restrictions statewide; no doubt action on it will be in accordance with the will of the voters as made known to the Legislators.

PERMANENT BUILDING COMMITTEE

In compliance with the Town's vote authorizing the committee to proceed, and with the professional advice of superintendent Shea and its architectural consultant, the Permanent Building Committee has undertaken the designing, planning, constructing and equipping of the West Intermediate School which is scheduled for occupancy in September of 1966.

In conjunction with the Board of Library Trustees, a program planning consultant and an architectural consultant, the committee is presently pursuing the study of design and cost estimates of a new municipal library with the results of this study to be submitted to the voters at the annual town meeting in March of 1966.

Consistent with its duties, the committee has recommended and has had accepted by the voters, two future school sites, one in the Shawsheen Avenue area and one in the Whitefield School area. Several other sites are presently under consideration to meet additional school accommodation requirements.

The committee is pleased to inform the Town that although other communities have received reduced percentages of reimbursements on school construction, Wilmington will continue to receive fifty per cent of the principal cost of construction. It is also most gratifying for the committee to cooperate with the Town Treasurer in investing the school bond issue money, thus helping to reduce some of the Town's expenses.

At this time, the committee extends its most sincere appreciation to all of the town's officials, boards and committees for the cooperation shown during the past year.

PLANNING BOARD

The progressive theme of government in the Town of Wilmington, during recent years, has developed an increasing complexity to its Boards, Committees and Commissions. The adoption of the provisions of Chapter 41, General Laws, Section 81-A through 81-GG has made the year 1965 one of the most active for the Planning Board. The scope and variety of the Town's responsibilities in sub-divisions pertaining to drainage, streets and circulation has taxed much of available time of the board members.

Keeping pace with the residential and industrial growth of the community, the areas that have demanded the greatest attention of the board, during 1965, are as follows:

Subdivisions:

The following subdivisions, reviewed and evaluated to current subdivision control regulations, have come under consideration of the Planning Board in the past year:

Forest Park	developed by Jackson Bros.
Jackson Heights No. 2	developed by Jackson Bros.
Hathaway Acres No. 2	developed by A. P. Rounds
Esquire Estates	developed by Kenneth Scribner
Presidential Heights	developed by David Newhouse
Alderwood Estates	developed by S. McFarland & Sons
Dell Manor	developed by Sydney Rosenthal
Elmwood Village	developed by Vokey & Parsons
Roberts Estates	developed by Weston Realty
Pinewood Subdivision	developed by NES Construction
Maple Manor	developed by Angellini Bros.
DeCarolis Subdivision	developed by Tonello Bros.

Numerous other plans appeared before the Board for approval of individual lots.

Zoning:

Each Town Meeting brings forth a new set of suggested zoning changes. Each of these changes requires advertising and is subsequently given a public hearing. The Planning Board must then analyze and evaluate the results of the hearing in order to prepare a report for the Town Meeting.

The integrated planning concept of the Board necessitates careful and due consideration of existing land use, conservation of land and building values, traffic, drainage, street layout, water mains, easements and numerous other facets that establish an appropriate use of the land.

Undoubtedly, the most important zoning event of the year was a proposed industrial subdivision by Carl Realty, which required a rezoning of 180 acres of residential land in the Concord Street (Route 93) area. The completion of building in this area could add an approximate \$30,000,000 to the Town's tax base.

As an effort to safeguard future land use values in the town, it was proposed that land in the Route 125 area be rezoned from industrial to rural. However, it was discovered during the public hearing that industrial development is contemplated and the proposal was passed over to await further developments.

Planning:

The regular bi-monthly meetings of the Planning Board have proven inadequate to meet the pressing demands imposed by subdividers, builders and numerous organizations and individuals that require the services of the board. Weekly meetings have been initiated in order that work could be accomplished in planning studies. Industry in Wilmington recognized the Planning Board's problems and donated \$8,000 to the Board. This was matched by an equal amount from the people of the community.

To keep pace with the growth of the community and the increasing complexity in the overall Planning Board functions, the Board is considering the streamlining and modernization of its operating policies and procedures. Tentative plans have been discussed and are presently being implemented for:

1. Employment of a professional consultant to assist in routine reviews and studies utilizing the funds donated by industry and matched by the townspeople. Projects already completed or underway are as follows:
 - a. Zoning By-Law and Map--updated
 - b. Suggested revision of off-street parking regulation for the Zoning By-Law
 - c. Driveway By-Law ordinance
 - d. Subdivision regulation--revised
 - e. Addition of Industrial subdivision regulation
 - f. Town base map--revised and updated
 - g. Revised specifications to subdivision rules and regulations
2. Closer and increased utilization of the Town Engineer and his office, in the inspection of subdivision development and a methodical preview of the plans and adherence to the zoning by-laws of subdivision plats.
3. The adoption of subcommittees to permit a division of work load.
4. Town management has been solicited to provide more efficient conditions in the Planning Board's Meeting Room by providing a desk, file cabinets and other necessary equipment.

Plans for the future evolve from the fact that the Planning Board has recognized the need for a revised General Plan. Predictions of the 1957 General Plan are now proving fallacious in many areas. Railroads predicted to be here to stay --- no longer operate to predicted schedule. The design of a bedroom community to house the workers and employees of Boston industry has been shattered by the influx of Wilmington industrial and commercial plazas. Predicted population growth was very conservatively estimated. Traffic has increased and patterns have changed. The fundamental and critical need for a comprehensive review has been recognized by the Planning Board. Its objectives for the next calendar year include as a prelude to formulating a General Plan some basic planning studies. These are:

1. Existing land use
2. Population analysis and projections
3. Economic development
4. Establishment of additional planning districts
5. Major street and transportation plan
6. Recreation areas
7. Public building and appearance plan
8. Capital improvement program

The cooperation of many involved in community affairs is necessary to make the future growth of our community compatible to the interests of our property holders and taxpayers. In an effort to be representative of the Town, the Board welcomes all suggestions and recommendations from the people of Wilmington and ask for their support in order to provide a healthful, progressive and attractive community.

TOWN COLLECTOR

In past years, much of my report has been duplicated in the report of the Town Accountant. I am, therefore, showing just a few figures, as a comparison, which may be of interest to the general public.

	<u>Warrants</u>	<u>Collections</u>
1965 Personal Property and Real Estate taxes	2,709,036.40	2,428,395.70
1964 Personal Property and Real Estate taxes	2,574,645.35	2,147,415.58
Increase in 1965	134,391.05	280,980.12
1965 Excise	314,100.56	260,072.51
1964 Excise	291,970.46	234,481.83
Increase in 1965	22,130.10	25,590.68

Total collections in 1965, including water liens, water and street betterments, etc., but excluding Water Department collections, amount to \$3,104,576.40, or an increase of \$535,155.16 over 1964 collections of \$2,569,421.24.

All abatements, refunds and balances may be found in the Town Accountant's report.

All persons who have received notices of cancellation of plates from the Registry of Motor Vehicles should make certain that they have obtained a release from this department. This release should be filed immediately with the Registry upon payment of their tax.

BOARD OF REGISTRARS

In accordance with Section 1, Chapter 3, of the Town By-Laws, meetings of the Board of Registrars are held on the second Monday of each month for the registration of voters and the conduct of business. Under Chapter 626 of the acts of 1958, this meeting is open to the public and the press and is so posted in the Town Hall.

The Board also holds many extra meetings for the purpose of certifying names on nomination papers and warrant articles. There were three (3) all-day registration periods this year.

In March Miss Phyllis M. O'Leary advised the Selectmen that she would be unable to continue her work on this committee due to business commitments. Mrs. Margaret Imbimbo was appointed to fill this vacancy and was sworn to the faithful performance of her duties on March 29, 1965.

On August 13, 1965, Mrs. Margaret A. Wagstaff was appointed Assistant Town Clerk, (for an indefinite period) and therefor by virtue of her office has the right to register voters and all other related work for the Board of Registrars.

Women married prior to January 1 must re-register under their marriage name. Naturalized citizens must have their naturalization papers with them when registering.

New residents are requested to notify the Board of Registrars of the date which they take residence in the town. Any change of address within the town during the year should be brought to the attention of the Board so that your name will not be removed from the voting list inadvertently.

In order to keep the voting list as up-to-date as possible, the Board annually compares the voting list with the yearly census. If a voter's name does not appear in the census, it is subject to removal from the voting register.

POPULATION... January 1965 (15,261)

Dogs listed by registrars... January 1965 (1,666)

REGISTERED VOTERS AS OF NOVEMBER 2, 1965

Democrats	2150
Republicans.....	1045
Unenrolled	3101
Total voters.....	6296

BOARD OF HEALTH

Board of Health:

Mrs. Marion Boylen, Chairman
Mr. James Durkee
Mr. Joseph Paglia

Personnel:

Ernest F. Romano, M. S. P. H., Director
Anne Butters, R. N., Public Health Nurse
Gerald Fagan, M. D., Public Health Physician
Leo LeBlanc, Animal & Slaughtering Inspector
Simon Cutter, Legal Consultant
Mrs. Mae Levaas, Clerk
Mrs. Eleanor Hovey, Dental Hygienist

In March of 1965, the Board of Health assumed the responsibility of the Dental Health Program in the schools. Prior to this, the program was supported by funds from the Community Chest and a nominal charge to students.

No fee is now charged on advice of Town Counsel. Dental services are available to any child in grades II, III, V and VIII upon request.

The dental program, which is considered one of the best in Massachusetts, consists of cleaning of teeth, dental examinations and the topical application of fluorides. Dental Health Education is an integral part of the program. 850 children were processed during the year.

Personnel Changes:

Mr. Augustus Walker, former Chairman and member for eight years resigned, due to change in residence. The Board gratefully acknowledges the capable services of Mr. Walker during his long tenure in office.

Mr. James Durkee and Mr. Paglia were appointed to the Board. Mrs. Marion Boylen was named Chairman and Mr. Ernest Romano, Director.

Mrs. Mae Levaas was employed as part time clerk and Mrs. Eleanor Hovey as Dental Hygienist.

A. Communicable Disease Control:

1. Monthly Immunization Clinic:

Nine clinics were conducted during 1965. Due to the inadequacy of the Public Health Nurse's office, the clinic was moved to Villanova Hall. This clinic is available to all preschool children.

	1965	1964
Total attendance	342	327

Two smallpox clinics for children about to enter school were held during which sixty-two children were vaccinated.

2. Tetanus-Diphtheria Clinic (Adult):

A series of adult, Sunday clinics were held this fall for Tetanus-Diphtheria immunization.

A health education campaign was started in the spring in conjunction with this program. All available media, including posters, flyers, news releases and radio, were utilized during the year to insure a large participation.

Total attendance	519
------------------	-----

3. Anti-Rabies Clinic:

The dog immunization clinic was held on May 21, 1965. Dr. Gardiner Lester, D. V. M., administered the vaccine. Nine rabid bats have been reported in Massachusetts since 1961.

Dogs Immunized	1965 592	1964 562
----------------	-------------	-------------

A total of \$592.00 was collected as inoculation fees. This amount covered expenses of the clinic.

4. Tuberculosis Control:

In March 455 children in the first grade were tine tested. Six children showed positive reactions. Of these, four had positive Mantoux tests and were placed on prophylactic treatment for one year.

	1965	1964
Total number of active cases on register 12/31/65.....	12	8
Total number of new cases reported during year.....	5	3
Total number of reactivated cases	1	1
Total number of cases moved away	1	5
Total number of cases moved to town	1	-
Total number of cases placed on inactive list	-	2
Total number of cases hospitalized during year	8	3
Total number of cases hospitalized as of 12/31/65.....	1	-

5. Diabetes Control:

During 1965, the Board again participated in a diabetes detection program. Posters and free test kits were made available at all five drug stores.

6. Project Head Start:

The Board of Health participated in the program by making available the services of the Public Health Nurse, Dental Hygienist and Public Health Physician.

Physical examinations and immunizations were given as part of the overall Health Program.

B. Public Health Nursing:

1. Premature Births:

	<u>1965</u>	<u>1964</u>
Reported	22	17
Financial Assistance	\$528.00	\$516.00
State Reimbursement	264.00	258.00

2. Day Care Centers:

One new center was licensed during the year bringing total number to three.

3. Morbidity Service:

Nursing visits in 1965	661
Fees Collected	\$295.00

4. General Health Visits:

A total of 221 visits were made in the interest and promotion of the general health of the community.

C. Environmental Health:

1. Water Supply:

A total of 91 well water samples were analyzed at Board of Health laboratory as compared with 69 in 1964. Wells should be tested every six months. This service is available free of charge.

2. Sewage Disposal Sanitation:

A total of 181 sewerage permits were issued in 1965. Fees totaled \$892.00.

	<u>1965</u>	<u>1964</u>
Total Sewerage Permits Issued	188	222
New Dwellings	143	168
Old dwellings	37	43
Commercial	4	8
Industrial	4	3

The Board passed a regulation requiring 100% reserve area for expansion of sewerage systems.

One subdivision was approved during the year.

3. Milk Sanitation:

	<u>1965</u>	<u>1964</u>
Dairies Licensed	20	20
Milk & Cream Analysis	83	26
Stores Licensed to Sell Milk	34	29

4. Permits & Licenses:

The following were issued. Fees totaled \$1285.00.

	1965	1964
Food Permits	40	35
Sewerage Permits	188	222
Milk Dairy Licenses	20	20
Milk Dairy Stores	34	29
Recreational Camps	2	2
Kindergartens	3	2
Piggeries	9	9
Funeral Directing	4	3
Ice Cream Manufacture (Retail)	4	1
Ice Cream Manufacture (Wholesale)	1	1
Refuse Transportation	21	18
Stable Licenses	12	11
Oleomargarine	6	7

5. Food Sanitation:

On January 1, 1965, Article X, Minimum Sanitation Standards for food service establishments became effective. Each food establishment was given a copy of the new code.

One hearing was held by the Board for non-conformance of these regulations.

Periodic inspections were made of all food establishments in town. These are also now being made at the request of the Selectmen at the time of application of common victualler's licenses.

	<u>1965</u>	<u>1964</u>
Food Permits Issued	35	35

6. Refuse Disposal:

The dump and garbage contracts expire the early part of 1966. The Board has met with both contractors, with the hope of negotiating the contracts in the best interest of the town.

7. Recreation Area Sanitation:

Water samples were collected during the bathing season at Silver Lake. All samples conformed to suggested standards. The Board reissued camp licenses to both Camp Forty Acres and Millbrook Day Camp.

Swimming water analysed 26 samples

8. Miscellaneous Inspections:

Nuisances	65
Piggeries	12
Dumps	9
Recreation Camps	4

9. Legal Matters:

Court action was brought against the Board of Health and the Health Agent by an out of town builder for refusal to issue four sewerage permits on small lots. The Court upheld the action of the Board.

Five cases were referred to Legal Counsel for court action by the Board.

The Board wishes to thank Father Croke for the use of Villanova Hall, now being used for the monthly preschool clinic and to the School Department, School Nurses, Dr. Mobbs and all the other volunteers who assisted in the adult Tetanus Clinics. Without this help we would not be able to conduct these very worthwhile clinics.

ANIMAL INSPECTOR

Dog Bites Reported	141
Dogs Showing Physical Signs of Rabies	0
Animals Submitted to Laboratory for Examination (All biting animals were quarantined for the period of time prescribed by law.)	0

TOTAL 7,814.50

BOARD OF PUBLIC WELFARE

The Wilmington Board of Public Welfare respectfully submits its Annual Report for the year 1965. The Board consists of Mr. Maurice O'Neil, Chairman of the Board, Miss Florence Balkus and Mrs. Anna L. as members of the Board.

The four full time employees of the Board are Walter F. Coleman, the Director of Public Assistance, who also serves as secretary to the Board, Miss Josephine Kane and Mrs. Dorothy Staffier, the Social Workers and Mrs. Irene Manning is the Clerk-Typist. All employees of the Welfare Board are hired under the Merit System and have Civil Service status, which is required under the law.

The five categories of assistance under the supervision of the Board of Public Welfare are: General Relief, Aid to Families with Dependent Children, Disability Assistance, Old Age Assistance, and Medical Assistance for the Aged. The last four categories come under the Department of Health, Education and Welfare and are reimbursed by the Federal and State governments for the greater part of the aid rendered. General Relief is supported jointly by the State and Local governments with the Town assuming the greater share.

The combined efforts of the Federal, State and Local governments provide assistance to families and individuals who cannot support themselves.

Strong emphasis now stems from the Federal Government for increased social services to rehabilitate dependent persons and families. It has become increasingly evident that money alone is not enough to meet the serious social and economic problems of those in need. We must try to prevent the succeeding generation from inheriting the poverty of their parents, and through this expansion of social services help dependent people help themselves. Present-day programs of assistance must also be carried out in such a way as to strengthen family life, since the Community welfare is closely related to the social and economic status of its families.

It appears, at this time, that in a relatively few years, the State Department of Public Welfare will take over the full cost of all public assistance programs after Federal grants, plus the full supervision of these programs. This is the result of a study made by a National Survey Team which recently recommended full State participation and supervision.

We, as workers in Public Assistance, believe very strongly in local administration, for many reasons. To name a few: the close contact we have with our clients, the easy accessibility of our office to our clients if they are in need of advice or counseling, and the availability of the Director 24 hours a day if an emergency arises.

These services obviously will not prevail, if the local office is closed and embraced in a regional office.

Members of the Welfare Board again attended various conferences and workshops during 1965 for indoctrination on new laws, rules and policies affecting Welfare programs. Attendance at some of these conferences and workshops is mandatory by the State Department of Public Welfare to insure local communities of State and Federal funds.

OLD AGE ASSISTANCE

This category is a Federally-sponsored, State plan, administered by law through the local Boards of Public Welfare. The law requires local Boards to aid aged persons, sixty-five and over, who are in need and who have resided in Massachusetts for one year prior to application. Need is determined by applying budgetary standards set up by the State Department of Public Welfare. Some other requirements are personal property such as cash, savings bonds, etc., not to exceed \$500. Liens are placed on property if the applicant has an interest in such property.

During the past year the laws which most affected OAA was an increase in Leisure Time Activity from \$5.50 to \$11.50 monthly for this budget item. Another change in OAA was the disregard of earned income of approximately \$60.00 monthly over and above their budgetary needs.

The Federal Government reimburses local Boards \$54.00 per month for each case aided. The State pays two-thirds of the balance and the remainder is paid by the local community.

This Board, in its budget request, does not include the Federal share, as this amount, by law, is set up in a separate account and can be used only by the Board of Public Welfare for the Old Age Assistance program. The Board, in its budget request, must raise the State and Town's share. The State's payments are returned directly to the Town's Excess and Deficiency account and is used by the Town. The assessors, however, anticipate this reimbursement based on the prior year's returns, and it does not adversely affect the tax rate.

During the year 1965, 78 cases were aided under this program at a total cost of \$75,675.13.

AID TO FAMILIES WITH DEPENDENT CHILDREN

Aid to Families with Dependent Children is another Federally-sponsored category administered by law through the local Boards of Public Welfare to aid children that are deprived of parental support through desertion, mutual or legal separation, divorce, incarceration, death, disability, or unemployment of the parent.

During the year the law which most affected AFDC was the disregard of earned net income in the amount of \$15.00 weekly, which the parent could keep in addition to the full budgetary needs of the family.

The Federal reimbursement on this program is \$20.50 per person, State reimbursement is one-third of the total expenditure. The local community pays the balance for the aid rendered. The Board does not include the Federal share in its budget request. The Town must raise the State share and the local share, because the State's share is returned to the Town's Excess and Deficiency fund. There is no settlement required on this program. However, the children must have resided in the Commonwealth for one year prior to application.

During 1965 members of this Agency appeared in various Courts, a total of 59 times and were 98 per cent successful in all these appearances against delinquent fathers in our efforts to seek guilty judgments for non-support and subsequent support orders for their families. Receipts from this source amounted to \$12,819.88 for 1965, an increase of 6 per cent over 1964. During 1965, 50 families were aided under this category in Wilmington with a total expenditure of \$65,643.12.

DISABILITY ASSISTANCE

Disability Assistance is another Federally-sponsored State plan administered by law by the local Boards of Public Welfare. It requires the local Boards to aid persons who have been declared permanently and totally disabled by the Medical Review Team of the State Department of Public Welfare and who are in need. Need is determined by budgetary standards set by the Department of Public Welfare. The federal reimbursement for money expended in this category is \$46.50 a month per case, and the Town's

share is 25 per cent of the total cost each month. The balance is reimbursed by the State Department of Public Welfare. The same manner of financing is used as in Old Age Assistance and Aid to Families with Dependent Children.

During the year 1965, 21 cases were aided on this category. Total expenditure for 1965 was \$17,644. 10.

MEDICAL ASSISTANCE FOR THE AGED

Medical Assistance for the Aged is also a Federally-sponsored State plan administered by law by the local Boards of Public Welfare. This program was born in 1960 when changes made under the Social Security Act established this category under the Secretary of Health, Education and Welfare. The bill, as passed at that level, recognized a need for medical care for aged persons. It, as in other Federal and State programs, requires local Boards to aid persons over 65, who are medically indigent and reside in the Commonwealth. No settlement is required under this category.

Under Chapter 781 of the Acts of 1960 the other requirements briefly are as follows: Aged persons 65 or over, who reside in the Commonwealth, are entitled to medical assistance, provided they do not have an income, if single, of more than \$150.00 a month, or if married, \$225.00 a month, and providing further that if single they do not have bank deposits, securities, cash on hand and/or similar assets amounting to more than \$2,000, or if married, more than \$3,000. Persons eligible for this form of assistance shall be entitled to part or all of the cost of (1) in-patient hospital ward care; (2) public medical institution services; (3) nursing home care; (4) physician's services; (5) out-patient or clinical services; (6) nursing services; (7) physical therapy and related services; (8) dental services; (9) home health care services; (10) laboratory and x-ray services; (11) prescribed drugs, eye glasses, dentures and other prosthetic devices; (12) diagnostic screening and preventive services; (13) any other care or remedial care in accordance with the Department of Public Welfare Care Plan.

Reimbursement for care under this program is 50 per cent of all monies expended by the Federal Government, two thirds of the balance by the State, the remaining one-third balance to be assumed by the local community.

During the year 1965, 99 cases were aided on this program. Total expenditure for the year 1965 was \$81,374. 11.

GENERAL RELIEF

This program requires local Boards to meet the community's statutory obligation to relieve a person in need. The decisions on who shall be aided and the amount given is left entirely to the local Board's discretion. Unlike the Federal programs where the final decision rests with the State through an appeal process, the local Board makes the final decision. The local Boards, through their policies and decisions invariably attempt to reflect community thinking.

The State Department reimburses local communities for 20 per cent of the cost of General Relief. There is no settlement requirement on this program.

During the year 1965, 35 cases were aided under this category with a total expenditure of \$10,181. 99.

ADMINISTRATION

The reimbursement formula is as follows: For cases which require no special services and on all other Administration costs are 50 per cent by the Federal Government, 25 per cent by the State and the remaining 25 per cent to be paid by the local community. For cases that require special services, we receive an extra reimbursement for salaries and travel costs as follows: 75 per cent by the Federal Government, 12 1/2 per cent by the State and the remaining 12 1/2 per cent is paid by the local

community. Administration expenses applied to General Relief are not reimbursable, but these costs were only a small fraction of the total expenditure.

Administration costs cover all expenditures by the Board to administer the five programs under its jurisdiction; namely, Old Age Assistance, Medical Assistance for the Aged, Disability Assistance, Aid to Families with Dependent Children and General Relief. Federal funds, as in other programs, are restricted by law for the sole use of administration. The State's share is returned to the Excess and Deficiency Fund and is used by the Town for any purpose.

COMMENTS

Public Welfare Administration has been challenged at all levels this past year. During this evaluation process our whole structure is being subjected to scrutiny and alterations. We cannot be complacent, nor can we be oblivious to these changes.

In the event that the final decision is State administration, we are hopeful that it will not be political in nature, nor of a highly centralized bureaucratic power.

The State might also learn much from the policies and philosophy of local administration and hopefully make this a part of the new structure.

This report was prepared for the local Board of Public Welfare by its Director of Public Assistance, Walter F. Coleman.

VETERANS' AGENT

The Wilmington Veterans' Agent respectfully submits his Annual Report for the year 1965. James F. Banda, Veterans' Agent and Mrs. Vera F. Mills, Secretary.

It is governed by the General Laws, Chapter 115 with strict compliance to this Chapter, rules and policies set forth which governs the disbursement of aid.

Veterans' Services are for the benefit of the needy Veteran and his immediate family who have been subjected to unforeseen needs and final approval comes from Boston. Serving the year 1965, the Veterans' Services expended \$65,000. There was an increase in the number of cases handled, two increases in the budget from Boston and several increases in hospital rates and medical care. This year we had three unexpected hospital bills of over \$2,000 each. Of the amount expended, \$33,000 was for aid, \$22,000 for hospitals and \$10,000 for doctors, dental and miscellaneous expenses.

The Town of Wilmington receives 50 per cent reimbursement from the Commonwealth of Massachusetts.

The sum expended this year will remain approximately the same provided there are no increases.

CONSERVATION COMMISSION

This is the second Annual Report of the Commission and we have come a long way now that we are almost two years old. We are now at full strength with seven very active members. The Commission is made up of non-paid, interested citizens appointed by the Selectmen and Town Manager. We are charged with the responsibility of safeguarding, maintaining, and improving the community's natural resources. To accomplish our objectives we intend to solicit the aid of interested individuals and groups.

1. The Commission has expended a major effort on a Study of the feasibility of Flood Plain Zoning by-laws for the retention of absorption or "sponge" areas to slow run-off in Spring thaws or heavy storms. We have done detailed mapping, slide and motion picture work on the Town's brooks, streams and swamps. This is a continuing project with the Commission for 1966 since it requires great detail.
2. We have been very active in attempts to secure open spaces in the major sub-divisions of the town before the areas are completely built-up. The Commission has worked closely with the Selectmen, Town Manager, Planning Board and the Park and Recreation Commission in this project and expects favorable results early in 1966.
3. During the year, the Commission acquired a fisherman's access area along the Shawsheen River. Recently, with the assistance of two Boy Scout troops, the Commission cleared the area of fallen limbs, dead trees, bottles and cans.
4. We completed a Land Use Study Questionnaire of the Ipswich River Watershed for the Division of Conservation Services of the Department of Natural Resources. Follow-up has consisted of attendance at four meetings this year.
5. Initiated and completed a Spring Reforestation Program in which 2,000 Norway Spruce seedling were planted at the Chestnut Street Wellfield.
6. We presented a display on good conservation practices prior to and at the March Town Election and Town Meeting and distributed over 1,000 reprints of the Reader's Digest reprint "Conservation is Everybody's Battle."
7. The increased activity of the Commission required us in May to go from one meeting to two meetings per month, and at years end we find we could still use more meeting time each month.
8. The Commission sponsored two boys to the Massachusetts Junior Conservation Camp. The boys learned about fisheries and water conservation, soil conservation and forestry and wildlife management; plus hunting, fishing and boating tips and safety rules.
9. We investigated the feasibility of a detailed soil survey for Wilmington and found this would be of great value for school site selection, residential and industrial building, and water run-off characteristics. It was learned that this survey could be done on a cost-sharing basis under Federal 701 Funds if included in a new Planning Board Master Plan. We intend to follow this procedure up as Wilmington bears only one-sixth of the cost if the survey is done in this manner.

10. We have nearly completed an index of all town-owned, historical and open space areas within the town. The areas are on a Master Map of the town and are being transferred to assessing-type maps for finer detail.
11. The Commission was involved in the discussion and hearings on the commercial beach at Silver Lake and spent much effort on this because of the possibilities of violations of State Statutes.
12. We have worked with the Commissions from nearby towns on common interest items such as pollution and water needs along the Shawsheen and Ipswich Rivers. Other Commissions contacted include Bedford, Topsfield, Lynnfield and Billerica.
13. The Fall Reforestation Program saw 3,000 Norway Spruce, 1,000 Red Pine and 100 Arborvitae seedlings planted at the Chestnut Street and Brown's Crossing well fields and the Town Park fall field and well field areas. These plantings were done with the cooperation of Town Boy Scout Troops and the Water Department.
14. The Commission found this year that there is much field work to be done and in 1966 will solicit assistance from the four Boy Scout troops and, if possible, start a Volunteers Group from interested townspeople who would like to be helpful in community improvement and beautification.

HIGHWAY DEPARTMENT

As in the past, all regular routine work was completed before my regular highway maintenance and construction began, such as, street sweeping, cleaning catch basins and culverts, erection of street and traffic signs, fence repairing, brush cutting, repairing entrances to driveways damaged due to laying pipe for drainage, and street patching. Much of this work was done in conjunction with my expense account and Chapter 81 funds. 600 feet of snow fence was erected at the request of the Town Manager on the Woburn Street bridge over Route 93, for the protection of the school children.

DRAINAGE:

1,100 feet of 12 inch pipe layed on High Street and Linda Road and 7 catch basins constructed. 300 feet of 12 inch pipe layed and 3 catch basins constructed on Middlesex Avenue at North Wilmington railroad tracks, in front of Mytron's, part of which was paid from the 1964 drainage account and the balance from my 1965 expense account. Drainage problem on Kendall Street solved.

BETTERMENT STREETS:

All betterment streets carried over from 1964 completed and the Board of Selectmen, Town Accountant and Board of Assessors so notified. Also Nunn Road accepted in 1965 for betterments, completed and the Board of Selectmen, Town Accountant, and Board of Assessors so notified.

SIDEWALK PROGRAM:

Section from St. Thomas Church along Middlesex Avenue to Clark Street and from Church Street along Clark Street to Middlesex Avenue, plus curbing was constructed. Pedway from Brattle Street to the Glen Road School, excavated and graveled. All loam and subsoil hauled to the cemetery. Pedway will be surfaced with hot top early in 1966. Sidewalk along Clark Street to Main Street held up because land takings and easements were not processed. All drainage and catch basins were installed for a 40 foot street. Later the Town Engineer found a plan showing a 33 foot street, thereby creating a condition that required land taking and easements. Under the existing conditions a sidewalk cannot be built without building it on private property. At this writing we are in the process of clearing up the situation. This was the number one project in the program, and required the bulk of the appropriation because the street and culvert widening was included. The street was left unfinished because I did not want to build it, and then tear it up again to make any changes because of the location of the sidewalk. Under the above circumstances, holding up the sidewalk program was the only logical thing to do.

CHAPTER 90 MAINTENANCE:

\$4,500 spent to hot top Middlesex Avenue from the North Wilmington Station to 150 feet beyond Federal Hill.

CHAPTER 90 CONSTRUCTION:

Ballardvale Street, 1964 Contract. Six headwalks constructed and about 300 feet of stonewall layed. A boulders and excess dirt removed from shoulders, 200 feet of ditch excavated and spread out where needed.

HAPTER 81 in conjunction with part of my expense account:

ll streets cleared of brush, put through a chipper and hauled away. All catch basins and culverts eaned. All streets swept with a power sweeper. Sweepings picked up with front end loader, dumped to trucks and hauled away. Shoulders cut back and dirt picked up on many streets before surface treat- g.

The following streets were surface treated:

Park Street sealed with heavy asphalt, covered with stone, rolled. Oakdale Road, 600 feet, Judith Road, Sprucewood Road, Birchwood Road, and Shady Lane Drive.

The following streets were surface treated with a mix in place, consisting of pea gravel and heavy asphalt:

Ayotte Street, Crest Avenue, Belmont Avenue, State Street, Fairview Avenue, Glen Road, Gunderson Road, Ledgewood Road, Oak Street, Oakdale Road, 180 feet, Pinewood Road, Sewall Road, Strout Avenue, West Street, Truman Road, Dayton Road, Chase Road, Gunderson Road, Pillings Road, High Street, Nickerson Avenue and one mile of Ballardvale Street.

OWN PARK SKI TOW AREA Special appropriation \$3,000 :

ne new pole set, one pole reset. One new ski slope constructed. Boulders, trees and stumps removed.umps and debris hauled to pond hole in back of High School. Two ski slopes regraded, and slope for all children with sleds graded and all obstruction that might cause injury removed. 600 feet of snow nce erected to protect and control the various slides. 100 feet of fence erected to prevent the children om sliding onto Main Street. Three signs erected, reading "For Wilmington Residents Only."

now and Ice removal still remains a major and expensive problem. Each year the demands made of the partment increase, but with our modern equipment, we have managed to keep up with it.

closing, I am taking this opportunity to thank all various departments for their cooperation and help, eat or small, and the Town Manager and Board of Selectmen in helping the Department solve some of s problems.

SARAH D. J. CARTER LECTURE FUND

he Carter Lecture Committee did not present a program in 1965. Because our funds are limited and the est of good programs constantly increases, the Committee feels that in order to maintain the high stand- d of program presented in the past, emphasis should be placed on quality rather than quantity of pro- grams.

is interesting to note that when the fund was established, it provided as many as six programs a year-- cluding such famous names of Lowell Thomas! Of course, in those days, there was not the competition television and radio.

he Committee looks forward to Saturday evening, March 26th when John Roberts will return with his test film "Norway and the Modern Vikings." These programs are offered without charge to the sidents of Wilmington and their families at the Herbert C. Barrows Auditorium. Program time is 15.

JURY LIST

FIRE DEPARTMENT

The manual force consists of the Chief, three Lieutenants, and fifteen Privates. There is a call force of sixteen members. The department responded to a total of nine hundred and thirty two (932) calls. Seven hundred and fifty (750) were still alarms, and one hundred and eighty two (182) were bell alarms.

Ambulance Calls	340	Chimney	1
Auto & Trucks	54	False Alarm	30
Buildings	79	Bomb Scare	1
Brush & Grass	333	Oil Burners	10
Service Calls	76	Out of Town	8

A total of 106,065 feet of fire hose was laid: 50,215 feet of booster hose, 16,850 feet of 1 1/8" hose, 20,550 feet of 1 1/2" hose and 18,450 feet of 2 1/2" hose. The total value of property endangered was \$923,650. The property loss was \$101,462.04.

As required by law, inspections were made of all schools, public buildings, and all gasoline tanks locations.

Permits issued for blasting	35	Permits issued for storage of oil	176
-----------------------------	----	-----------------------------------	-----

Members of this department made all necessary repairs to the fire alarm system, also made ninety five change overs for the light and telephone company, and extended the system down Main Street and to the West Intermediate School. All equipment is in good condition. The 1965 Maxim 1000 GPM pumper was put in service the first of January.

The department is undermanned and I have requested three more men in the budget. This department is operating with the same size force as we did six years ago. With the growth of the town in the past years, I don't feel that the towns people are getting the protection that they deserve.

PUBLIC LIBRARY

BOARD OF LIBRARY TRUSTEES

During 1965 the efforts of the Trustees were concentrated on the development of plans for a new library. In March we met with the Town Manager, Mr. Bouchard, and members of the Permanent Building Committee to set up a procedure for the preparation of building plans to be presented to a Special Town Meeting in October.

A sub-committee composed of members of the Board of Library Trustees and of the Permanent Building Committee interviewed four professional library building consultants and selected Mr. Philip J. McNiff, who was at that time Associate Librarian of the Harvard College Library and who has since been appointed Director of the Boston Public Library. Mr. McNiff agreed to prepare a "program statement" which would outline appropriate library objectives for the Town, and to work with the Trustees, the Permanent Building Committee and the architect in planning a building which would accommodate the objectives.

Although the selection of the architect was the responsibility of the Permanent Building Committee, the Library Trustees were invited to be present when the various architects were interviewed and to submit their recommendations. The architects recommended by the Trustees were Richmond and Goldberg, Kilham, Hopkins, Greeley and Brodie, Carl Koch, and Alderman and MacNeish, in that order. The architect chosen by the Permanent Building Committee was Mr. John Guarino.

In his program statement Mr. McNiff said that the building should be designed to provide sufficient space for the library needs of the Town for a period of twenty years. Based on an estimated population of 30,000 in 1985, he recommended a building of approximately 21,000 square feet.

Final plans for a colonial style building containing approximately 28,000 square feet were approved by the Trustees in September. The total estimated cost, including furnishings, was \$886,400.

An application was made to the Board of Library Commissioners of the Commonwealth of Massachusetts, pursuant to Title II of the Library Services and Construction Act, for federal funds available to the State in 1966 for the construction of public library facilities. In view of the amounts of the grants made this year, it was estimated that we might receive as much as 25 per cent of the total cost.

The Trustees met with the Finance Committee and presented the building plans for their consideration. It was the opinion of that Committee that the cost was too great and that the building was too large. Because of the fact that the Finance Committee disapproved it, the article relating to the construction of a new library was tabled at the Special Town Meeting held on October 25, 1965. This action made our application for federal funds invalid.

The Trustees have since met with members of the Finance Committee, the Permanent Building Committee Mr. McNiff and Mr. Guarino with the objective of developing new plans for presentation to the Annual Town Meeting in 1966.

The services provided by the Library continued to increase in 1965. The registration of 759 new borrowers brought the total number up to approximately 6750. Circulation figures reached a new high of 68,900.

This year it was necessary to add a new ten-drawer section to the reference catalog.

The Trustees wish to thank the Wilmington Women's Club for their efforts on behalf of the Library.

To the Library Staff we express our sincere gratitude for their splendid cooperation.

LIBRARIAN'S REPORT

Books added to the Library	2,476
Records added	57
Books circulated: Library	66,656
Bookmobile	6,596
Periodicals circulated	1,065
Records circulated	1,186
Fines collected (as of Dec. 9)	\$1,298.21

With the increase in the number of commuting college students, there are many demands on the reference department, and we have borrowed many books on inter-library loan to augment our material. The periodicals are much in use for class assignments. Lack of space greatly curtails the facilities which we might otherwise provide. In order to make room for the new books, some of the older, less used books have been put in storage until such time as more space is available.

As usual, the story hour registration was so large that we could not accommodate them all. Our volunteer story tellers carry on this program magnificently. We wish to thank Mrs. McKie, Mrs. Tompkins, Mrs. Hoescher and Mrs. Motschman who make this undertaking such a success.

In November a group from Grade II of the Woburn Street School visited the library with their teacher, Miss Marinel, and learned about library borrowers. Groups of this sort are always welcome.

In late October the Literature Committee of the Women's Club again conducted a booksale, the proceeds of which will be used for the benefit of the library.

We have book deposits in the Whitefield, Mildred Rogers, Boutwell and Wildwood Schools for the use of the students and are preparing a collection for the Woburn Street School. The Glen Road School is served by the bookmobile and pupils in the Swain and Center Schools come to the library during recess and lunch hour. Walker School pupils live near enough to come to the library.

Since January 1st, the library has been open to the public 58 hours a week. The hours are Monday through Friday from 10:00 a. m. to 9:00 p. m., Saturdays 2:00 to 5:00 p. m.

CONSTABLE

I herewith submit my Annual Report as Constable for the year ending 1965. I have posted Notices and Warrants for the Annual Town Meeting and Special Town Meetings all in accordance with the By-laws of the Town of Wilmington. I have also served and posted notices for other Town Officials and Departments.

WATER DEPARTMENT

WATER SUPPLY:

The pumping statistics below illustrate the continually increasing use of water:

Maximum gallons pumped per day	2,355,000	3,256,500	3,648,000	3,929,300	4,088,000
Maximum gallons pumped per week	15,850,600	18,851,300	20,757,000	21,567,300	23,010,300
Maximum gallons pumped per month	59,703,400	64,982,900	76,947,000	79,712,800	92,685,500
Average gallons pumped per day	1,546,243	1,821,733	2,000,000	2,168,121	2,570,952
Average gallons pumped per month	47,031,558	55,411,058	60,836,483	66,149,066	78,427,300
Total gallons pumped per year	519,387,200	664,932,700	730,037,800	793,788,800	938,397,500

The cooperation of water users was the principal factor in avoiding water restrictions during the second year of drought when the capacities of the well field were fully extended.

Pending the results of further tests to reduce the iron content at the Town Park well, the State Department of Public Health granted the Water Department permission to install a pump on an emergency basis. With the other well fields at low levels the installation of this pump in October was of material assistance during an unusually dry fall.

At the annual March town meeting the Town appropriated funds for the acquisition of land, wells, pumping stations and connecting water mains at three new sites. The land has been acquired and contracts made for construction and equipment. It is expected that the first station will be ready off Shawsheen Avenue in early summer, 1966. Stations near Butters Row and Aldrich Road should be ready soon thereafter. It is anticipated that these new stations will add about 2,000,000 gallons per day capacity to the system.

The present rate of growth indicates planning must continue for the addition of a station at the site near Salem Street in three to four years.

MISCELLANEOUS INFORMATION:

Metered Services	3693
Unmetered Services	53
Total	3740
New Hydrants Installed	14
New Services Installed	181
New Meters Installed	181

WATER MAIN EXTENSIONS:

	<u>2" Main</u>	<u>8" Main</u>	<u>6" Main</u>

This is a total of 6197 feet of new main laid.

Installed by town - Main Street Well Field 432' 6"

SEWER:

There were two additional sewer connections added during the year, bringing the total sewer services to fifteen.

HOUSING AUTHORITY

ORGANIZATION:

The Wilmington Housing Authority is authorized by the General Laws, Chapter 121, Section 26K, as amended.

MEMBERS:

James P. Donahue, Chairman

Edwin F. Forrest, Vice Chairman

Flora M. Kasabuski, Secretary

Charles F. Burt, Assistant Treasurer

Ernest M. Crispo. Treasurer and Representative of State Housing Board

STATUTORY REFERENCE:

1. Housing Authority Law: Section 261 to 26CCC inclusive, of Chapter 121 of the General Laws, as amended.
2. Act to Provide Housing for Veterans: Chapter 200 of the Acts of 1948, as amended.
3. Act to Provide Housing for Elderly Persons of Low Income: Chapter 667 of the Acts of 1954, as amended.

HOUSING FOR THE ELDERLY:

Location - Deming Way..... Number of Units - 40..... Rent - \$48 per month.

Requirements for occupancy of these units is that a person must be sixty-five (65) years of age or over, of low income and in need of good housing.

The forty units have been kept fully occupied. Ten (10) vacancies occurred during the year; all were filled immediately.

Due to blockage and collapse a new leaching field has been installed.

TOWN MEETINGS

WARRANT FOR THE ANNUAL TOWN MEETING - March 6, 1965 WITH ACTION TAKEN THEREON

O: Either of the Constables of the Town of Wilmington:

REETINGS: In the name of the Commonwealth of Massachusetts and in the manner prescribed in the By-Laws of said Town, you are hereby directed to notify and warn the inhabitants of the Town qualified to vote in Town affairs to meet and assemble at the High School Gymnasium, Saturday, the 6th day of March A. D. 1965 at 9:45 o'clock in the forenoon, the polls to be opened at 10:00 a.m., and shall be closed at 8:00 p.m. for the election of own Offices:

RTICLE 1. To bring in your votes on one ballot respectively for the following named Offices, to wit: Two Selectmen for the term of three years; Two members of the School Committee for the term of three years; One Moderator for the term of one year; and one member of the Wilmington Housing Authority for the term of five years and vote YES or NO on the following question: "Shall chapter thirty-two B of the General Laws, authorizing any county, city, town or district to provide a plan of group life insurance, group accidental death and dismemberment insurance and group general or blanket hospital, surgical and medical insurance for certain persons in the service of such county, city, town or district and their dependents, be accepted by this town?"

rovided the Legislative Bills requiring the following questions to be placed upon the ballot shall have become law at the time of the election, to vote YES or NO on the following questions:

Question 2: "Shall an act passed by the General Court in the year nineteen hundred and sixty-five, entitled 'An Act placing certain offices and positions in the Town of Wilmington under the civil service laws and rules', be accepted?"

Question 3: "Shall an act passed by the General Court in the year nineteen hundred and sixty-five, entitled "An Act relative to the powers of the selectmen of the Town of Wilmington", be accepted?"

You are also further required and directed to notify and warn the said inhabitants of the Town of Wilmington who are qualified to vote on elections and town affairs therein to assemble subsequently and meet in Town Meeting at the High School Gymnasium, Church Street, in said Town of Wilmington on Saturday, the 13th day of March A. D. 1965 at 1:30 p.m., then and there to act on the following Articles:

In accordance with the above warrant, the meeting was called to order by the Moderator, Mr. Simon Cutter at 9:45 a.m., as much of the Warrant as it noted above was read and on a motion by Mr. Harold Melzar it was voted to dispense with further reading of said Warrant.

The ballot boxes were examined by the Warden, Town Clerk, Police Officer and ballot machine clerks. Both ballot boxes were found to be empty and the register on each indicated 00000. Each ballot box was then locked and the keys given to the Police Officer on duty.

The election officers were sworn to the faithful performance of their duties.

The Polls were declared open at 10:00 a.m. The Polls were declared closed at 8:00 p.m.

There were Three Thousand One Hundred Twenty (3120) ballots cast.

All of the ballots cast were sorted, counted, recorded and declaration thereof made as by law is directed, and were for the following, namely:

SELECTMAN - Three Years

ADJOURNED ANNUAL TOWN MEETING - March 13, 1965
HIGH SCHOOL GYMNASIUM

he Adjourned Annual Town Meeting was called to order by the Moderator, Mr. Simon Cutter at 45 p.m. Rev. Terry Clay Thomason led the meeting in prayer.

he League of Women Voters of Wilmington received permission from the Moderator to bring foreign students to this meeting. Mr. Cutter introduced them by name and they were warmly received.

Mr. Cutter declared that he would dispense with reading each article and refer to them by number only. There were no objections and this procedure was followed.

ARTICLE 2. To hear the reports of Committees and act thereon.

he Building By-Law Committee's report was read and filed by R. F. Leahy. The Town Manager said he had a report on sidewalk construction which he would read when the meeting took up Article 33.

Mr. Rene J. LaRivee presented Mr. Philip B. Buzzell with a plaque in recognition of his service to the Town as an 'Outstanding Municipal Employee', this is the Massachusetts "Man of the Year" award. Mr. Buzzell accepted graciously.

ARTICLE 3. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year, beginning January 1, 1966, and to issue notes therefor payable within one year, all in accordance with Sections 4 and 17, Chapter 44, of the General Laws. Request of the Board of Selectmen. The Finance Committee recommends approval.

pon a motion by Mr. Charles H. Black the above article was voted unanimously.

ARTICLE 4. To see how much money the Town will appropriate for the expenses of the Town and salaries of the several Town Offices, and Departments, and determine how the same shall be raised, whether by taxation, transfer from available funds, or otherwise, or do anything in relation thereto.

ARTICLE 4 (continued)

Motion by Richard V. Barry, Chairman, Finance Committee: "I move that the several and respective sums as recommended by the Finance Committee be raised by taxation or by transfer from available funds and appropriated for the purposes set forth in Article Four, each item to be taken up and voted on separately subject to amendment." Voted unanimously.

Accordingly the following amounts were voted by taxation:

ARTICLE 5. To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars (\$1,000.00) for the observance of Memorial Day and that the Moderator appoint a Committee who shall arrange and have charge of such observance, or do anything in relation thereto. Request of the Board of Selectmen.

Motion by Mr. Lloyd Bender that we adopt the above article and raise by taxation the amount of \$1,000.00 for said purpose. Finance Committee recommended approval. Voted unanimously.

ARTICLE 6. To see if the Town will vote to raise and appropriate the sum of Seven Hundred Fifty Dollars (\$750.00) for the purpose of renewing under Authority of Section 9 of Chapter 40 of the General Laws as amended, the lease of the American Legion Clubhouse, Inc. in Wilmington for the purpose of providing suitable headquarters for the Wilmington Post No. 136 of the American Legion, or do anything in relation thereto. Request of the American Legion.

Motion by Mr. Paul H. Niles that the town adopt the above article and for said purpose \$750.00 be raised by taxation and so appropriated. Finance Committee - no recommendation. Since 1944, the sum of \$37,250.00 has been provided to the various veterans organizations in Wilmington for the purpose of providing them with suitable quarters. In view of this substantial subsidy, we feel that this Town Meeting should either reaffirm or discontinue this policy. A lengthy discussion followed. The question was called for. To close arguments Yes-342 No-3 The vote on the main motion was taken by a standing vote. Yes-198 No-140 Motion carried and so declared by the Moderator.

ARTICLE 7. To see if the Town will vote to raise and appropriate the sum of Seven Hundred Fifty Dollars (\$750.00) for the purpose of renewing under authority of Section 9 of Chapter 40 of the General Laws as amended, the lease of the Veterans of Foreign Wars Clubhouse on Main Street for the purpose of providing suitable headquarters for the Nee-Ellsworth Post 2458 of the Veterans of Foreign Wars of the United States, or do anything in relation thereto. Request of the Veterans of Foreign Wars.

Motion by Mrs. Wavie M. Drew that the town vote to raise and appropriate the sum of Seven Hundred Fifty Dollars for the purpose as set out in the above article. Finance Committee now approves the above article since the Town Meeting voted Article 6. Vote taken by voice and declared unanimous by the Moderator.

ARTICLE 8. To see if the Town will vote to raise and appropriate a sum of money under the authority of Section 9 of Chapter 40 of the General Laws, as amended, for the purpose of providing suitable quarters for the William F. Tattersall Chapter No. 106, Disabled American Veterans, located in Wilmington, Mass., or do anything in relation thereto. Request of the Disabled American Veterans.

Motion by Mr. Rene J. LaRivee that the Town vote to raise and appropriate the sum of Seven Hundred Fifty Dollars for the purpose as set out in the above article. Finance Committee now approves the above article since the Town Meeting voted Articles 6 and 7. Vote taken by voice and declared unanimous by the Moderator.

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of One Hundred Dollars (\$100.00) the money to be expended under the direction of the 4-H Town Committee, serving in cooperation with the Middlesex County Extension Service, under the provisions of Sections 40 to 45, Chapter 128, General Laws of Massachusetts, or do anything in relation thereto.

Motion by Mr. Charles H. Black that the Town vote to raise and appropriate the sum of One Hundred Dollars for the purpose as set out in the above article. Finance Committee recommended approval of \$100.00. Vote taken by voice and declared unanimous by the Moderator. The Moderator allowed the Girl Scouts to come in while the meeting was taking action on Article 9. The Girl Scouts received a warm welcome by the Town Meeting.

Mr. Wilson Belbin moved for an adjournment of the meeting until 7:00 p.m. It was only 4:45 p.m. and the meeting was not ready for a recess. Vote taken by voice and declared LOST by the Moderator.

ARTICLE 10. To see if the Town will vote to raise by taxation or transfer from available funds, and appropriate a sum of money for the purpose of paying unpaid bills of previous years, or do anything in relation thereto. Request of the Board of Selectmen.

Motion by Mr. Charles H. Black that the Town vote to raise and appropriate the sum of \$5,367.11 for the purpose of paying unpaid bills of previous years. Finance Committee recommended \$5,367.11 by taxation. Vote taken by voice and declared unanimous by the Moderator.

ARTICLE 11. To see how much money the Town will vote to raise by taxation, or transfer from available funds and appropriate for the purchase of six (6) vehicles for the use of the Police Department and Welfare Department and authorize the sale or turn-in of six present vehicles used by the Police Department and Welfare Department, or do anything in relation thereto. Request of the Town Manager.

Motion by Mr. Bender that the Town raise and appropriate the sum of \$8,500.00 for the purchase of four (4) vehicles for the use of the Police Department and authorize the sale or turn-in of four (4) present vehicles used by the Police Department and to purchase one (1) vehicle for the use of the Welfare Department and authorize the sale or turn-in of one (1) present vehicle used by the Welfare Department. Finance Committee recommended approval of \$8,500.00 by taxation. Vote taken by voice and declared unanimous by the Moderator.

ARTICLE 12. To see how much money the Town will vote to raise by taxation, or transfer from available funds and appropriate for the purchase of two trucks for the use of the Highway Department, 25,000 GVW with dump body and authorize the sale or turn-in of two 1937 Walters Snow Fighters, or do anything in relation thereto. Request of the Town Manager.

Motion by Paul H. Niles that the Town vote to raise by taxation the sum of \$4,317 by taxation and by transfer from the road machinery fund the sum of \$1,683.28 for the purchase of two trucks for the use of the Highway Department, 25,000 GVW with dump body and authorize the sale or turn-in of two 1937 Walters Snow Fighters. Finance Committee recommended approval of \$6,000.00 for the purchase of one truck to be financed by the transfer of \$1,683.28 from the Road Machinery Account and the sum of \$4,316.72 to be raised by taxation.

Amendment by the Town Manager, Mr. Bouchard, to strike out (2) trucks and insert (1) truck. Amendment voted. Main motion as amended voted.

ARTICLE 13. To see how much money the Town will vote to raise by taxation, or transfer from available funds and appropriate for the purchase of a 1/2 ton truck for the use of the Highway Department and authorize the sale or turn-in of a truck presently used by the Highway Department, or do anything in relation thereto. Request of the Town Manager.

Motion by Mrs. Drew that the Town vote to raise by taxation and appropriate the sum of \$2,500.00 for the purpose as set out in the above article. Finance Committee recommended the approval of \$2,500.00. Vote taken by voice and declared unanimous by the Moderator.

ARTICLE 14. To see how much money the Town will vote to raise by taxation, or transfer from available funds and appropriate for the purchase of a Catch Basin Cleaner for the use of the Highway Department, or do anything in relation thereto. Request of the Town Manager.

Motion by Mr. LaRivee that the Town vote to raise by taxation and appropriate the sum of \$3,500.00 for the purchase of a Catch Basin Cleaner for the Highway Department. Finance Committee recommended approval of \$3,500.00 by taxation. Voted.

ARTICLE 15. To see how much money the Town will vote to raise by taxation, or transfer from available funds and appropriate for the purchase of a Sidewalk Plow for the use of the Highway Department, or do anything in relation thereto. Request of the Town Manager.

Motion by Mr. Black that the Town vote to raise by taxation and appropriate the sum of \$5,000.00 for the purchase of a Sidewalk Plow for the use of the Highway Department. Finance Committee recommended approval of \$5,000.00 by taxation. Motion voted.

ARTICLE 16. To see how much money the Town will vote to raise by taxation, or transfer from available funds and appropriate for the purchase of a Stump Removal Machine, for the use of the Tree Department, or do anything in relation thereto. Request of the Town Manager.

Motion by Mr. LaRivee that the Town vote to raise by taxation and appropriate the sum of \$3,500.00 as set out in the above article. Finance Committee disapproved. Vote taken by voice and LOST and so declared by the Moderator.

ARTICLE 17. To see how much money the Town will vote to raise by taxation, or transfer from available funds and appropriate for the purchase of a 3/4 ton Pickup for the Maintenance Department, or do anything in relation thereto. Request of the Town Manager.

Motion by Mr. Bender that the Town vote to raise by taxation and appropriate the sum of \$2,900.00 for the purchase of a 3/4 ton pickup truck for the Maintenance Department. Finance Committee recommended \$2,900.00 by taxation. Motion voted.

ARTICLE 18. To see how much money the Town will vote to raise by taxation or borrow or transfer from available funds and appropriate for the purchase and equipping of a 1000 G. P. M. Pumper for the Fire Department, or do anything in relation thereto. Petition of Arthur Boudreau et al.

Motion by Arthur J. Boudreau, Fire Chief that the Town vote to raise by taxation or borrow or transfer from available funds, and appropriate the sum of \$25,000.00 for the purchase and equipping of a 1000 G. P. M. pumper for the Fire Department. Finance Committee recommended approval of the transfer of \$25,000.00 from the Ipswich River Account. Mr. Boudreau withdrew his motion.

New motion by Mr. Barry that the Town purchase of the 1000 G. P. M. pumper for the Fire Department be financed through the transfer of \$25,000.00 from the Ipswich River Account. After some discussion, Mr. Barry's motion was adopted by a voice vote.

ARTICLE 19. To see if the Town will vote to raise by taxation the sum of \$3,100.00 for the purpose of purchasing and equipping a four-wheel drive, one ton truck with winch to be used as a permanent lighting unit available to any Town department in an emergency. Petition of Robert Woods et al.

Motion by Mr. Robert Woods that the Town vote to raise by taxation the sum of \$3,100.00 for the purpose as set out in the above article. Finance Committee recommended disapproval. Mr. Woods spoke on his article informing the meeting that this truck could be bought with matching funds from the Federal Government. Vote was taken by voice and so voted and declared a vote by the Moderator. Seven (7) voters stood to show doubt of the vote. Vote taken by standing Yes - 107 No - 196 Motion lost.

Time 5:25 p.m. - Mr. Black moved the meeting adjourn for the supper hour and reconvene at 7:00 p.m. Voted.

The Moderator was served notice that several voters were going to ask reconsideration of various articles after recess.

The meeting reconvened at 7:20 p.m.

Mr. Felice Vitale moved to reconsider articles 6, 7 and 8. Mr. Cutter said he would not allow more than one article to be reconsidered at a time. A motion to "lay the question on the table" lost. Vote to reconsider by a standing vote Yes - 74 No - 61 Mr. Vitale moved to reconsider article 6. Vote taken by voice and lost, and so declared by the Moderator. Seven (7) rose to doubt the vote. Vote taken by standing Yes - 83 No - 132 Motion lost.

ARTICLE 20. To see if the Town will vote to raise and appropriate a sum of money for the purpose of acquiring a site for a well field and Water Department purposes and determine how the appropriation shall be raised whether by transfer from available funds, by borrowing or otherwise, and further to see if the Town will vote to authorize the Selectmen and/or the Board of Water Commissioners to purchase or take by eminent domain for such purposes certain parcels of land off Shawsheen Avenue as shown on a plan dated January 11, 1965 and made by the Wilmington Engineering Department, copy of which plan is on file with the Town Clerk, and described as follows: Beginning at a point at the intersection of the east side of Shawsheen Avenue and at the north side of the lot of the West School and running northerly along the east side of said Shawsheen Avenue a distance of approximately 150' to a point; thence turning and running in a northeasterly direction along the southerly lot line of Norman & Josephine M. LeClaire a distance of approximately 230' to a point; thence turning and running in a northerly direction through the properties of Norman & Josephine M. LeClaire, Eugene A. & Rita V. Dussault, David & Norma Bergstrom and Anthony J. & Jennie V. Janerico, a distance of approximately 620' to a point at the northeasterly corner of the lot of said Anthony J. & Jennie V. Janerico; thence turning and running in a northeasterly direction through the land of Lowell Cranberry Company, for a distance of approximately 485' to a point; thence turning and running in a southeasterly direction, again through the land of Lowell Cranberry Company for a distance of approximately 622' to a point; thence turning and running in a southerly direction, along the easterly lot line of land of Lowell Cranberry Company, for a distance in three courses of approximate lengths of 110', 180' and 360' respectively, for a total of approximately 650' to a point, at the southeasterly corner of the lot of said Lowell Cranberry Company, thence turning and running in a westerly direction, through the land of Lena M. Eames, for a distance of approximately 1,045' to the point of beginning; containing approximately 22 acres, or do anything in relation thereto. Request of the Board of Water Commissioners and Town Manager.

Motion by Mr. Arnold Blake that either the Board of Water Commissioners or the Selectmen be and they are hereby authorized to purchase or take by eminent domain as a site for a well field and Water Department purposes certain parcels of land off Shawsheen Avenue as shown on a plan dated January 11, 1965 and made by the Wilmington Engineering Department, a copy of which plan is on file with the Town Clerk, and described in the article as set forth above, and that for the purpose of acquiring said land there is hereby appropriated the sum of Seven Thousand Six Hundred (\$7,600.00) Dollars, to meet which appropriation the Treasurer, with the approval of the Selectmen, is hereby authorized to borrow a sum or sums not to exceed in the aggregate said amount, and to issue the bonds or notes of the Town therefor payable in not more than twenty years. Finance Committee approved. Motion voted unanimously and so declared by the Moderator.

ARTICLE 21. To see if the Town will vote to raise and appropriate a sum of money for the purpose of acquiring a site for a well field and Water Department purposes, and to determine how the appropriation shall be raised, whether by transfer from available funds, by borrowing, or otherwise; and further to see if the Town will vote to authorize the Selectmen and/or the Board of Water Commissioners to purchase or take by eminent domain for such purposes certain parcels of land off Butters Row as shown on a plan dated January 11, 1965 and made by the Wilmington Engineering Department, copy of which is on file with the Town Clerk, and described as follows: Beginning at a point at the intersection of the southerly side of Butters Row with the westerly property line of Austin & Anne Rounds, thence running in an easterly direction along said southerly side of Butters Row a distance of approximately 40', thence in a southerly direction in three courses, on lines parallel and forty feet distance from the westerly property line of said Austin and Anne Rounds, on distances of

ARTICLE 21. (continued)

approximately 107', 470' and 50' respectively for a total of 627'; thence in an easterly direction along the southerly property line of said Austin & Anne Rounds a distance of approximately 335 feet; thence in an easterly direction through land of George M. A. M. Webber a distance of approximately 267 feet to a point at the westerly corner of land of Earl & Iva Smith; thence running in a southeasterly direction along a westerly property line of said Earl & Iva Smith a distance of approximately 165' to a point; thence turning in a northeasterly direction and running along the southern property line of said Earl & Iva Smith to the intersection of said property line with the westerly side of a proposed street known as Belvidere Street, a distance of approximately 210 feet; thence in a south-easterly direction along said westerly side of Belvidere Street a distance of approximately 330' to its intersection with the southerly side of the proposed street known as Manufacturers Street, and shown in a plan of lots of land belonging to Daniel Ayer dated June 21, 1854 and recorded in the North District Middlesex County Registry of Deeds Book of Plans No. 5; thence turning and running to the intersection of said southerly side of Manufacturers Street with the westerly side of lot 35B, as shown on said plan of land belonging to Daniel Ayer, a distance of approximately 115', thence in a southerly direction along said westerly side of lot 35B and land of George M. A. M. Webber, to its intersection with the northerly property line of land of the Town of Wilmington, a distance of approximately 330'; thence in a westerly direction along said property line of the Town of Wilmington to its intersection with the bottom of the slope of the northeasterly side of the Middlesex Canal a distance of approximately 613'; thence in a southerly direction along said bottom of the slope of the Middlesex Canal to its intersection with the center of Maple Meadow Brook a distance of approximately 690'; thence in a westerly direction along the said center line of the Maple Meadow Brook, to the intersection of the property line of the Town of Wilmington a distance of approximately 1325 feet; thence in a northerly direction along a property line of said Town of Wilmington a distance of 313.21 feet; thence in an easterly direction on another line and along land of the Town of Wilmington, a distance of 465.18 feet; thence in a northerly direction in two courses and still along land of the Town of Wilmington on distances of 361.00 feet and 271.78 feet respectively; thence in a westerly direction, along the property line of Robert & Loretta Malatesta, a distance of 315.30 feet; thence in an easterly direction through land of said Robert & Loretta Malatesta to its intersection with the westerly property line of Martin Nee & Margaret Skahon, a distance of approximately 320 feet, such intersecting point being 77 feet measured along said westerly property line of Martin Nee & Margaret Skahon in a southerly direction to a point previously mentioned; thence along said westerly property line of Martin Nee and Margaret Skahon and an easterly property line of Robert A. Malatesta, a distance of approximately 242 feet to a point; thence in a southeasterly direction, along the property line of said Robert A. Malatesta a distance of approximately 182'; to a point thence in a northeasterly direction, still along a property line of said Robert A. Malatesta a distance of approximately 295'; to a point; thence northerly in two courses along easterly property line of said Robert A. Malatesta, and said aforementioned Austin & Anne Rounds, on distances of approximately 465' and 120' respectively for a total of approximately 585' to the point of beginning containing approximately 31 acres, or do anything in relation thereto. Request of the Board of Water & Sewer Commissioners and Town Manager.

Motion by Mr. Blake that either the Board of Water Commissioners or the Selectmen be and they are hereby authorized to purchase or take by eminent domain as a site for a well field and Water Department purposes certain parcels of land off Butters Row as shown on a plan dated January 11, 1965 and made by the Wilmington Engineering Department, a copy of which plan is on file with the Town Clerk, and described in the article as set forth above, and that for the purpose of acquiring said land there is hereby appropriated the sum of Ninety-Two Hundred Dollars (\$9,200.00) to meet which appropriation the Treasurer, with the approval of the Selectmen, is hereby authorized to borrow a sum or sums not to exceed in the aggregate said amount, and to issue the bonds or notes of the Town therefor payable in not more than twenty years. Finance Committee approved.

Amendment by Mr. Austin L. Rounds that the words 40' be stricken from the article and the words 30' be substituted in their place. Lost by voice. Amendment by Mr. Bouchard that the town meeting authorize the Water and Sewer Commissioners to make provisions to reconvey to Austin & Anne Rounds approximately 10' reducing the width of the right-of-way to approximately a 30' strip. Voted by voice. Amendment to strike out the word 'authorize' and insert the word 'instruct'. Voted. Main motion as amended was voted unanimously.

ARTICLE 22. To see if the Town will vote to raise and appropriate a sum of money for the purpose of acquiring a site for a well field and water department purposes, and to determine how the appropriation shall be raised, whether by transfer from available funds, by borrowing, or otherwise; and further to see if the Town will vote to authorize the Selectmen and/or the Board of Water Commissioners to purchase or take by eminent domain for such purposes certain parcels of land off Aldrich Road as shown on a plan dated January 11, 1965 and made by the Wilmington Engineering Department, a copy of which plan is on file with the Town Clerk, and described as follows: Beginning at a point at the intersection of the northerly side of Aldrich Road, and the southeasterly corner of the land of Christopher & Margaret Bousfield; thence running in a northerly direction along said land a distance of approximately 176 feet; thence turning in a westerly direction on a line of approximately 238 feet to a point at the southeasterly corner of the property of Joseph M. Linsey, thence in a northerly direction, a distance of approximately 133 feet; along the easterly property line of said Joseph M. Linsey; thence in a northwesterly direction, a distance of approximately 217 feet along and beyond the northerly property line of said Joseph M. Linsey to a point on the Wilmington and Billerica town line; thence in a northeasterly direction, along said town line a distance of approximately 653 feet to a town bound; thence turning in a northerly direction, and still along a Wilmington and Billerica town line, a distance of approximately fifteen feet; thence in a northeasterly direction along the easterly side of a proposed street known as Arlington Street and shown on plan as Shawsheen Pines, recorded in the Middlesex County North Registry of Deeds, Book 50 Plans 60 & 61, to the intersection of said Arlington Street and the southerly side of a proposed street known as Edgeworth Street, and shown on said plan, a distance of approximately 375 feet; thence turning and running in a southeasterly direction on the south side of said Edgeworth Street and continuing beyond said street in the same direction to a point at the intersection of said line with the westerly edge of the property of Mary M. Bousfield, a distance of approximately 290 feet; thence in a northeasterly direction, along the property of said Mary M. Bousfield, to a point in the middle of Lubber's Brook, a distance of approximately 640 feet; thence in an easterly direction along the center line of Lubber's Brook, a distance of approximately 133 feet; thence in a southerly direction along a curved line at the easterly edge of the subdivision known as Wilmington Heights Park, shown on a plan recorded in the Middlesex County North District Registry of Deeds Book #29, Plan #69, to a point at the intersection of said line with the northerly side of a proposed street known as Medford Street, shown on said plan, a distance of approximately 1352 feet; thence turning at right angles in a westerly direction through land of said Mary M. Bousfield, a distance of approximately 330 feet; thence turning at right angles in a southerly direction and again through land of Mary M. Bousfield, a distance of approximately 320 feet; thence turning at right angles in a westerly direction, and through land of Mary M. Bousfield, to a point fifty feet from the easterly property line of Christopher and Margaret Bousfield, a distance of approximately 412 feet; thence turning in a southerly direction on a line parallel and fifty feet from the easterly property line of said Christopher and Margaret Bousfield and its intersection with the northerly side of Aldrich Road, a distance of approximately 170 feet; thence in a westerly direction and along the northerly side of Aldrich Road to the point of beginning; containing approximately 28 acres, or do anything in relation thereto. Request of the Board of Water & Sewer Commissioners and Town Manager.

Motion by Mr. Blake that either the Board of Water Commissioners or the Selectmen be and they are hereby authorized to purchase or take by eminent domain as a site for a well field and Water Department purposes certain parcels of land off Aldrich Road as shown on a plan dated January 11, 1965 and made by the Wilmington Engineering Department, a copy of which plan is on file with the Town Clerk, and described in the article as set forth above, and that for the purpose of acquiring said land there is hereby appropriated the sum of Thirteen Thousand One Hundred (\$13,100.00) Dollars to meet which appropriation the Treasurer, with the approval of the Selectmen, is hereby authorized to borrow a sum or sums not to exceed in the aggregate said amount, and to issue the bonds or notes of the Town therefor payable in not more than twenty years. Finance Committee approved. Motion voted unanimously and so declared by the Moderator.

ARTICLE 23. To see if the Town will vote to raise and appropriate a sum of money for the purpose of developing three well fields, for wells, and for the construction and equipment of pumping stations on land to be taken for said purposes, and for the purpose of completing, so far as may be needed the well and pumping station at the Town Park, and determine

ARTICLE 23. (continued)

how the appropriation shall be raised, whether by taxation, by transfer from available funds, by borrowing, or otherwise, or do anything in relation thereto. Request of the Water & Sewer Commissioners and Town Manager.

Motion by Mr. Arnold C. Blake that the sum of Four Hundred Thousand (\$400,000.00) Dollars is hereby appropriated for the purpose of developing three well fields for wells, and for the construction and equipment of pumping stations on land to be taken for said purposes, and for the purpose of completing, so far as may be needed the well and pumping station at the Town Park; and to meet said appropriation the Treasurer with the approval of the Selectmen is hereby authorized to borrow a sum or sums not to exceed in the aggregate said amount, and to issue the bonds or notes of the Town therefor payable in not more than twenty years. Finance Committee approved. Motion voted unanimously and so declared by the Moderator.

ARTICLE 24. To see if the Town will vote to raise and appropriate a sum of money for the purpose of laying a water main in Kilmarnock Street of not less than six inches, but less than sixteen inches in diameter, in accordance with the recommendations of the Board of Water & Sewer Commissioners acting under the provisions of General Laws, (Ter. Ed.) Chapter 40, Section 42G to 42I inclusive, and determine how the appropriation shall be raised, whether by taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto. Request of the Board of Water & Sewer Commissioners.

Motion by Mr. Blake that the Town vote to raise by borrowing and appropriate the sum of \$10,465.00 for the purpose of laying water mains as set forth in the above article, and to meet such appropriation that the Treasurer with the approval of the Board of Selectmen, be and hereby is authorized to issue bonds or notes of the town therefor, payable in not more than 15 years. Finance Committee approved \$10,465.00 by Betterments. Amendment by Mr. Conners to strike out "but less than sixteen inches" lost by a voice vote. Main motion voted unanimously and so declared by the Moderator.

ARTICLE 25. To see if the Town will vote to raise and appropriate a sum of money for the purpose of laying a water main in Pineview Road, and parts of Adelman and Robin Roads of not less than six inches, but less than sixteen inches in diameter, in accordance with the recommendations of the Board of Water & Sewer Commissioners acting under the provisions of General Laws (Ter. Ed.) Chapter 40, Section 42G to 42I inclusive, and determine how the appropriation shall be raised, whether by taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto. Request of the Board of Water & Sewer Commissioners. Motion by Mr. Blake that the Town vote to raise by borrowing and appropriate the sum of \$6,326.00 for the purpose of laying water mains as set forth in Article 25, and to meet such appropriation that the Treasurer with the approval of the Board of Selectmen be and hereby is authorized to issue bonds or notes of the Town therefor, payable in not more than 15 years. Finance Committee approved by Betterments \$6,326.00. Motion voted unanimously and so declared by the Moderator.

ARTICLE 26. To see if the Town will vote to raise and appropriate a sum of money for the purpose of laying a water main in Woodside Avenue of not less than six inches, but less than sixteen inches in diameter, in accordance with the recommendations of the Board of Water & Sewer Commissioners acting under the provisions of General Laws (Ter. Ed.) Chapter 40, Sections 42G to 42I inclusive, and determine how the appropriation shall be raised, whether by taxation, by transfer from available funds by borrowing or otherwise, or do anything in relation thereto. Request of the Board of Water & Sewer Commissioners.

Motion by Mr. Blake that the Town vote to raise by borrowing and appropriate the sum of \$4,143.00 for the purpose of laying water mains as set forth in article #26, and to meet such appropriation that the Treasurer with the approval of the Board of Selectmen, be and hereby is authorized to issue bonds or notes of the Town therefor, payable in not more than 15 years. Finance Committee approved \$4,143.00 by Betterments. Motion voted unanimously and so declared by the Moderator.

ARTICLE 27. To see if the Town will vote to raise and appropriate a sum of money for the purpose of laying a water main in Adams Street and Sheldon Avenue of not less than six inches, but less than sixteen inches, in diameter in accordance with the recommendations of

ARTICLE 27. (continued)

the Board of Water & Sewer Commissioners acting under the provisions of General Laws (Ter. Ed.) Chapter 40, Sections 42G to 42I inclusive, and determine how the appropriation shall be raised, whether by taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto. Request of the Board of Water & Sewer Commissioners.

Motion by Mr. Blake that the Town vote to raise by borrowing and appropriate the sum of \$10,108.00 for the purpose of laying water mains as set forth in article 27, and to meet such appropriation that the Treasurer with the approval of the Board of Selectmen, be and hereby is authorized to issue bonds or notes of the Town therefor, payable in not more than 15 years. Finance Committee approved \$10,108.00 by Betterments. Motion voted unanimously and so declared by the Moderator.

ARTICLE 28. To see if the Town will vote to raise and appropriate a sum of money for the purpose of laying a water main in Burnap and Pond Streets of not less than six inches, but less than sixteen inches in diameter, in accordance with recommendations of the Board of Water & Sewer Commissioners acting under the provisions of General Laws (Ter. Ed.) Chapter 40, Sections 42G to 42I inclusive, and determine how the appropriation shall be raised, whether by taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto. Request of the Board of Water & Sewer Commissioners.

Motion by Mr. Blake that the Town vote to raise by borrowing and appropriate the sum of \$2,587.00 for the purpose of laying water mains as set for in Article 28, and to meet such appropriation that the Treasurer with the approval of the Board of Selectmen, be and hereby is authorized to issue bonds or notes of the Town therefor, payable in not more than 15 years. Finance Committee approved \$2,587.00 by Betterments. Motion voted unanimously and so declared by the Moderator.

ARTICLE 29. To see if the Town will vote to authorize the Board of Selectmen and/or the Board of Water Commissioners, in the name and on behalf of the Town, to release and reconvey to New England Power their easement which was included in the taking made by the Board of Water Commissioners for the purpose of a site for an additional well field for the Water Department off Salem Street, the order of taking being dated July 9, 1964, and recorded with Middlesex North Registry of Deeds on July 10, 1964, or do anything in relation thereto. Request of the Board of Water & Sewer Commissioners and Town Manager.

Motion by Mr. Blake that the Board of Water Commissioners be and they are hereby authorized in the name and behalf of the Town, to release and reconvey to New England Power Company such right, title and interest as may have been acquired by the Town in the said company's transmission line easement, and in its structures and equipment thereon, by reason of the taking made by said Board of Water Commissioners for the purpose of a site for an additional well field for the Water Department off Salem Street, the order of taking being dated July 9, 1964 and recorded with Middlesex North Registry of Deeds on July 10, 1964, the terms and conditions of such release to be at the discretion of said board. Finance Committee approved. Motion voted unanimously and declared by the Moderator.

ARTICLE 30. To see if the Town will vote to authorize the Selectmen or Board of Water Commissioners to purchase or take by eminent domain a certain parcel of land off Salem Street as shown on a plot dated September 1, 1964 made by the Town Engineer and on file in the office of the Town Clerk and described as follows: Beginning at a point on the northwest corner of the lot and running on a line S 72° 40' 03" E for a distance of five hundred twenty-six and thirty-eight hundredths (526.38) feet, to a point; thence running on a curve, with radius of eleven thousand five hundred five and ninety-five hundredths (11,505.95) feet in a southeasterly direction, for a distance on the curve, of one hundred sixty-two and forty-four hundredths (162.44) feet to a point, thence turning and running along the Wilmington-North Reading town line, on a bearing of S 08° 30' 30" W, for a distance of eighty-five (85) feet plus or minus, to a point on the center line of Martin's Brook; thence turning and running along the center line of said Martin's Brook in a westerly direction for a distance of seven hundred and eighty (780) feet, plus or minus; to a point; thence turning and running on a line N 14° 11' 33" W for a distance of two hundred sixteen and thirteen hundredths 216.13 feet to the point of beginning. Request of the Board of Water & Sewer Commissioners and Town Manager.

ARTICLE 30 (continued)

Motion by Mr. Arnold C. Blake that the Board of Water Commissioners be and they hereby are authorized to purchase or take by eminent domain for Water Department uses as an addition to the Salem Street well field a certain parcel of land off Salem Street as shown on a plot dated September 1, 1964 made by the Town Engineer and a copy of which is on file in the office of the Town Clerk and described and set forth in Article 30, and that for said purpose there is hereby appropriated the sum of One Hundred (\$100.00) Dollars to be raised by taxation. Finance Committee approved \$100.00 by taxation. Motion voted unanimously and so declared by the Moderator.

ARTICLE 31. To see how much money the Town will vote to raise by taxation, or transfer from available funds and appropriate to complete an Industrial Brochure for the Town of Wilmington, or do anything in relation thereto. Request of the Board of Selectmen and Town Manager.

Motion by Mr. Paul Niles that the Town vote to raise by taxation and appropriate the sum of \$2,500.00 to complete an Industrial Brochure for the Town of Wilmington. Finance Committee approved \$2,500.00 by taxation. Motion voted.

Motion by Robert Woods that this meeting reconsider Fire Department salaries under Article 4. Vote taken by voice and lost and so declared by the Moderator.

ARTICLE 32. To see what amount the Town will raise and appropriate for the use of the Wilmington Conservation Commission for the purposes authorized by G. L. Chapter 40, Section 5, Paragraph 51, and by G. L. Chapter 40, Section 8C as amended, or do anything in relation thereto. Request of William D. MacKinnon, Jr. et al.

Motion by Mr. William D. MacKinnon, Jr. that the Town vote to raise by taxation the sum of \$2,000.00 for the use of the Wilmington Conservation Commission for the purposes authorized by G. L. Chapter 40, Section 5, Paragraph 51, and by G. L. Chapter 40, Section 8C as amended. Finance Committee approved \$2,000.00 by taxation. Motion voted.

Motion by Robert Woods that this meeting reconsider Article 19. Vote taken by voice and lost and so declared by the Moderator.

ARTICLE 33. To see how much money the Town will vote to raise by taxation, or transfer from available funds and appropriate for the construction of sidewalks as set forth in paragraphs 5, 6, and 7 or Chapter 44 of the General Laws, or do anything in relation thereto. Request of the Board of Selectmen and Town Manager.

Motion by Mrs. Drew that the sum of \$25,000.00 be raised by taxation and appropriated for the construction of sidewalks on those streets designated in the report of the Sidewalk Committee for the 1965 Sidewalk program and that the Town Manager be authorized to expend such portions of said appropriation as may be necessary to acquire by purchase an easement or fee in such additional width as in his judgment may be needed on any of said streets to accommodate such sidewalks. Finance Committee recommended approval of \$25,000.00 by taxation. A report from the Sidewalk Committee was read by the Town Manager, Mr. Bouchard, a portion of said report reads as follows:

Your Sidewalk Committee submits the following recommendations:

<u>1965 Program</u>			
<u>Location</u>	<u>From - To</u>	<u>No. Ft.</u>	<u>Cost</u>
1. Clark St. north side	Main St. to Church St.	2,600	\$10,000
2. Garden Ave. Pedway	Brattle St. to School	350	2,000
3. Federal St. south side	Middlesex Ave. to Concord St.	1,000	5,000
4. Adams St. north side	High School to Fairview Ave.	1,000	5,000
5. Middlesex Ave. west side	Clark St. north only	1,000	3,000
			\$25,000

Amendment by Mr. Bender to add the words "and pedway" after the words "sidewalks". Main motion voted as amended.

ARTICLE 34. To see if the Town will vote to authorize the Permanent Building Committee to prepare preliminary plans, specifications and cost estimates pertaining to a new Town Hall, and for said purpose to appropriate a sum of money to be raised by taxation, by transfer from available funds, by bond issue, or otherwise, or do anything in relation thereto. Request of the Town Manager.

Motion by Mr. LaRivee that the town meeting pass over this article. Voted by voice.

ARTICLE 35. To see if the Town will vote to authorize the Permanent Building Committee to prepare preliminary plans, specifications, and cost estimates pertaining to a new public library, and for said purpose to appropriate a sum of \$6,000.00 or any amount and to determine how said appropriation shall be raised, whether by taxation, by transfer from the library appropriation account #1135 or otherwise, or do anything in relation thereto. Request of the Library Trustees and the Town Manager.

Motion by Mr. Ralph Kelmon that the Town authorize the Permanent Building Committee to prepare preliminary plans, specifications, and cost estimates pertaining to a new public library, and for said purpose to transfer the sum of \$6,000.00 from the library appropriation account #1135. Finance Committee recommended approval of \$6,000.00 transferred from account #1135.

Amendment by C. L. Noelcke that the Town appropriate the sum of \$100,000 to be used at the discretion of the Town Manager to select a site, prepare plans and contract for the construction of a town library. The Moderator ruled that this motion was not proper and not within the scope of the article.

Amendment by Mr. Bender to strike out that portion reading \$6,000.00 and Permanent Building Committee, and in place thereof substitute \$2,000.00 for the hiring of a professional Library Consultant, to be hired by the Board of Library Trustees. Amendment lost and so declared by the Moderator. Main motion voted and so declared by the Moderator.

Mr. Barry moved the reconsideration of Article 34. The Moderator said he could not accept this motion since Article 34 had been voted to be passed over.

ARTICLE 36. To see if the Town will raise by taxation, or transfer from available funds, and appropriate a sum of money for the construction of a new bath house at the Town Beach, or do anything in relation thereto. Request of the Town Manager.

Motion by Mr. LaRivee that the Town vote to raise by taxation the sum of \$7,500.00 for the construction of a new bath house at the Town Beach. Finance Committee approved \$7,500 by taxation. Voted by voice.

ARTICLE 37. To see how much money the Town will vote to raise by taxation, or transfer from available funds, and appropriate for the purpose of constructing drainage systems to relieve drainage problems at various locations within the Town, or do anything in relation thereto. Request of the Board of Selectmen and Town Manager.

Motion to pass over the article was voted.

ARTICLE 38. To see if the Town will vote to raise by taxation or transfer from available funds, and appropriate a sum of money for lighting at the tennis courts at the High School, or do anything in relation thereto. Request of the Board of Selectmen and Town Manager.

Motion by Mr. Bender that the Town vote to raise by taxation and appropriate the sum of \$4,300.00 for lighting at the tennis courts at the High School. Finance Committee recommended approval of \$4,300.00 by taxation. Voted by voice.

ARTICLE 39. To see how much money the Town will vote to raise by taxation, or transfer from available funds and appropriate for the continuation of the development of recreation facilities in the Town Park, or do anything in relation thereto. Request of the Board of Selectmen, Town Manager and Recreation Commission.

ARTICLE 39. (continued)

Motion by Mr. Bender that the Town vote to raise by taxation and appropriate the sum of \$3,000.00 for the construction of the development of recreation facilities in the Town Park. Finance Committee recommended approval of \$3,000.00 by taxation. Motion voted by voice.

ARTICLE 40. To see how much money the Town will vote to raise by taxation, or transfer from available funds and appropriate to construct and equip three playgrounds at the North Intermediate, Glen Road and Boutwell Street Schools respectively, or do anything in relation thereto. Request of the Board of Selectmen and Town Manager.

Motion by Mr. LaRivee that the Town vote to raise by taxation and appropriate the sum of \$25,000.00 to construct and equip three playgrounds at the North Intermediate, Glen Road and Boutwell Street Schools respectively. Finance Committee recommended approval of \$4,200.00 by taxation. Amendment by Finance Committee to substitute \$4,200.00 for \$25,000.00. Amendment voted. Amendment to strike out "North Intermediate School" - lost. Amendment to strike out "construct and" - voted. Main motion as amended - voted.

ARTICLE 41. To see if the Town will vote to authorize the Board of Assessors to enter into a three year contract with an appraisal firm for an expert appraisal of taxable real estate and further to see if the Town will vote to raise and appropriate a sum of money necessary to defray the current year's cost of this contract, under the provisions of G. L. Chapter 40, Section 4, or do anything in relation thereto. Request of the Board of Assessors.

Motion by Mrs. Drew that the Town vote to authorize the Board of Assessors to enter into a three (3) year contract with an appraisal firm for an expert appraisal of taxable real estate and further that the Town vote to raise and appropriate from taxation the sum of \$11,670.00 to defray the current year's cost of said contract under the provisions of G. L. Chapter 40, Section 4. Finance Committee disapproved. Motion lost by voice vote.

ARTICLE 42. To see if the Town will vote to transfer from available funds, and appropriate an amount of money to pay for an expert appraisal of the taxable property of the entire town together with the preparation and acquisition of detailed tax maps and property records for the entire town by an outside disinterested firm, and authorize the Town Manager and Board of Assessors to make a contract or contracts for such appraisal or take any other action in relation thereto. On petition of Joseph Yentile et al.

Motion by Mr. Black to pass over the article voted.

ARTICLE 43. To see if the Town will vote to amend the Zoning By-Law and Map by changing from Single Residence A District to Garden Apartment Districts (A), the following described parcel of land, to wit: Beginning on Woburn Street at land now or formerly of Barrows, thence Westerly; six hundred sixteen (616) feet, more or less, and two hundred thirty-two (232) feet, more or less; thence running Northeasterly; two hundred fifty-two (252) feet, more or less, and two hundred thirty-two (232) feet, more or less; thence running Easterly; one hundred ninety-one (191) feet, more or less, and two hundred sixty (260) feet, more or less, thence running southerly; by and along Woburn Street, two hundred ninety-one (291) feet, more or less, and two hundred twenty (220) feet, more or less, to the point of beginning, or do anything in relation thereto. On petition of Eleanor J. Smith and Harold E. Smith and others.

Mr. Black moved to pass over this article - voted.

Motion by Mr. Black to "lay Article 44 on the table" until Article 45 is acted upon was voted.

ARTICLE 45. To see if the Town will vote to amend the Zoning By-Law and Map by changing from Single Residence A to General Business the following described parcel of land: Starting at a point at the intersection of Lee Avenue and Lowell Street, thence running along Lowell Street in a westerly direction approximately 385', thence on a curve at the corner of Lowell and Woburn Streets, 87' more or less, and thence along Woburn Street in a curved line and in a northerly direction, 431' to the corner of Perry Avenue, thence running in an easterly direction along Perry Avenue, 465' to the intersection of Lee Avenue, thence

ARTICLE 45. (continued)

turning and running in a southerly direction along Lee Avenue, 429' to Lowell Street and the point of beginning, meaning and intending to be that area bounded by Lowell Street, Woburn Street, Perry Avenue and Lee Avenue. All as shown on a Plan of Land drawn by K. J. Miller Co., C. E. dated December 26, 1964 and filed with the Town Clerk on December 28, 1964, or do anything in relation thereto. Petition of Frederick R. Jackson et al.

Motion by Mr. Roland I. Wood as described above in article #45. Planning Board reported disapproval of this motion. Finance Committee disapproved. A lengthy discussion followed until the question was called for. Voted to close arguments. Vote taken by standing - Yes - 117 No - 186 Vote lost.

ARTICLE 44. To see if the Town will approve to sell to Jackson Brothers a parcel of property presently owned by the Town of Wilmington, known as Parcel #31, Sheet #58 on the Assessors' Map and consisting of approximately 19,100 sq. ft., or do anything in relation thereto. Request of the Board of Selectmen.

Motion by Mr. Black that the Town vote to approve the sale to Jackson Brothers for the sum of \$1,000.00 a parcel of property presently owned by the Town of Wilmington known as Parcel No. 31, Sheet No. 58 on the Assessor's Map and consisting of approximately 19,100 square feet. Finance Committee approved sale at \$1,000.00.

Amendment by Mr. J. R. Evans adding the words "subject to a proper drainage easement". Moderator declared amendment not in order - language not clear. Amendment by Mr. J. R. Evans adding the words 'any conveyance subject to proper drainage easement. Moderator ruled against this amendment also. Main motion voted by voice and declared unanimous by moderator.

ARTICLE 46. To see if the Town will vote to amend the Zoning By-Law and Map by rezoning from General Business to SRA the area described: Beginning at a point 130 feet from the intersection of Lowell and Cross Street; thence running in an easterly direction parallel with Lowell Street and 130 feet from the southerly side of said street 340 feet to a point; thence in a southerly direction and at a right angle with the previous line a distance of 40 feet to a brook; thence along said brook in an easterly direction a distance of approximately 675 feet to a point; thence in an easterly direction along the southerly portion of the present industrial zone to a point in Maple Meadow Brook; thence along Maple Meadow Brook to Main Street; thence along the northerly edge of Main Street to Cross Street; thence along the northerly edge of Main Street to Cross Street; thence along the easterly side of Cross Street to the point of beginning, or do anything in relation thereto. Petition of Stanley Webber et al.

Mr. Webber asked the Moderator if he would take the next three articles together if the signees agreed. Mr. Cutter said he would not allow more than one main motion to be acted on at a time.

Motion by Mr. Stanley Webber that the Town adopt the Zoning change as laid out in Article 46. Finance Committee disapproved. Planning Board recommended favorable action. After lengthy discussion, the question was called for and the vote was unanimous to close arguments. Vote taken by standing - Yes 87 No 127 Motion lost.

ARTICLE 47. To see if the Town will vote to amend the Zoning By-Law and Map by rezoning from General Business to SRA the area described: Beginning at the corner of Main and Cross Streets; thence southeasterly along Main Street; a distance of one hundred ninety-six (196) feet; thence northeasterly along the common property line of lots 1B and 2A as shown on the Daniel Ayer Plan dated 1854, a distance of two hundred eighty seven (287) feet; thence northwesterly along the northeasterly property line of lots 1A and 1B of said plan a distance of eighty (80) feet; thence westerly along the common property line of lots 19A and 18B of said plan a distance of two hundred thirty (230) feet to Cross Street; thence southerly along Cross Street to the point of beginning, or do anything in relation thereto. Petition of Stanley Webber et al.

Motion by Mr. Stanley Webber that the Town adopt the Zoning change as laid out in Article 47.

ARTICLE 47. (continued)

Finance Committee disapproved. Planning Board recommended favorable action. Vote taken by standing - Yes - 97 No - 114 Motion lost.

ARTICLE 48. To see if the Town will vote to amend the Zoning By-Law and Map by rezoning from General Business to SRA the area described: Beginning at a point 130 feet from the intersection of Lowell Street and Cross Street; thence running in an easterly direction parallel with Lowell Street and 130 feet from the southerly side of said street, 340 feet to a point, thence in a southerly direction and at a right angle with the previous line, a distance of 40 feet to a brook, thence along said brook in an easterly direction a distance of approximately 675 feet to a point, thence in an easterly direction along the southerly portion of the present industrial zone to a point in Maple Meadow Brook to Main Street, thence along the northerly edge of Main Street to Cross Street, thence along the easterly side of Cross Street to the point of beginning. On petition of Joseph Yentile et al.

Mr. Black moved to pass over this article. Voted.

ARTICLE 49. To see if the Town will vote to amend the Zoning By-Law and Map by changing from Single Residence A District to Industrial District, the following described parcel of land: Starting at a point on Kilmarnock Street, Wilmington, and running south $80^{\circ} 02' 07''$ east nine hundred seventy-eight and 22/100 (978.22) feet to an iron post; thence turning and running north $32^{\circ} 48' 24''$ west eleven hundred fifty-four and 56/100 (1154.56) feet to an iron post and Kilmarnock Street, and thence running along Kilmarnock Street north $84^{\circ} 22'$ east one hundred seventy-six and 90/100 (176.90) feet to an iron post, thence continuing along Kilmarnock Street north $87^{\circ} 41'$ east one hundred thirty-nine and 06/100 (139.06) feet; thence continuing along Kilmarnock Street south $81^{\circ} 52' 56''$ east one hundred twenty-four and 40/100 (124.40) feet to an iron post, thence continuing along Kilmarnock Street south $81^{\circ} 52' 56''$ east fifty-one and 17/100 (51.17) feet to point of beginning. Said lot of land is shown on a plan of land filed with the Town Clerk on January 17, 1963 and known as "Land in Wilmington, Mass., December 1962", and drawn by Gordon E. Ainsworth, Registered Surveyor, or do anything in relation thereto. Petition of Alan Altman et al.

Motion by Mr. Alan Altman that the Town adopt the zoning change as laid out in Article 49, and said lot is also described by being bounded by Interstate Highway 93, the Boston & Maine Railroad, and Kilmarnock Street. Finance Committee disapproved. Planning Board recommends unfavorable action on this article. After a lengthy discussion the question was called for and the vote was unanimous to close arguments. Vote taken by standing: Yes - 19 No - 131 Motion lost.

ARTICLE 50. To see if the Town will vote to raise by taxation, or transfer from available funds, and appropriate a sum of money for the completion of Roosevelt Road, or take any action in relation thereto. Request of the Board of Selectmen and Town Manager.

Motion by Mr. Bender that the Town vote to raise by taxation the sum of \$5,000.00 for the completion of Roosevelt Road. Finance Committee approves \$5,000.00 by taxation. Motion voted.

ARTICLE 51. To see if the Town will vote to accept as a public way the layout of Nunn Road as approved by the Planning Board and made by the Selectmen under the provisions of law relating to the assessment of Betterments, which layout is filed in the office of the Town Clerk, and which, with plans therein mentioned, is hereby referred to for more particular description; and to authorize the Board of Selectmen to take by the Right of Eminent Domain such land, slope and drainage or other easements as may be necessary to effect the purpose of this Article, and to determine how an appropriation shall be raised, whether by taxation or by transfer from available funds, by borrowing, or otherwise, for the purpose of constructing said way and for the payment of any damages resulting from the taking of land and slope easements and other easements therefor, or do anything in relation thereto. Request of Joseph Lunetta et al.

Motion by Mr. Joseph E. Lunetta that the Town vote to accept as a public way the layout of Nunn Road as set forth in Article 51 and to effect the purpose of this article the Town

ARTICLE 51. (continued)

vote to raise by borrowing and appropriate the sum of \$1,900.00 and to meet such appropriation that the Treasurer with the approval of the Board of Selectmen, be and hereby is authorized to issue bonds or notes of the Town therefor, payable in not more than 5 years. Finance Committee approved \$1,900.00 by Betterments. Motion voted unanimously and so declared by the Moderator.

ARTICLE 52. To see if the Town will vote to adopt the following resolution: Whereas the General Court sitting as a Constitutional Convention did on July 16, 1963, give initial approval to a Home Rule amendment to the State Constitution, and whereas this bill of rights for local governments requires a second approval by the Members of the General Court during this legislative session, and whereas we, as members of this Town Meeting, feel competent to handle the affairs of our town without strict supervision by the Commonwealth of our every act and deed; now therefore be it resolved that this Town Meeting hereby instructs its representatives to the General Court to vote in favor of the Home Rule proposal (H 1384 of 1963 as revised) when it comes before them. Read by Mr. Rene J. LaRivée. Request of the Board of Selectmen.

Finance Committee approved. Voted to adopt this resolution.

ARTICLE 53. To see if the Town Meeting will vote to authorize and direct the Board of Selectmen and Town Manager to convey by deed to Howard J. and Mary E. Murphy, and to John R. Evans certain portions of land taken from them by the exercise of the power of eminent domain by the County Commissioners on behalf of the Town of Wilmington for the relocation of Ballardvale Street, but not so used. Said parcels of land being located between the rights of way of old Ballardvale Street and relocated Ballardvale Street; said parcels of land being further shown on described on a plan on file in the office of the Town Engineer; or do anything in relation thereto. Request of John Robert Evans et al.

Motion by Mr. Evans that the Town authorize the Board of Selectmen and Town Manager to release to John R. Evans the easement of public way which was taken on behalf of the Town by the Middlesex County Commissioners, in so much of his respective properties as lies between the old location of Ballardvale Street and a line parallel to and sixty feet easterly from the westerly line of said taking, and between points on the westerly line of said taking, distant respectively one hundred and eighty-five (185) feet more or less southerly from the intersection of the westerly line of said taking with the southwesterly side line of the New England Power Company easement, forty-two (42) feet more or less northerly from the intersection of said westerly line of said taking with the northeasterly sideline of said New England Power Company easement, on condition, however, that they respectively grant to the owners abutting on said old location of Ballardvale Street on the easterly side thereof, and opposite the land so to be released, adequate and satisfactory rights of way from the respective properties of said owners to the new location of Ballardvale Street; the form and details of said several instruments to be at the discretion of the Board of Selectmen and Town Manager.

Finance Committee disapproved as written. Moderator ruled this motion illegal. No written motion was offered but the Article 53 was read as laid out above and a vote was taken by voice and it was voted and declared unanimous by the Moderator.

All articles having been acted upon, the Moderator declared the Meeting adjourned at 11:45 p.m. There were 450 voters present at the afternoon session and 408 voters present at the evening session.

VOTED TO RAISE BY TAXATION	\$3,362,344.11
VOTED TO RAISE BY TRANSFERS	149,028.07
VOTED TO BORROW BY BONDS OR NOTES	<u>465,429.00</u>
GRAND TOTAL AS VOTED	\$3,976,801.18

(Mrs.) Esther L. Russell
Town Clerk

SPECIAL TOWN MEETING - October 25, 1965
WITH ACTION TAKEN THEREON

TO: Either of the Constables of the Town of Wilmington:

GREETINGS: In the name of the Commonwealth of Massachusetts and in the manner prescribed in the By-Laws of said Town, you are hereby directed to notify and warn the inhabitants of the Town qualified to vote in Town affairs to meet and assemble at the Herbert C. Barrows Auditorium on Monday, the twenty-fifth Day of October next at 7:30 p.m. to consider and act on the following Articles:

Mr. Charles H. Black moved that further reading of the Warrant be dispensed with. Motion voted unanimously. The Moderator, Mr. Simon Cutter stated that he would call each article by number if there were no objections. No objections were heard and this policy was followed.

Mrs. Wavie M. Drew introduced the new Town Manager, Mr. Richard M. Henneberger, Jr. to the meeting. Mr. Henneberger spoke briefly and was warmly received.

ARTICLE 1. To see if the Town will vote to authorize the Selectmen to sell and convey or to again lease in the name and on behalf of the Town any portion or the whole of the parcel of land belonging to the Town on Chestnut Street on which the South School stands, together with the buildings thereon, and fix the terms of sale or lease and/or the price or rent, or do anything in relation thereto. Request of the Board of Selectmen.

Motion by Mr. Charles H. Black that the Town vote to authorize the Selectmen to lease for a period of five (5) years in the name and on behalf of the Town any portion or the whole of the parcel of land belonging to the Town on Chestnut Street on which the South School stands, together with the buildings thereon, and fix the other terms of the lease, at the discretion of the Selectmen. Finance Committee approved. Motion voted by voice. Moderator declared vote unanimous.

ARTICLE 2. To see if the Town will vote to raise and appropriate a sum of money for the purpose of acquiring land for the construction of a proposed future school, and to determine how the appropriation shall be raised, whether by transfer from available funds by borrowing, or otherwise; and further to see if the town will vote to authorize the Selectmen to purchase, take by eminent domain, or receive as a gift for said purpose, certain parcels of land off Hopkins Street and Shawsheen Avenue shown on plans dated September 22, 1965, prepared by Dana F. Perkins & Sons, Inc., copies of which are on file with the Town Clerk and are described as follows: (Description of Cullington Land) Beginning at a point on the West side of Shawsheen Street at the Northeast corner of the granted premises and land owned by James V. DeCarolis Realty Trust; thence S 29° 02' 30" E along said Shawsheen Street, 83.20 feet to a county bound; thence by a curved line having a radius of 33.19 feet and running in a Southwesterly direction, 48.79 feet to a point on Hopkins Street; thence S 52° 41' 00" W along said Hopkins Street, 140.94 feet to a drill hole; thence S 58° 46' 40" W along Hopkins Street, 19.06 feet to a point at land owned by the said DeCarolis Realty Trust; thence N 33° 48' 06" W still by said Trust land, 140.00 feet to a point; thence N 61° 36' 47" E still by said Trust land, 200.00 feet to Shawsheen Street and the point of beginning. Being shown as lot 2 on a Plan of Land in Wilmington, Mass. prepared September 22, 1965 by Dana F. Perkins & Sons, Inc. Civil Engineers & Surveyors, Reading, Mass. and containing 24,500 square feet more or less, according to said plan.

(Description of the James V. DeCarolis Realty Trust Land) Beginning at a point on the West side of Shawsheen Street at the Southeast corner of the granted premises and land owned by Ralph E. and Cherry M. Cullington; thence S 61° 36' 47" W by land owned by said Cullington 200.00 feet to a point; thence S 33° 48' 06" E still by said Cullington land, 140.00 feet to a point at Hopkins Street; thence along Hopkins Street by 4 courses, S 58° 46' 40" W 75.60 feet, S 54° 38' 10" W 197.32 feet, S 48° 14' 40" W 113.59 feet, and S 52° 33' 40" W 70.39 feet to a point at land owned by Alice M. Crispo; thence N 31° 58' 30" W by land of said Crispo, 288.29 feet to a point; thence S 58° 01' 30" W still by said Crispo land, 150.00 feet to a point on a stone wall at land owned by Johnathan A. Hamilton; thence N 32° 08' 50" W

ARTICLE 2. (continued)

along said wall and land of said Hamilton, 350.18 feet to a stone bound; thence N 32° 17' 45" W still by said Hamilton land, 109.16 feet to an iron pipe at land owned by Leonard A. and Alice M. Chisholm; thence N 31° 09' 30" W by land of said Chisholm, 408.78 feet to an iron pipe at land owned by Ralph D. and Jeanette Mattucci; thence N 60° 21' 30" E by said Mattucci land and land owned by Sebastian Gomes, 787.33 feet to a point at land owned by Angus W. and Florence L. Suggs; thence S 29° 32' 20" E by said Suggs land, 125.00 feet to a point; thence N 67° 45' 30" E still by said Suggs land, 150.00 feet to a point on Shawsheen Street; thence by a curved line having a radius of 1,328.04 feet along said Shawsheen Street, 242.65 feet to a county bound; thence S 16° 38' 30" E still along said Shawsheen Street, 199.92 feet to a point; thence by a curved line having a radius of 807.44 feet still along said Shawsheen Street, 174.75 feet to a County bound; thence S 29° 02' 30" E still by said Shawsheen Street, 206.72 feet to a point at land owned by the aforementioned Cullington and the point of beginning. Being shown as Lot 1 on a Plan of Land in Wilmington, Mass. prepared September 22, 1965 by Dana F. Perkins & Sons, Inc. Civil Engineers & Surveyors, Reading, Mass. and containing 19.95 acres more or less according to said plan, or do anything in relation thereto. Request of Permanent Building Committee.

Motion by Mr. Robert B. Michelson that the Town vote to raise and appropriate the sum of \$28,000.00 for the purpose of acquiring parcels of land on Hopkins Street and Shawsheen Avenue for a future school site, as shown on a plan on file with the Town Clerk, dated September 22, 1965, prepared by Dana F. Perkins and Sons, Inc. (as described above); and I further move that the Selectmen be, and are hereby authorized to acquire said land by purchase, to take by eminent domain, or to accept as a gift, and to raise said appropriation, that \$840.00 be transferred from account #950 and/or #1100 and that the Treasurer, with the approval of the Selectmen, be and is hereby authorized to borrow a sum or sums in the amount of \$27,160.00 and to issue bonds or notes therefore, under authority of Section 7 of Chapter 44 of the General Laws, or do anything in relation thereto." Finance Committee approved \$28,000.00. Motion voted unanimously and so declared by the Moderator.

ARTICLE 3. To see if the Town will vote to raise and appropriate a sum of money for the purpose of acquiring land for the construction of a proposed future school, and to determine how the appropriation shall be raised, whether by transfer from available funds, by borrowing, or otherwise; and further to see if the Town will vote to authorize the Selectmen to purchase, take by eminent domain, or receive as a gift for said purpose, certain parcels of land off Whitefield Terrace shown on a Plan dated September 23, 1965, prepared by Dana F. Perkins & Sons, Inc., a copy of which is on file with the Town Clerk and described as follows: (Description of the Vokey & Parsons land) Beginning at a point on the Northwest side of Whitefield Terrace at the Northeast corner of the granted premises at land owned by George Vokey and John C. Parsons; thence Southwesterly by Whitefield 109.99 feet to a point; thence Southeasterly by the end of said Whitefield Terrace, 22.05 feet to a point at land owned by the Town of Wilmington; thence Southwesterly by said Town of Wilmington land and land owned by Herbert and Marion Cutter, 355.11 feet to a point at land owned by Bernard P. McMahon; thence Northwesterly 120.54 feet to a point and Southwesterly 607.30 feet, both by said McMahon land to a point in a ditch; thence Northwesterly by land of said McMahon and land owned by William and Gloria Diehl, along said ditch 160.00 feet more or less, to a point at land owned by Roger C. and Beverly A. Trow; thence Northeasterly by land of said Trow and land owned by Robert S. and Jeanne E. Odams along said ditch, 750 feet more or less to a point at land owned by Harold and Grace M. Winitzer; thence Southeasterly by said Winitzer land and land owned by the aforementioned Vokey & Parsons, 325 feet more or less to Whitefield Terrace and the point of beginning. Being shown on a Plan of Land in Wilmington, Mass. prepared September 23, 1965 by Dana F. Perkins & Sons, Inc., Civil Engineers and Surveyors, Reading, Mass. and containing 6.5 acres more or less according to said plan, or do anything in relation thereto. Request of the Permanent Building Committee.

Motion by Mr. Robert B. Michelson that the Town vote to raise and appropriate the sum of \$10,000 for the purpose of acquiring a parcel of land on Whitefield Terrace for a future school site, as shown on a plan on file with the Town Clerk, dated September 23, 1965, prepared by Dana F. Perkins and Sons, Inc., (as described above); and I further move that the Selectmen be, and are hereby authorized to acquire said land by purchase, to take by eminent domain, or to accept as a gift, and to raise said appropriation, that \$300.00 be transferred from account #950 and/or #1100 and that the Treasurer, with the approval of the Selectmen,

ARTICLE 3. (continued)

be and is hereby authorized to borrow a sum or sums in the amount of \$9,700.00 and to issue bonds or notes therefore, under the authority of Section 7 of Chapter 44 of the General Laws or do anything in relation thereto. Finance Committee approved. Motion voted unanimously and so declared by the Moderator.

ARTICLE 4. To see if the Town will vote to authorize the Board of Selectmen in the name and on behalf of the Town to release and reconvey to Mildred E. Neilson an easement for sidewalk purposes 15 feet in width adjoining the Northeasterly sideline of Garden Avenue and extending along the frontage of her lots Nos. 259 to 263 inclusive on said Garden Avenue between Brattle Street and the Glen Road School lot of the Town of Wilmington, all as shown on plan dated March 31, 1965, made by the Wilmington Engineering Department; said easement having been granted to the Town by said Mildred E. Neilson by a deed dated April 20, 1965, without consideration and it having been determined that the Town no longer has use for such easement; or do anything in relation thereto. Request of Board of Selectmen.

Motion by Mr. Paul H. Niles that the Town vote to authorize the Board of Selectmen in the name and on behalf of the Town to release and reconvey to Mildred E. Neilson an easement for sidewalk purposes 15 feet in width adjoining the Northeasterly sideline of Garden Avenue and extending along the frontage of her lots Nos. 259 to 263 inclusive on said Garden Avenue between Brattle Street and the Glen Road School lot of the Town of Wilmington, all as shown on plan dated March 31, 1965, made by the Wilmington Engineering Department; said easement having been granted to the Town by said Mildred E. Neilson by a deed dated April 20, 1965, without consideration it having been determined that the Town no longer has use for such easement. Finance Committee approved. Motion voted unanimously and so declared by the Moderator.

ARTICLE 5. To see if the Town will vote to accept Chapter 40A, Section 8 of the General Laws or take any action in relation thereto. Requested by the Planning Board.

Motion by Mr. Austin L. Rounds that the Town vote to accept Chapter 40A, Section 8 of the General Laws or take any action in relation thereto. Finance Committee disapproved. After a lengthy discussion the question was called for. There were no objections. Vote taken by voice and lost and so declared by the Moderator.

ARTICLE 6. To see if the Town will vote to amend the Zoning By-Law and Map by changing from Industrial to Rural that area of land present zoned as an Industrial District, and described as follows: Beginning at a point at the intersection of the center-line of Route 125 and the New England Power Company transmission line easement; thence, running due north a distance of approximately 2,500 feet to a point at the present boundary of the Industrial District; thence, running in a southeasterly direction along the present boundary of the Industrial District to a point at the intersection of said boundary with the center-line of Route 125; thence, running in a more southerly direction along said boundary of the Industrial District, a distance of approximately 2,400 feet to a point at the most easterly extension of said Industrial District; thence, running in a southwesterly direction along the boundary of said Industrial District to the intersection of said boundary with the New England Power Company transmission line; thence, running in a northwesterly direction along said transmission line to its intersection with the center-line of Route 125, and the point of beginning, or do anything in relation thereto. Requested by the Planning Board.

Motion from Planning Board to pass over this article. Vote taken by voice and so carried.

ARTICLE 7.

Motion by Mr. Joseph F. Courtney to postpone consideration of Article Seven until Article Fourteen has been considered. After some discussion, a voice vote was taken and declared so voted by the Moderator. Seven voters rose to show doubt of the vote. A vote was then taken by standing. Yes - 381 No - 81 Voted to postpone until after Article Fourteen has been considered.

ARTICLE 8. To see if the Town will vote to amend the Zoning By-Law and Map by changing from Single Residence "A" District to Industrial District the following described parcel

ARTICLE 8. (continued)

of land: Southeasterly by Woburn Street by several courses measuring four hundred sixty and 51/100 (460.51) feet, more or less; Southwesterly by land now or formerly of James R. and Patricia R. Sullivan and Avco Corporation, two hundred and 08/100 (200.08) feet; Northwesterly by other land now or formerly of Avco Corporation by several courses measuring five hundred thirty-one and 13/100 (531.13) feet, more or less; Northeasterly by Lowell Street, one hundred forty-two and 93/100 (142.93) feet; and Northeasterly again by a radius equal to fifty-two and 22/100 (52.22) measuring ninety and 50/100 (90.50) feet. Meaning and intending to describe that certain parcel of land owned by Avco Corporation bounded Northwesterly by other land of Avco Corporation presently zoned for industrial use and bounded Northeasterly by Lowell Street and Southeasterly by Woburn Street and Southwesterly as above described, or do anything in relation thereto. Request of Alan Altman et al.

Motion by Mr. John M. Callan that the Town vote to amend the Zoning By-Law and Map by changing from Single Residence "A" District to Industrial District, the parcel of land as described above in Article Eight. Finance Committee disapproved. Planning Board report on above article read by Mr. Daniel Gillis. The Planning Board feels that this change of zoning should not take place because no need for change has been shown. After a lengthy discussion the question was called for. There were no objections. Standing vote taken. Yes - 456 No - 86 Motion carried.

ARTICLE 9. To see if the Town will vote to amend the Zoning By-Law and Map by changing from Rural District to Industrial District, thereby extending the present Industrial District to include the following described parcel of land owned by Howard J. and Mary E. Murphy: Beginning at a point on the Westerly side of Ballardvale Road and designated on the Zoning Map as the amended Industrial line of February 11, 1961 thence extending Northerly on Ballardvale Road Five Hundred Fifty-four 96/100 (554.96) feet; thence Westerly by land now or formerly owned by Amy U. Whitten, Four Hundred Eleven 73/100 (411.73) feet; thence Southerly by land owned by Howard J. and Mary E. Murphy situated in the Town of Andover, Six Hundred Fifty-Seven 78/100 (657.78) feet, thence Easterly by land owned by Howard J. and Mary E. Murphy and defined as Industrial Districts, Four Hundred Eleven 44/100 (411.44) feet, to the point of the beginning, or do anything in relation thereto. Request of Howard J. Murphy and Mary E. Murphy.

Motion (read by Mr. Roland I. Wood, Attorney for Howard J. Murphy and Mary E. Murphy) that the Town vote to amend the Zoning By-Law and Map by changing from Rural District to Industrial District, thereby extending the present Industrial District to include the parcel of land as described above in Article Nine. Finance Committee approved. Planning Board report read by Mr. Austin L. Rounds. It was felt that the rezoning of this land would be of limited benefit to the Town of Wilmington due to the increase in the traffic flow and service requirements to this area. After some discussion the question was called for. There were no objections. Standing vote taken. Yes - 456 No - 40 Motion carried.

ARTICLE 10. To see if the Town will vote to authorize the Selectmen to purchase for the use of the Town as a site for a new public library the land and buildings on Middlesex Ave. formerly occupied by St. Thomas Church, the boundaries and area of said land to be as determined in the currently pending registration proceedings in the Land Court, and appropriate for such purchase the sum of fifteen thousand dollars by transfer of the existing balance of the same amount originally appropriated by vote of the Town under Article 3 of the warrant for the Special Town Meeting held April 30, 1962, or do anything in relation thereto. Request of Library Committee.

Motion by Mr. Ralph M. Kelmon that the Town vote to authorize the Selectmen to purchase for the use of the Town as a site for a new public library the land and buildings on Middlesex Avenue formerly occupied by St. Thomas Church, the boundaries and area of said land to be as determined in the currently pending registration proceedings in the Land Court, and appropriate for such purchase the sum of fifteen thousand dollars by transfer of the existing balance of the same amount originally appropriated by vote of the Town under Article 3 of the warrant for the Special Town Meeting held April 30, 1962. Finance Committee approved. Vote taken by voice and declared unanimous by the Moderator.

ARTICLE 11. To see if the Town will vote to authorize the Permanent Building Committee to construct a public library on land owned or to be acquired by the Town on Middlesex Avenue, and to see if the Town will vote to raise and appropriate a sum of money for razing the existing buildings on said land and for constructing and originally equipping and furnishing said library, and determine how the appropriation shall be raised, whether by taxation, by transfer from available funds or from other existing balances, by borrowing, or otherwise; and to authorize and instruct the Permanent Building Committee to enter into contracts and do all things that are necessary for constructing, equipping and furnishing said library, or take any action relative thereto. Request of the Library Committee.

Motion by Mr. Ralph M. Kelmon that Article 11 be passed over. Voted to pass over article by voice vote.

ARTICLE 12. Shall the Town accept the provisions of sections sixteen to sixteen I, inclusive, of chapter seventy-one of the General Laws, providing for the establishment of a regional school district, together with the towns of Bedford, Billerica, Burlington, Tewksbury and Wilmington, and the construction, maintenance, and operation of a regional school by the said district in accordance with the provisions of a proposed agreement filed with the selectmen? Requested by the Vocational School District Planning Committee.

Motion by Mr. Richard E. Keane that the Town accept the provisions of Sections Sixteen to Sixteen I inclusive of Chapter Seventy-one of the General Laws, providing for the establishment of a regional school district, together with the towns of Bedford, Billerica, Burlington, and Tewksbury, and the construction, maintenance and operation of a regional school by the said district in accordance with the provisions of a proposed agreement filed with the Selectmen. Finance Committee approved.

Vote taken by check list and official printed ballot per General Law. Voting machine used. Police in attendance at ballot box. Ballot box register read 469. Ballots counted by Tellers; vote count as follows: Yes - 403 No - 67 Total ballots cast - 470 Motion carried. Machine malfunction caused one less vote to be recorded.

ARTICLE 13. To see if the Town will vote to amend Section 14 of Chapter 3 of the Town By-Laws by adding at the end thereof a new paragraph reading as follows: "In addition to and not in derogation of the authority herein above granted, the Selectmen may, without advertisement, negotiate the sale and sell and convey to an abutting owner any foreclosed lot which is not eligible for a building permit by reason of not meeting zoning requirements upon receipt of a sum equal in amount to any unpaid taxes, interest and expenses which have accrued against such lot to the date of sale; and provided further that if the aggregate of the accrued taxes, interest and expenses which have accrued against any such lot is greater in amount than its fair market value as determined by the Board of Assessors, the Board of Selectmen may sell and convey such lot for an amount which is not less than its fair market value as so determined," or do anything in relation thereto. Requested by Board of Selectmen.

Motion by Mr. Lloyd C. Bender, III that the Town vote to amend Section 14 of Chapter 3 of the Town By-Laws by adding at the end thereof a new paragraph as outlined above in Article Thirteen. Finance Committee disapproved. After a lengthy discussion, the question was called for to close debate. Voted unanimously. Vote taken by voice and lost and so declared by the Moderator.

ARTICLE 14.

Motion by Mr. Rene J. LaRivee that the meeting be adjourned until after the Special Town Meeting of November 22nd at the High School Gymnasium and said meeting shall start immediately following the Special Town Meeting. Vote taken by voice and lost, and so declared by the Moderator. Some discussion followed. Mr. Paul H. Niles moved to reconsider adjournment. Vote taken by voice and so voted.

Motion by Mr. Paul H. Niles that the meeting be adjourned until after the Special Town Meeting of November 22nd at the High School Gymnasium and said meeting shall start immediately following the Special Town Meeting.

amendment by Mr. Fred F. Cain to adjourn to November 3rd at the High School Gymnasium.
Vote taken by standing. . . Yes - 134 No - 182 Amendment lost.

Vote on main motion to adjourn taken by a voice vote, and declared so voted by the Moderator.

Meeting adjourned at 11:40 p.m.

Voters checked on the voting list. . . 661

(Mrs.) Esther L. Russell
Town Clerk

SPECIAL TOWN MEETING - November 22, 1965
WITH ACTION TAKEN THEREON

Mr. Simon Cutter, the Moderator, called the meeting to order at 8:10 p.m.

Today being the second anniversary of the death of our beloved President John F. Kennedy, Mr. Cutter asked the meeting to stand for a moment of silence.

Selectmen Lloyd C. Bender, III presented Selectwoman Wavie M. Drew with a copy of a Congressional citation from Washington honoring her and signed by United States Senator Everett Saltonstall and Congressman Bradford Morse.

DO: Either of the Constables of the Town of Wilmington.

GREETINGS: In the name of the Commonwealth of Massachusetts and in the manner prescribed in the By-Laws of said Town, you are hereby directed to notify and warn the inhabitants of the Town qualified to vote in Town affairs to meet and assemble at the High School Gymnasium on Monday, the Twenty-second day of November next at 8:00 p.m. to consider and act on the following Articles:

Selectman Charles H. Black moved that further reading of the Warrant be dispensed with. Motion carried.

Mr. Cutter stated that he would call each article by number if there were no objections. No objections were heard and this policy was followed.

ARTICLE 1. To see how much money the Town will vote to appropriate for the payment of land damages in connection with the proposed relocation of Burlington Avenue by the County Commissioners and to determine how the appropriation shall be raised, whether by borrowing, by transfer from available funds or other accounts, or otherwise, or do anything in relation thereto. Request of the Board of Selectmen.

Motion by Mrs. Wavie M. Drew that the sum of \$11,900.00 be and is hereby appropriated for the payment of land damages in connection with the proposed relocation of Burlington Ave. by the County Commissioners, and to meet said appropriation that the sum of \$1,900.00 be transferred from Account No. 941 entitled "Blue Cross - Blue Shield", and that the treasurer with the approval of the Selectmen be authorized to borrow the sum of \$10,000.00 under the provisions of General Laws, Chapter 44, Section 7, Clause 5 and to issue bonds or notes of the Town therefor payable in not more than ten years. The Finance Committee recommends approval of the sum of \$11,900 to be raised by transfer of \$1,900.00 from Account 941 (Blue Cross - Blue Shield) and the borrowing of the sum of \$10,000 for a term not to exceed ten years. It is our belief that this important traffic route should be improved for the benefit of the Town as a whole, and that since this can be accomplished through the

ARTICLE 1. (continued)

use of Chapter 90 funds, with minimum cost to the Town, we feel that acceptance of this Article is highly desirable. It is our understanding that a sidewalk is planned in this area, to be installed by the Town concurrent with the construction of the street improvement. A lengthy discussion followed. Vote taken by standing. . . Yes - 89 No - 245 Motion lost.

ARTICLE 2. To see if the Town will vote to amend the Building By-Law by striking out in its entirety the existing Building By-Law including all amendments, and substitute therefor the Proposed Building By-Law of the Town of Wilmington, County of Middlesex, Commonwealth of Massachusetts 1965, a copy of which is attached to this warrant, and another copy of which is on file with the Town Clerk, or do anything in relation thereto. Requested by the Building By-Law Committee.

Motion by Mr. Robert F. Leahy that the Town vote to amend the Building By-Law by striking out in its entirety the existing Building By-Law including all amendments, and substitute therefor the proposed Building By-Law of the Town of Wilmington, County of Middlesex, Commonwealth of Massachusetts 1965, a copy of which is attached to the Warrant for this Special Town Meeting, and another copy of which is on file with the Town Clerk.

Finance Committee: "The March Annual Town Meeting of 1964 authorized the appointment by the Selectmen of a committee to study and report on the needs of the Town as to a new Building Code; such committee to report to the Town Meeting. The Finance Committee makes no recommendation on this article, but it believes that the need for a Building Code By-Law should be given consideration."

Mr. Leahy read a summary report on the proposed Building By-Law which in part reads as follows: "It is a major revision of the existing Building By-Law. It retains the best parts of the existing By-Law and has been revised and updated in the areas that were weak. The Committee believes that acceptance of this By-Law will be an asset to the Town and urges your support of Article 2. A lengthy discussion followed. Mr. Harold McKelvey moved to table the Article. Vote taken by standing. . . Yes - 16 No - 257 Motion lost. Vote taken by voice to close arguments. Vote unanimous and so declared by the Moderator. Vote on main motion taken by voice and declared unanimous by the Moderator.

ARTICLE 3. To see if the Town will vote to transfer from available funds or from other existing balances and appropriate an amount of money to pay for an expert appraisal of the taxable real estate of the entire Town by an outside disinterested firm, and authorize the Town Manager and the Board of Assessors to make a contract or contracts for such appraisal, or take any other action in relation thereto. On request of the Board of Selectmen.

Motion by Mr. Lloyd C. Bender, III that the Town Manager and the Board of Assessors be and are hereby authorized to enter into a contract or contracts for a period not exceeding three years for an expert appraisal of the taxable real estate of the entire town by an outside disinterested firm, for a sum not to exceed \$36,000.00 and that the sum of \$6,000.00 is hereby appropriated to cover payments on such contract or contracts for the current year, and to raise such appropriation that \$3,000.00 be transferred from Account #947 entitled "Appraisals"; \$500.00 from Account #150 entitled "Assessors Outlay"; and \$2,500.00 from Account #941 entitled "Blue Cross - Blue Shield."

The Finance Committee recommends approval of the Town entering into a contract, not to exceed three years, and not to exceed \$36,000 in total cost for the purpose of reappraising the taxable property of the Town. It is further recommended that to finance the current year's payment of \$6,000. that the sum of \$3,000 be transferred from Account #947 (Appraisals); \$500 from Account #150 (Assessors' Outlay); and \$2,500 from account #941 (Blue Cross-Blue Shield). Due to the fact that the Town now finds itself in the situation of having its Principal Assessor resign at a time when reappraisal has been only partially completed, we feel that it is to the advantage of the Town to accomplish complete reappraisal of the entire Town before the 1966 tax rate is set.

Mr. Henneberger, Town Manager, introduced the new Principal Assessor, Mr. Anthony Krzeminski, to the meeting. Mr. Henneberger talked on the need for reappraisal. A lengthy discussion

ARTICLE 3. (continued)

followed. The question was called for. Vote taken by voice to close arguments. Voted unanimously. The moderator read the motion again and a voice vote was taken and the vote was unanimous and so declared by the Moderator.

The business of this meeting being completed, the Moderator declared the meeting adjourned.

Adjourned at 9:40 p.m.

ADJOURNED SPECIAL TOWN MEETING of October 25, 1965
WITH ACTION TAKEN THEREON

Meeting was called to order at 9:41 p.m. immediately following the adjournment of the Special Town Meeting of November 22, 1965.

Articles Fourteen and Seven (in that order) to be considered at this time.

ARTICLE 14. To see what amount the Town will appropriate toward the cost of a new Nichols Street Bridge over the railroad and approaches thereto and determine how the appropriation shall be raised, whether by transfer from available funds, by borrowing, or otherwise, or do anything in relation thereto. Requested by the Board of Selectmen.

Motion by Mr. Paul H. Niles that the sum of \$1,775 be and is hereby appropriated for the payment of land damages to be incurred by the proposed construction of the new Nichols Street bridge over the railroad tracks, and to provide funds, therefor the sum of \$1,775 be transferred from account #941 entitled "Blue Cross-Blue Shield", also that the sum of \$40,000 be appropriated as the Town's share of the cost of constructing a new Nichols Street bridge and to provide funds therefor the sum to be transferred from Account #915 entitled "Sewer Maintenance", \$600; and from account #952 entitled "Outlay Road Machinery Equipment", \$1,400; and that the Treasurer with the approval of the Selectmen be and is hereby authorized to borrow the sum of \$38,000 under the provisions of General Laws, Chapter 44, Section 7, Clause (4) and to issue bonds or notes of the Town therefor payable in accordance with said Chapter 44, so that the whole loan shall be paid in not more than 20 years from the date of issue of the first bond or note; said appropriation to be used in conjunction with State and County funds. The Finance Committee recommended approval of the motion as read by Mr. Paul Niles. Representative Fred F. Cain spoke on the article stating that he saw no reason not to vote for this. Vote taken by voice and declared unanimous by the Moderator.

ARTICLE 7. To see if the Town will vote to amend the Zoning By-Law and Map by changing from Single Residence A District to Industrial District the following described parcel of land: Beginning at a point on the northerly side of Concord Street at the intersection of Concord Street and the North Reading Town Line; thence running in a westerly direction along the northerly side of Concord Street to a point at the intersection of Concord Street and the easterly side of the right-of-way of Interstate Route #93; thence running in a northerly direction along the easterly side of the right-of-way of Interstate Route #93 a distance of sixteen hundred and fifteen (1,615) feet more or less to a point; thence running in an easterly direction along the right-of-way of Interstate Route #93, a distance of two hundred and ninety-seven (297) feet more or less to a point; thence running in a northerly direction along the right-of-way of Interstate Route #93, a distance of twelve hundred and sixty-six (1,266) feet to a point; thence running in an easterly direction parallel with a stone wall and one hundred (100) feet from said stone wall, a distance of twelve hundred and fifty (1,250) feet more or less to a point; thence running in a northerly direction parallel with a stone wall and thirty (30) feet; from said stone wall to a point three hundred (300) feet from the southerly side of Park Street; thence running in an easterly direction parallel with Park Street and three hundred (300) feet from the southerly side of said Park Street to a point at the North Reading Town Line; thence running in a southerly direction along the North Reading Town Line, a distance of forty-five hundred and seventy (4,570) feet more or less to the point of beginning; or do anything in relation thereto. Request of the Board of Selectmen.

ARTICLE 7. (continued)

Motion by Mr. Joseph F. Courtney that the Town vote to amend the Zoning By-Law and Map by changing from Single Residence A District to Industrial District the following described parcel of land: Beginning at a point on the northerly side of Concord Street at the intersection of Concord Street and the North Reading Town Line; thence running in a westerly direction along the northerly side of Concord Street to a point at the intersection of Concord Street and the easterly side of the right-of-way of Interstate Route #93; thence running in a northerly direction along the easterly side of the right-of-way of Interstate Route #93 a distance of sixteen hundred and fifteen (1,615) feet more or less to a point; thence running in an easterly direction along the right-of-way of Interstate Route #93, a distance of two hundred and ninety-seven (297) feet more or less to a point; thence running in a northerly direction along the right-of-way of Interstate Route #93, a distance of twelve hundred and sixteen (1,216) feet to a point; thence running in an easterly direction parallel with a stone wall and one hundred and fifty (150) feet from said stone wall a distance of twelve hundred and fifty (1,250) feet more or less to a point; thence running in a northerly direction parallel with a stone wall and thirty (30) feet from said stone wall to a point three hundred (300) feet from the southerly side of Park Street; thence running in an easterly direction parallel with Park Street and three hundred (300) feet from the southerly side of said Park Street to a point at the North Reading Town Line; thence running in a southerly direction along the North Reading Town Line a distance of forty-five hundred and seventy (4,570) feet more or less to the point of beginning.

Finance Committee recommended this article for approval. "In view of the fact that at least three professional studies made in the past ten years have all indicated that the best use of this land area is for industrial or commercial purposes, it would appear that the approval of this article is in the best interest of the Town."

Planning Board Report in part reads as follows: "The area is ideally suited for commercial and industrial use. While the isolation of the site, through natural barriers, is detrimental to desirable residential development, this isolation is essential for intensive industrial and commercial purposes. The fact that the area abuts Route #93 and the Concord Street interchange insures a traffic pattern keyed to Route #93. This offers protection to the remaining network of Wilmington against a major increase in traffic volume. In conclusion, after weighing the pros and cons regarding the proposed rezoning, the Planning Board is of the opinion that it would be in the best interests of the Town to develop an industrial park on Route #93 in an effort to broaden our tax base and bring financial relief to the Town. Therefore, the Planning Board recommends approval of Article 7 by the Town Meeting."

During the discussion that followed, Selectmen Bender stated that the Selectmen were in favor of this motion. Mr. Courtney presented a map of the area to the meeting so that we could see the zoning change as outlined in the motion.

Amendment by Theresa M. Hayes that Article 7 be amended by striking out the remainder of the article following the phrase "thence running in an easterly direction along the right-of-way of Interstate Route #93, a distance of two hundred and ninety-seven (297) feet more or less to a point" and inserting "thence in a northerly direction for one hundred eighty-five (185) feet more or less; thence in an easterly direction parallel with Concord Street to a point on the North Reading Town Line, no point on this line to exceed eighteen hundred (1800) feet north of Concord Street; thence in a southerly direction along the North Reading Town Line, a distance of eighteen hundred (1800) feet more or less to the point of beginning. A lengthy discussion on the amendment followed. Vote taken by voice on the amendment and Lost, and so declared by the Moderator. Vote to close arguments on main motion. . Yes - 319 No - 40. Vote on main motion by standing. . Yes - 321 No - 38 Motion carried.

There being no further business, the Moderator declared the meeting adjourned at 10:30 p.m.

Voters checked in at both meetings (449).
